Cataloging Bulletin - Hennepin County Library. Cataloging Section 1983

Australian Book Review - 1982

HCL Cataloging Bulletin - Hennepin County Library. Technical Services Division 1982

Equal Employment Opportunity and Affirmative Action - Floyd D. Weatherspoon 2018-12-14

First published in 1985. In this remarkable book, the author has compiled a large collection of resource material that will be of benefit to the student as well as the practitioner of equal employment and affirmative action (EEO/AA). This book includes a broad scope of information on EEO/AA from its infancy and progresses through its rapidly changing and developing stages. Indeed, this book will be an invaluable asset in easily acquiring and supplementing one's basic knowledge as well as providing a general overview of the subject area.

The Corporate Closet - James D. Woods 1994

While most of us believe that professional conduct is, or should be, asexual, corporate America is in fact suffused with sexual assumptions. From its offices to its boardrooms, heterosexuality is continuously on display: alluded to in conversation and family photos, symbolized by wedding rings, and endorsed by personnel policies that award health insurance and other benefits to spouses and children. Drawing on hundreds of interviews with men all across the country and in different kinds of companies, from chief executive to recent college graduates, James Woods explores the "sexual culture" of these organization, and the difficult choices it present for gay professionals.

America's Competitive Secret - Judy B. Rosener 1997

The USA has a number of educated, experienced, professional women ready and willing to move into the boardrooms and executive suites of corporate America. The author of this text argues that they are America's competitive secret.

Singles Ask - Harold Ivan Smith 1988

Includes answers to 125 questions asked by single adults at Smith's seminars. The questions come from all kinds of single adults-men and women, young and old, divorced and never-married.

Subject Cataloging - Sanford Berman 1984

Here is an important critical review of current subject cataloging with suggested reforms and reports on actual innovations that have proven successful.

The Manuscript Inventories and the Catalogs of Manuscripts, Books, and Periodicals: Book catalog, Mae-Pin - Arthur and Elizabeth Schlesinger Library on the History of Women in America 1984

Editor & Publisher - 1981

Subject Catalog - Library of Congress

Playboy and the Making of the Good Life in Modern America - Elizabeth Fraterrigo 2009-11-05

Playboy was more than a magazine filled with pictures of nude women and advice on how to mix the perfect martini. Indeed, the magazine's vision of sexual liberation, high living, and "the good life" came to define mainstream images of postwar life. In exploring the history of America's most widely read and influential men's magazine, Elizabeth Fraterrigo hones in on the values, style, and gender formulations put forth in its pages and how they gained widespread currency in American culture. She shows that for Hugh Hefner, the "good life" meant the freedom to choose a lifestyle, and the one he promoted was the "playboy life," in which expensive goods and sexually available women were plentiful, obligations were few, and if one worked hard enough, one could enjoy abundant leisure and consumption. In support of this view, Playboy attacked early marriage, traditional gender arrangements, and sanctions against premarital sex, challenging the conservatism of family-centered postwar society. And despite the magazine's ups and downs, significant features of this "playboy life" have become engrained in American society.

Women Lawyers' Journal - 1982

Includes lists of members of the association.

Personnel Management in Government - Jay M. Shafritz 1992

A comprehensive guide, this book covers employee relations and the legacy of quality and reengineering, and discussions on the growth of public personnel management in state and local sectors. The authors discuss affirmative action and equal opportunity case law, work and family issues, the Volcker Commission findings, an analysis of federal pay reform and innovative classification and compensation systems currently implemented by federal agencies, a discussion of constitutional and legal issues facing public personnel administration in areas such as AIDS and drug testing, figures and tables on collective bargaining laws and trends, and more.

National Union Catalog -

Includes entries for maps and atlases.

The Cumulative Book Index - 1983

A world list of books in the English language.
