Right at the top: wild, wicked fantasies about her best buddies and business partners Ryan Hollister and Bram Colton. Besides the fact they're both poster boys

for Hunks 'R' Us, they've been there for her through thick, thin and the heartbreak of a cheating fiancé. So what if her boys will never know they star in her sexiest daydreams? In her fantasy world, her heart will never get trampled again. Ry and Bram are pretty sure Lacey never meant to email a list of some of her raunchiest wants. Particularly the one that tightens their shorts-she wants a threesome. With them. Although they've loved her for years, they made a pact to keep Lacey off limits in order to protect their friendship. Now all bets are off. And the quest to give her all she wants-and more-is on. *What Happens at Christmas* - Jay Northcote 2015-11-19 When two friends pose as boyfriends, could what happens at Christmas turn into something more? Justin is recently and unhappily single. Christmas is coming, and he doesn't want to face his ex alone at their office party. So Sean-Justin's best mate and long-time secret crush-volunteers to go with him and pretend to be his new flame.

Sean has always lusted after Justin from afar, but there's never been a good opportunity to ask him for more than friendship. Posing as Justin's boyfriend isn't a chore, and if Justin wants to rebound onto him, Sean's more than willing. At the party pretence and reality blur, and a kiss on the dance floor leads to a night of passion. In the aftermath, they both assume it was a one-time thing until fate intervenes. Stuck together in London over the holidays, they give in to temptation again. But what happens at Christmas stays at Christmas... right?

**The Christmas Deal** - Keira Andrews

2019-11-13

Will fake boyfriends become the real deal this holiday? It's the most wonderful time of the year-except ex-Marine Logan is jobless and getting evicted. Worse, he's a new single dad with a stepson who hates him. A kid needs stability-not to mention presents under the tree-and Logan's desperate. Then he meets lonely Seth and makes a deal. Can Logan temporarily pretend to be live-in boyfriends to increase Seth's chances at a promotion? If it provides a roof over their heads

for the holidays, hell yeah. Logan considers himself straight-he doesn't count occasional hookups with guys-but he can fake it. Besides, with his shy little smile, Seth is surprisingly sexy. Make that damn sexy. Shocked that Seth has only been with one man, Logan can't resist sweetening their deal to teach him the joys of casual sex. No strings attached. No feelings. No kissing. No falling for each other. Easy, right? The Christmas Deal is a steamy holiday gay romance from Keira Andrews featuring fake boyfriends, bisexual awakening, a clueless single dad with an angry preteen, and of course a happy ending.

Breeze, an interconnected group of older teens hook up, break up . . . and much, much more. Marcus Hardy had hoped to enjoy a year away at college while he put the summer he'd rather forget behind him. But instead, he's jerked right back his home town of Sea Breeze due to a family crisis. The only bright spot to returning is the hot redhead who sleeps over at his place several times a week. There's just one thing though - she's sleeping in bed with his new roommate, Cage York. Willow "Low" Foster needs a place to live. Running to her best friend Cage's apartment every time her sister kicks her out isn't exactly a long term solution. But Cage has a new roommate and suddenly sleeping over at his apartment isn't such a bad thing. Not when she gets to see those sexy green eyes of Marcus's twinkle when he smiles at her like he wants her there. There's one problem though, Cage is under the disillusion that when he's through sowing his wild oats, he's going to marry Low - an assumption Marcus intends to

change. But when his carefully laid plans come crashing down with a revelation he never expected, Marcus will have to choose between Low or his family. Because once the truth comes out . . . there's no other choice.
