Delhi Elizabeth Chatterjee 2013-12-02 ‘... nobody who lives there, nobody at all, has much good to say about Delhi.’ Along with Milton Keynes, Detroit and Purgatory, Delhi is one of the world’s great unloved destinations. So when Elizabeth Chatterjee makes her way from the cool hum of Oxford to the demented June heat of heat of Delhi to research her PhD, she find herself both baffled and curious about the je ne sais quoi of this city of ‘graveyards and tombstones’. As flâneur and sagacious resident, Liz takes us through the serpentine power structures, the idyll, the bullshit—peeling layer after layer of the city’s skin to reveal its aspirations, its insecurity, its charm and finally its urban dissonance. Uncannily perceptive, predictive, and hysterical, Delhi Mostly Harmless puts a firm finger on the electric pulse of Delhi.

Rethinking the Man Question Jane L. Parpart 2013-07-04 The reality of international relations and its academic study are still almost entirely constituted by men. Rethinking the Man Question is a crucial investigation and reinvigoration of debates about gender and international relations. Following on from the seminal The Man Question in International Relations this book looks at the increasingly violent and 'toxic' nature of world politics post 9/11. Contributors including Raewyn Connell, Kimberley Hutchings, Cynthia Enloe, Kevin Dunn and Sandra Whitworth consider the diverse theoretical and practical implications of masculinity for international relations in the modern world. Covering theoretical issues including masculine theories of war, masculinity and the military, cyborg soldiers, post-traumatic stress disorder and white male privilege. The book also focuses on the ways in which masculinity configures world events from

See You in Frankfurt! Peter Weidhaas 2010-05-08 In 1975, Peter Weidhaas was elected as the Director of The Frankfurt Book Fair. It was a surprise choice. Little did he know that he would preside over revolutionary changes in one of the most important cultural expositions in the world. But first he had to answer the question of his own identity. Born in 1938, Weidhaas was forced to confront the horrors of his German past, to live and learn through the tumultuous events on 1968, and finally to find his own place among the leading lights of the literary world. He held the reins at the Frankfurt Book Fair during every major cultural shift of the last quarter of the 20th century: from the explosion of world literature to the collapse of Communism, from the advent of globalization to the triumph of information technology. Through it all, Peter Weidhaas has proven himself to be one of the world's most sensitive bibliophiles and an astute pupil of cultural history. See You In Frankfurt! is the story of how the Frankfurt Book Fair found its soul.

My Best Friend's Brother, A Love Story Kennedy Claire 2015-03-01 ** Download for FREE today** What happens when you fall in love with the one guy everyone tells you is off-limits? Fire, meet gasoline. Attractive, young and equally strong-headed, Scarlett Sommerfield and Dev Bashir were never meant to be a match--at least if his very wealthy and traditional Indian parents have anything to say about it. So it's a good thing that they've despised each other for most of their young lives -- but that's about to change. Growing up poor and motherless, smart and ambitious Scarlett is graduating from high school and becoming a new adult in the big scary world without a safe place to land, so when she's invited to move in with her best friend's palatial home on the right side of the tracks for her senior year, things couldn't be better. There, she finds security and kindness--with the exception of her best friend's brooding and arrogant older brother, Dev, who returns home from college struggling with his own demons and seemingly focused on making her the object of

his contempt. Over time--and some ill-timed run-ins--Scarlett learns that he's not at all what he seems, and a forbidden love sparks between them, burning out of control when she least expects it. But when there's fire, there's smoke, and controlling Mrs. Bashir catches onto their young romance...and everything goes to hell. Steeped in outdated rules and traditions about love and marriage, the matriarch of the Bashir Family makes no secret that Scarlett simply doesn't measure up as a match for their eldest son. And the very people who made her feel part of the family now want nothing more than to see her gone for good. Including her former best friend. Will Scarlett and Dev's love survive against his intolerant mother's sabotage, her personal misfortunes and a dark life-changing secret he's kept simmering just under the surface? Or will Scarlett end up back where she started: facing her future utterly alone. "This is a quick-moving, sizzling coming of age romance novella, filled with smart, savvy and fascinating characters, navigating the angst of first love with the added complication of interracial and multi-cultural obstacles. Throw in a satisfying Happy-For-Now ending, some steam and sizzle in the right places, and you have an impressive debut from Kennedy Claire." --Bren Thompson "A fast paced, beautifully written young love story with intrigue, passion and smart witty dialogue." - Adrienne Chism "J.S. The Greatest Collection of the Best Green Pilipino Jokes

Sex, Scotch and Scholarship Khushwant Singh 2012-07-21 In this anthology, which comprises some of Khushwant Singh's best writing, you can look forward to some talk of sex, a little of Scotch and much Scholarship. The collection attempts to mirror the author's concerns and passions-his love of nature, his anguish over the situation in Punjab, his interest in religions of the world and his scholarly research on the one into which he was born, Sikhism. The highlight of this book, however, is the expansive, autobiographical opening piece written in Khushwant's characteristically candid style and perhaps the most complete self-portrait he has yet painted.

"Queer media is not one thing but an ensemble of at least four moving variables: history, gender and sexuality, geography, and medium. While many scholars would pinpoint the early 1990s as marking the emergence of a cinematic movement (dubbed by B. Ruby Rich, the "new queer cinema") in the United States, films and television programs that clearly spoke to LGBTQ themes and viewers existed at many different historical moments and in many different forms. Cross-dressing, same-sex attraction, comedic drag performance: at some points, for example in 1950s television, these were not undercurrents but very prominent aspects of mainstream cultural production. Addressing "history" not as dots on a progressive spectrum but as a uneven story of struggle, writers on queer cinema in this volume stress how that queer cinema did not appear miraculously at one moment but describes currents throughout the century-long history of the medium. Likewise, while queer is an Anglophone term that has been widely circulated, it by no means names a unified or complete spectrum of sexuality and gender identity, just as the LGBTQ+ alphabet soup struggles to contain the distinctive histories, politics, and cultural productions of trans artists and genderqueer practices. Across the globe, media makers have interrogated identity and desire through the medium of cinema through rubrics that sometimes vigorously oppose the Western embrace of the pejorative term queer, instead foregrounding indigenous genders and sexualities, or those forged in the global South, or those seeking alternative epistemologies. Finally, while "cinema" is in our title, many scholars in this collection see that term as an encompassing one, referencing cinema and media in a convergent digital environment. The lively and dynamic conversations introduced here aspire to sustain further reflection as "queer cinema" shifts into new configurations"--

Sexual Harassment of Women National Academies of Sciences, Engineering, and Medicine 2018-09-01 Over the last few decades, research, activity, and funding has been devoted to improving the recruitment, retention, and advancement of women in the fields of science, engineering, and medicine. In recent years the diversity of those participating in these fields, particularly the participation of women, has improved and there are significantly more women entering careers and studying science, engineering, and medicine than ever before. However, as women increasingly

enter these fields they face biases and barriers and it is not surprising that sexual harassment is one of these barriers. Over thirty years the incidence of sexual harassment in different industries has held steady, yet now more women are in the workforce and in academia, and in the fields of science, engineering, and medicine (as students and faculty) and so more women are experiencing sexual harassment as they work and learn. Over the last several years, revelations of the sexual harassment experienced by women in the workplace and in academic settings have raised urgent questions about the specific impact of this discriminatory behavior on women and the extent to which it is limiting their careers. Sexual Harassment of Women explores the influence of sexual harassment in academia on the career advancement of women in the scientific, technical, and medical workforce. This report reviews the research on the extent to which women in the fields of science, engineering, and medicine are victimized by sexual harassment and examines the existing information on the extent to which sexual harassment in academia negatively impacts the recruitment, retention, and advancement of women pursuing scientific, engineering, technical, and medical careers. It also identifies and analyzes the policies, strategies and practices that have been the most successful in preventing and addressing sexual harassment in these settings.

Selected Hindi Short Stories Rajendra Awasthi 2003

Kung mangarap ka nang matagal Poh Seng Goh 1986

The Aztec Love God Tony Diaz 1998 The story of a Mexican-American standup comedian whose specialty is making fun of ethnic stereotypes. He is Tiofilo Duarte and the novel describes how--to survive--he is forced to stoop to this form of comedy.

Beginning of a love story Rubleena Behera We are all a little weird and, life's also a little weird too, so when we find someone whose weirdness is compatible with ours, we join up with them and fall in mutual weirdness and call it love. Love is all about honesty, communication, and being with someone who brings out the best possible you. It's about falling in love with your best friend... finding someone who makes you smile when you've had a terrible day. Falling head over heels, obsessively in love with someone who lifts you up when you're so far down. True love is often described as lasting forever and as constantly occupying the lover's mind. Thus, people say, "True love never dies." "I will always love you for the rest of your life." and "I'll be yours through all the years, till the end of time." This anthology shows the love and the purest feelings of our co-authors, who penned down their love through inks, compiled by Rubleena Behera.
