Spice up Your Sex Life: Jamaican Style Kindle Edition - Marie Paul Corelli 2020-03-20

This little Sexual Handbook attempts to serve women as a quick aid in having a satisfied sexual intercourse, not only for themselves, but for their chosen partners as well. Following these step-by-step guides will propel you to the best woman he'd ever dreamed of, and often leads to long-term relationships, even if you don't think that you are beautiful. The instructions taught in this book is particularly priceless in enlightening the shy, quiet woman to a new self-assuredness that she never knew she could attain. These instructions were given to my girlfriends, some of whom thought they were ugly and unwanted, with almost miraculous results. Perhaps you too, even if not in the category of my friends, could at least, either learn some one thing new, or at least put a smile on your face.

For Women Only - Jennifer Berman 2011-11-10

According to The Journal of the American Medical Association, 43% of women in America - of all ages - suffer from sexual dysfunction. But doctors have generally dismissed these complaints, telling women their problems are just in their heads or something they have to accept. Dr. Jennifer Berman is one of the few female urologists in the country; Dr. Laura Berman is a sex therapist. Together these sisters run the Women's Sexual Health Clinic at Boston University Medical Center - the first in the country to offer comprehensive physiological and psychological treatment of female sexual dysfunction. In their research and clinical work, the Bermans have learned that many of the same physical problems that cause impotence in men can cause dysfunction in women. Many women also experience diminished sexual response after aging and menopause, or after hysterectomies or other pelvic surgery. In this book the Drs. Berman give women of all ages the information they need to understand what's going on with their bodies and what treatments are available in order to achieve more fulfilling sex lives.

Boosting Your Sex Life in a Relationship - Obadiah N M 2023-05-30

Our physical, emotional, and social wellbeing can all be significantly impacted by our sex lives, which is a significant aspect of human life. But a lot of people experience sexual problems like low libido, erectile dysfunction, or trouble achieving orgasm, which can negatively affect their relationships and sex lives. We frequently overlook or ignore important aspects of sex in our lives, such as sex education, wellness and health. The lack of courage and openness to address issues related to sex is caused by the fact that for many people, the subject of sex is taboo or uncomfortable to confront. However, a fulfilling and healthy sexual life can significantly enhance our social, emotional, and physical well-being, making it an essential part of our relationship. This book is designed to provide a comprehensive guide to boosting your sex life, covering briefly a wide range of topics related to sexual health and wellness. Whether you are experiencing sexual issues such as low libido, erectile dysfunction, or difficulty reaching orgasm, or simply looking for ways to enhance your sex life, this book has something for you. Through expert advice, practical tips, and information on sexual health and wellness, this book aims to provide readers with the tools they need to take control of their sexual health and enjoy a fulfilling sex life. From understanding the factors that affect sexual health to exploring sexual fantasies and experimenting with new techniques, this book covers all the essential topics needed to boost your sex life. In addition to practical guidance, this book also emphasizes the importance of communication in sexual

relationships, including expressing desires and boundaries, and seeking professional help when needed. With this book, readers will gain a deeper understanding of sexual health and wellness, and the confidence to take control of their sexual lives. Ultimately, the goal of this book is to empower readers to enhance their sexual health and wellness, leading to a happier, healthier, and more fulfilling life.

Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically

transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Kama Sutra Pictures Positions - Thomas Lorem 2020-12-22

Sex Guide for Couples - Donna Dare 2019-11-09

Do you want to keep things spicy and fun in your relationship? Good! Now let's do it! Keep reading. Many relationships fail because what they want is very different from what they actually follow. Sexy lingerie, dirty talk and dirty text messages are all great ways to revive any relationship. If you find that these areas don't offer enough satisfaction, try something new. When you have a relationship and you feel comfortable with someone, you must be willing to try new things. This does not necessarily mean that you have to try things that you don't feel comfortable with, but it does mean that you should try things at least once. Start the discussion with your partner and find out what your fantasies are. Your woman might tell you that she has always dreamed of having a sexy cop who handcuffs her and plunges deep into her or your man can express to you that he wants to be whipped by a cat woman. Whatever your fantasies, do everything you can to make your fantasies come true. Take a trip to the local sex shop. Take a look around together. The addition of elements in the bedroom makes the experience more erotic and will give both of them great pleasure. This guide will focus on the following: * Communication * When the spouse is not interested in sex: communicate your needs * The male and female psyche * Marriage without sex * All are different * How to fall in love with your partner * Tell me junk * How to spice things up in the bedroom * Prepare your temple of love; your body * How to achieve maximum pleasure * Sexual and couple bonding * Stages of sexual excitement in humans * Ways to make you last longer in bed * Premature ejaculation * How to rekindle the spark: 15 ways to fall

in love * Sexual role games * Setting the mood * Overcoming sexual inhibitions * Crazy positions and places/situations in which to have sex (eg washing machine, on stairs, etc.) Spicy tips * Secret to last longer * Adventurous positions * Additional suggestions for better sex ...
