Inspirational Quotes and Messages From a Farmers' Boy - John Allen Lewis 2021-03-27

We are the handiwork of God, and He has invested a great deal into

everyone, of us. We owe it to God and to ourselves to become the best that we possibly can become. However, this is more easily said than done. There is a plethora of challenges that daily flood our lives, pulling us into several directions, all at the same time. Often, the voice of God is crowded out, and as such, we do not hear or adhere to his directives for our lives. It is easy to become side-tracked in such a rapidly paced society. Having the proper balance within our lives is important to our overall success, and in accomplishing those things which have been assigned to our hands. It is through our relationship with God, the reading of Holy Scriptures, and his wonderful guidance that we are able to experience his grace upon our lives. This is essentially important, because many may have had experiences within their lives, thus, initiating intrusive and enduring consequences. Unfortunately, the self-centeredness and ineptness of others could potentially leave people, metaphorically speaking, crippled in spirit, mind, and body. It is the purpose of this book through inspirational quotes and messages to encourage those who read it to perhaps: recalibrate, discover, and or re-discover themselves for who they are and whom God has called them to be. This book of inspirational quotes is a call to alertness, to be careful, not falling prey to those who seek to restrict your ability to rise above their self-prescribed perceptions of who you are. God did not call us into competition with each other but into relationship with Him. You are not any less than anyone else. You may not have the same gifts, and skill set, but this is okay. Seek to discover your gifts. Then, with purpose in each step: develop, and nurture them. Thus, walking in your purpose!

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
