

Sex Workers Unite

Our Lives Matter - Anna-Louise Crago 2008

Sex Workers Unite - Melinda Chateauvert 2015-03-10
A provocative history that reveals how sex workers have been at the vanguard of social justice movements for the past fifty years while building a movement of their own that challenges our ideas about labor, sexuality, feminism, and freedom. Documenting five decades of sex-worker activism, *Sex Workers Unite* is a fresh history that places prostitutes, hustlers, escorts, call girls, strippers, and porn stars in the center of America's major civil rights struggles. Although their presence has largely been ignored and obscured, in this provocative history Melinda Chateauvert recasts sex workers as savvy political organizers—not as helpless victims in need of

rescue. Even before transgender sex worker Sylvia Rivera threw a brick and sparked the Stonewall Riot in 1969, these trailblazing activists and allies challenged criminal sex laws and “whorephobia,” and were active in struggles for gay liberation, women’s rights, reproductive justice, union organizing, and prison abolition. Although the multibillion-dollar international sex industry thrives, the United States remains one of the few industrialized nations that continues to criminalize prostitution, and these discriminatory laws put workers at risk. In response, sex workers have organized to improve their working conditions and to challenge police and structural violence. Through individual confrontations and collective campaigns, they have pushed

the boundaries of conventional organizing, called for decriminalization, and have reframed sex workers' rights as human rights. Telling stories of sex workers, from the frontlines of the 1970s sex wars to the modern-day streets of SlutWalk, Chateaufort illuminates an underrepresented movement, introducing skilled activists who have organized a global campaign for self-determination and sexual freedom that is as multifaceted as the sex industry and as diverse as human sexuality.

The Queens Of Sarmiento Park - Camila Sosa Villada
2022-07-14

The Argentine literary sensation that has taken the Spanish-speaking world by storm: a dark, surreal and beautiful novel about violence, exclusion and love 'A fragment of the future' Edouard Louis 'Ferocious and magical' Torrey Peters, Guardian 'It will break your heart' Mariana Enriquez 'Naked, glorious storytelling' Claire Oshetsky 'A literary sensation' Rolling Stone Auntie

Encarna's is the queerest boarding house in the world. For Camila, it is a refuge, and the travesti who gather there are like family. At night they head out to Sarmiento Park to earn money. They stand together in the cold, sharing stories and a hip flask of whiskey, waiting for a car to slow down. Until, one freezing evening, Auntie Encarna hears crying in the bushes and wades in to investigate. When she finds an abandoned baby boy, she will hear no arguments: she is bringing him home to care for him. Life for Camila and the others will never be the same again. Longlisted for the Dublin Literary Award Winner of the Sor Juana Ines de la Cruz Prize Winner of the Premio de Narrativa en Castellano Winner of the Grand Prix de l'héroïne Madame Figaro

Getting Screwed - Alison Bass
2015-09-22

Alison Bass weaves the true stories of sex workers with the latest research on prostitution into a gripping journalistic account of how women (and

*Downloaded from
legacy.opendemocracy.net
on 2022-08-24 by guest*

some men) navigate a culture that routinely accepts the implicit exchange of sex for money, status, or even a good meal, but imposes heavy penalties on those who make such bargains explicit. Along the way, Bass examines why an increasing number of middle-class white women choose to become sex workers and explores how prostitution has become a thriving industry in the twenty-first-century global economy. Situating her book in American history more broadly, she also discusses the impact of the sexual revolution, the rise of the Nevada brothels, and the growing war on sex trafficking after 9/11. Drawing on recent studies that show lower rates of violence and sexually transmitted diseases, including HIV, in regions where adult prostitution is legal and regulated, Bass makes a powerful case for decriminalizing sex work. Through comparisons of the impact of criminalization vs. decriminalization in other countries, her book offers strategies for making

prostitution safer for American sex workers and the communities in which they dwell. This riveting assessment of how U.S. anti-prostitution laws harm the public health and safety of sex workers and other citizens - and affect larger societal attitudes toward women - will interest feminists, sociologists, lawyers, health-care professionals, and policy makers. The book also will appeal to anyone with an interest in American history and our society's evolving attitudes toward sexuality and marriage.

Autobiography of a Sex Worker - Naḷini Jamīla 2007

Sex workers are free in four respects: we don't have to cook for a husband; we don't have to wash his dirty clothes; we don't have to ask for his permission to raise our kids as we deem fit; we don't have to run after a husband claiming rights to his property.? Fiery, outspoken and often wickedly funny, this candid account of one woman's life as a sex worker in Kerala became a bestseller when it was first published in

Malayalam. Nalini Jameela, who takes her name from both Hindu and Muslim traditions, worked as a child in the clay mines. She has been a wife, mother, successful business woman and social activist ? as well as a sex worker ? at different stages of her life. This is Nalini Jameela's story, told in her inimitably honest and down- to-earth style, of her search for dignity, empowerment and freedom on her own terms.

Reconfiguring Stigma in Studies of Sex for Sale -

Jeanett Bjonness 2021-09-23

Reconfiguring Stigma in Studies of Sex for Sale is about the production and effects of stigma in sex work or prostitution with contributions from four continents and different disciplines that taken together explore how such stigma is conditioned by differences in time, place, citizenship, gender, sexuality, class and race. Stigma is about relationships between people and also sets an interpretative frame whereby people understand and react to

situations and actions, and the book is developed and organized to investigate this from various angles. It presents empirical studies that build on and expand the scholarship on stigma and sex work. This means that it contributes to a more complex understanding of stigma in sex work studies.

Further, by using the example of sex work to explore how we can best understand the production and consequences of stigma, the book makes a contribution that is relevant for all scholars who work on stigma and stigmatization. The book is intended for academic audiences interested in sex work or prostitution, on the one hand, and stigmatization, on the other. It is also intended for students in a broad range of disciplines, as well as for practitioners and activists who encounter or work with stigmatization or stigmatized populations.

Unite and Conquer - Kyrsten Sinema 2009-07

Old-school divide-and-conquer tactics—demonizing opponents, frightening voters, refusing to

compromise—may make us feel good about the purity of our ideals, but it's no way to get anything done. Worse, this approach betrays some of the most cherished ideals of the progressive movement: inclusion, reason, justice, and hope. Illuminated by examples from her own work and a host of campaigns across the country, Kyrsten Sinema shows how to forge connections—both personal and political—with seemingly unlikely allies and define our values, interests, and objectives in ways that broaden our range of potential partners and expand our tactical options. With irreverent humor, enthralling campaign stories, and solid, practical advice, Sinema enables us to move past “politics as war” and build support for progressive causes on the foundation of our common humanity.

Whores and Other Feminists

- Jill Nagle 2013-09-13

Whores and Other Feminists fleshes out feminist politics from the perspective of sex workers--strippers, prostitutes,

porn writers, producers and performers, dominatrices--and their allies. Comprising a range of voices from both within and outside the academy, this collection draws from traditional feminisms, postmodern feminism, queer theory, and sex radicalism. It stretches the boundaries of contemporary feminism, holding accountable both traditional feminism for stigmatizing sex workers, and also the sex industry for its sexist practices.

To Live Freely in This World -

Chi Mgbako 2016-01-08

Sex worker activists throughout Africa are demanding an end to the criminalization of sex work and the recognition of their human rights to safe working conditions, health and justice services, and lives free from violence and discrimination. *To Live Freely in This World* is the first book to tell the story of the brave activists at the beating heart of the sex workers' rights movement in Africa—the newest and most vibrant face of the global sex

legacy.opendemocracy.net
on 2022-08-24 by guest

workers' rights struggle. African sex worker activists are proving that communities facing human rights abuses are not bereft of agency. They're challenging politicians, religious fundamentalists, and anti-prostitution advocates; confronting the multiple stigmas that affect the diverse members of their communities; engaging in intersectional movement building with similarly marginalized groups; and participating in the larger global sex workers' rights struggle in order to determine their social and political fate. By locating this counter-narrative in Africa, *To Live Freely in This World* challenges disempowering and one-dimensional depictions of "degraded Third World prostitutes" and helps fill what has been a gaping hole in feminist scholarship regarding sex work in the African context. Based on original fieldwork in seven African countries, including Botswana, Kenya, Mauritius, Namibia, Nigeria, South Africa, and Uganda, Chi Adanna Mgbako draws on

extensive interviews with over 160 African female and male (cisgender and transgender) sex worker activists, and weaves their voices and experiences into a fascinating, richly-detailed, and powerful examination of the history and continuing activism of this young movement.

Pimp State - Kat Banyard
2016-06-14

Never before have prostitution, strip clubs and pornography been as profitable, widely used or embedded in mainstream culture as they are today. How society should respond to the rise of the sex trade is shaping up to be one of the Twenty-First Century's big questions. Should it be legal to pay for sex? Isn't it a woman's choice whether she strips for money? Could online porn warping the attitudes of a generation of boys? An increasingly popular set of answers maintains that prostitution is just work, porn is fantasy, demand is inevitable; so fully legalise the sex trade and it can be made safe. Kat Banyard contends that these are profoundly

legacy.opendemocracy.net
on 2022-08-24 by guest

dangerous myths. Sexual consent is not a commodity, objectification and abuse are inherent to prostitution, and the sex trade poses a grave threat to the struggle for women's equality. Skilfully weaving together first-hand investigation, interviews and the latest research, Pimp State powerfully argues that sex trade myth-makers will find themselves on the wrong side of history.

Respect Me I Am - Jaipal Singh Datta 2015-09-18

I am not a sex worker. But I understand that sex is basic need of all human beings. I have been helped by many women. So I decided to respect all women. Sex workers are maximum exploited women. They need respect. I am fighting for equal rights for all workers including sex workers. I want decriminalization of sex work. I am against human trafficking of any nature. I have expressed my self and taken help of internet to explain my thoughts. I am from India and traveled in Europe, United States of America and New

Zealand. I wish all the best to all sex workers. I am hopeful that all the sex workers shall unite and shall demand respect.

Sexography - Nicholas de Villiers 2017-03-21

The turn of the twenty-first century has witnessed an eruption of nonfiction films on sex work. The first book to examine a cross-section of this diverse and transnational body of work, *Sexography* confronts the ethical questions raised by ethnographic documentary and interviews with sexually marginalized subjects. Nicholas de Villiers argues that carnal and cultural knowledge are inextricably entangled in ethnographic sex work documentaries. De Villiers offers a reading of cinema as a technology of truth and advances a theory of confessional and counterconfessional performance by the interviewed subject who must negotiate both loaded questions and stigma. He pays special attention to the tactical negotiation of power in these

Downloaded from
legacy.opendemocracy.net
on 2022-08-24 by guest

films and how cultural and geopolitical shifts have affected sex work and sex workers.

Throughout, *Sexography* analyzes the films of a range of non-sex-worker filmmakers, including Jennie Livingston, Pier Paolo Pasolini, Shohini Ghosh, and Cui Zi'en, as well as films produced by sex workers. In addition, it identifies important parallels and intersections between queer and sex worker rights activist movements and their documentary historiography. De Villiers ultimately demonstrates how commercial sex is intertwined with culture and power. He advocates shifting our approach from scrutinizing the motives of those who sell sex to examining the motives and roles of the filmmakers and transnational audiences creating and consuming films about sex work.

Marching Together - Melinda Chateauvert 1997

In this first book-length history of the women of the BSCP, Melinda Chateauvert brings to life an entire group of women

ignored in previous histories of the Brotherhood and of working-class women, situating them in the debates among women's historians over the ways that race and class shape women's roles and gender relations. Chateauvert's work shows how the auxiliary, made up of the wives, daughters, and sisters of Pullman porters, used the Brotherhood to claim respectability and citizenship. Pullman maids, relegated to the auxiliary, found their problems as working women neglected in favor of the rhetoric of racial solidarity. [Revolting Prostitutes](#) - Molly Smith 2018-11-06

How the law harms sex workers—and what they want instead Do you have to endorse prostitution in order to support sex worker rights? Should clients be criminalized, and can the police deliver justice? In *Revolting Prostitutes*, sex workers Juno Mac and Molly Smith bring a fresh perspective to questions that have long been contentious. Speaking from a growing global sex worker rights movement, and

Downloaded from
legacy.opendemocracy.net
on 2022-08-24 by guest

situating their argument firmly within wider questions of migration, work, feminism, and resistance to white supremacy, they make it clear that anyone committed to working towards justice and freedom should be in support of the sex worker rights movement.

A Whore's Manifesto - Kay Kassirer 2019-10-18

Sex work was once thought to be anathema to women's liberation. Now, to some, we represent the tenacity of women's struggles under patriarchy and capitalism—that is, at least, the white, straight, cis, able-bodied sex workers who don't engage in actual sex with clients. These are the workers who get the glossy media profiles and get touted as feminist icons. But the red umbrella is wide and covers so many: escorts, sugar babies, strippers, session wrestlers, cam performers, fetish models, DIY queer porn stars, and the full range of gender, race, and ability. Our work and our identities are as vast and

Downloaded from
legacy.opendemocracy.net

variable as the spectrum of sexuality itself. We do the work. In the streets, in the clubs, in hotel rooms, and in play party dungeons. We make dreams come true so we can afford a place to sleep. We do business in a marketplace that politicians and police are constantly burning down for our "own safety and dignity." We have high heels and higher anxiety. This isn't a collection of sob stories of heartbroken whores. This is a testament of life at ground zero of sexual discourse, the songs of canaries in the coal mines of sex, gender, class, race, and disability. We may dance on the table, but we still demand our seat at it. Sex workers of the world unite. This is A Whore's Manifesto.

The Brothel of Pompeii - Sarah Levin-Richardson 2019-05-23
Offers an in-depth exploration of the only assured brothel from the Greco-Roman world, illuminating the lives of both prostitutes and clients.

Domestic Workers of the World Unite! - Jennifer N. Fish 2017-07-25

"Look deep in your hearts": making a global domestic workers' movement -- "Dignity overdue": tracing a movement - - Getting "on the map": global policy as an activist stage -- "First to work; last to sleep": central policy debates -- "My mother was a kitchen girl": mobilizing strategies among domestic workers -- "Put yourself in her shoes": NGO, union, and feminist allies -- "A little bit of liberation": moving beyond rights

Bad Girls - Camila Sosa Villada 2022-05-03

Gritty and unflinching, yet also tender, fantastical, and funny, a trans woman's tale about finding a community on the margins. In Sarmiento Park, the green heart of Córdoba, a group of trans sex workers make their nightly rounds. When a cry comes from the dark, their leader, the 178-year-old Auntie Encarna, wades into the brambles to investigate and discovers a baby half dead from the cold. She quickly rallies the pack to save him, and they adopt the child into their fascinating

surrogate family as they have so many other outcasts, including Camila. Sheltered in Auntie Encarna's fabled pink house, they find a partial escape from the everyday threats of disease and violence, at the hands of clients, cops, and boyfriends. Telling their stories—of a mute young woman who transforms into a bird, of a Headless Man who fled his country's wars—as well as her own journey from a toxic home in a small, poor town, Camila traces the life of this vibrant community throughout the 90s. Imbuing reality with the magic of a dark fairy tale, *Bad Girls* offers an intimate, nuanced portrait of trans coming-of-age that captures a universal sense of the strangeness of our bodies. It grips and entertains us while

also challenging ideas about love, sexuality, gender, and identity.

Designing Prostitution Policy - Wagenaar, Hendrik
2017-04-26

Most discussions about approaches to regulating prostitution occur at the national level—battles, for example, between prohibition and legalization. In reality, however, the impact of prostitution is felt most keenly at the local level, and it is local measures that can have the greatest effect. This book explores various approaches to regulating prostitution and other sex work at the local level, analyzing their aims and outcomes and offering guidance on designing effective regulations through available policy instruments.
