**Sex and Tourism** - Thomas G. Bauer 2003

Written in a unique combination of academic and personal accounts, *Sex and Tourism: Journeys of Romance, Love, and Sex* takes you behind the scenes with motel owners, adventure travel guides, backpackers, and others working on all sides of the tourism industry all over the world. The editors have created a model that views the situation from three different perspectives: tourist, tourism provider, and nature of the encounter. Unlike other related volumes, this book is not just about the sex trade, but also about the role of tourism in love, marriage, and relationships. *Sex and Tourism* is an enlightening guide to the complex world found at the crossroads of sex and sightseeing. **Koreana** - 1995

[Marrying Korean](#) - Stefano Young 2019-10-25

*Marrying Korean* follows Stefano, an MIT graduate, as he meets the Korean woman who would become his wife and wonders to himself if he could even locate her country on a map. From his first tastes of soju, his first Korean drama addiction, and his first time getting naked with his girlfriend's father to taekwondo sparring, interviewing at Samsung, and visiting an abalone-farming family on the remote island of Nowha-do, the author chronicles a decade worth of attempts to impress his new Korean family, communicate in the Korean language, and wrestle with the more difficult parts of Korean culture.

**The Archaeology of Korea** - Sarah M. Nelson 1993-05-13

The author examines the evolution of state-level societies and their relationship to politics in Japan and China.

*Korea Focus - September 2014* - The Korea Foundation 2014-09-20

*Korea Focus* is a monthly webzine accessible at ([www.koreafocus.or.kr](http://www.koreafocus.or.kr)), which includes editorials, columns, features, interviews, and essays on Korean current affairs and related international issues. **Disgrace** - Joanna Bourke 2022-09-26

Looking across time and the globe, a critical history of sexual violence—what causes it and how we overcome it. *Disgrace* is the first truly global history of sexual violence. The book explores how sexual violence varies widely across time and place, from nineteenth-century peasant women in Ireland who were abducted as a way of forcing marriage, to date-raped high-school students in twentieth-century America, and from girls and women violated by Russian soldiers in 1945 to Dalit women raped by men of higher castes today. It delves into the factors that facilitate violence—including institutions, ideologies, and practices—but also gives voice to survivors and activists, drawing inspiration from their struggles. Ultimately, Joanna Bourke intends to forge a transnational feminism that will promote a more harmonious, equal, and rape- and violence-free world.

**New Ways of Solidarity with Korean Comfort Women** - N̄usta Carranza Ko 2023-06-03

This book provides a space for victims' testimonies and memories, engages with their experiences, reflects upon the redress movement, and evaluates policies related to Korean comfort women as victims and survivors from the international, domestic, and bilateral realms. Collectively, this edited volume aims to further diversify the scholarship on comfort women, contribute to the existing literature on social movements related to comfort women and other related studies, and, in doing so, challenge the politicization of comfort women. With this objective, the book presents scholarship from interdisciplinary fields that revisit the meaning of victims' testimonies, memories, and remembrance, social movement efforts on comfort women, and the related role of government, governance, and society by reflecting on the truths about the historical past. In so doing, it initiates new conversations among political scientists, sociologists, historians, and cultural and literary scholars. What do victims' testimonies reveal about new ways of imagining historical memory of Korean comfort women? How are memories of comfort women and their experiences remembered in social movements, literature, and cultural practices? Where is the place of comfort women's experiences in politics, diplomacy, and global affairs? These are some of the questions that guide the contributions to this edited volume, which seek to establish new ways of solidarity with comfort women.

**The Comfort Women** - C. Sarah Soh 2020-05-15

In an era marked by atrocities perpetrated on a grand scale, the tragedy of the so-called comfort women—mostly Korean women forced into prostitution by the Japanese army—endures as one of the darkest events of World War II. These women have usually been labeled victims of a war crime, a simplistic view that makes it easy to pin blame on the policies of imperial Japan and therefore easier to consign the episode to a war-torn past. In this revelatory study, C. Sarah Soh provocatively disputes this master narrative. Soh reveals that the forces of Japanese colonialism and Korean patriarchy together shaped the fate of Korean comfort women—a double bind made strikingly apparent in the cases of women cast into sexual slavery after fleeing abuse at home. Other victims were press-ganged into prostitution, sometimes with the help of Korean procurers. Drawing on historical research and interviews with survivors, Soh tells
