Beyond Jealousy - Kit Rocha 2014-03-17

She's been looking for the perfect man. She found two. When Rachel Riley sacrificed a life in Eden to protect the O'Kanes, she earned her

place in the powerful Sector Four gang. But the former crime princess is tired of being everyone's sweet little sister . It's time for her to get wild, to embrace her fantasies as only an O'Kane can—with a delicious exiled soldier and the gang's wickedly sinful tattoo artist. A saint... Lorenzo Cruz is a warrior, taught by his commanding officers in Eden that involvement equals distraction. Emotion is a liability, and desire a sin. In Sector Four, he finds decadence, shameless sex—and his own dark urges. No battle strategy prepared him for how Rachel makes his heart race...or the way his rival for her affections sets his blood on fire. ...and a sinner. Ace Santana has a dirty reputation and a mind to match, especially where his new lovers are concerned. He's eager to help Cruz embrace his dominant side, and to explore the lines between pleasure and pain with Rachel. But corrupting them quickly becomes an obsession, a need he can't deny—and a love he never imagined. Three hearts on the line means a

hundred ways their ménage a trois could go wrong. After all, even O'Kanes do forever two-by-two. One of them could be the missing piece that makes them all whole...or a temporary diversion destined for a broken heart.

**American Queen** - Sierra Simone 2016-10-24

He wants me to be his queen... Warned as a girl to keep her kisses to herself, Greer Galloway wants nothing to do with kisses--or love. Twice she's ignored the childhood warning and kissed a man, and both times ended in gutting, miserable heartbreak. Now she's sworn off all romance forever, determined to teach her classes and do her research, and live out the rest of her days alone. I want to be his everything. But Ash Colchester hasn't sworn off Greer--not at all. Still in love with the girl he once kissed in a circle of broken glass, this soldier-turned-President has never forgotten the taste of her kiss or the sound of her whispered, yes, please against his mouth. He's never forgotten the promises he wanted to make her and couldn't because she was too young for him then, and far too innocent for the things he needs. But he can't wait any longer . . . But can a fairy tale have a happily ever after for three people?

Desperate to have her, Ash sends his best friend Embry to bring Greer to him, not knowing they have their own secrets, their own tragedies together. Their own cravings . . . Soon, Greer finds herself caught between past and present, pleasure and pain--and the two men who long for each other as much as they long for her. And as war and betrayal press ever closer, they tumble headlong into a passionate love affair that will change the world. My name is Greer Galloway and I serve at the pleasure of the President of the United States. From the USA Today bestselling author of *Priest* and *Misadventures of a Curvy Girl* comes a contemporary reimagining of the legend of King Arthur, Guinevere, and Lancelot--elegant, carnal, and unforgettable.

Three for Three - K. D. West 2014-02-24

Scorching first-time threesome tales of friends discovering that they can become much more "Right off the bat, let's be clear: K.D. West is an excellent writer." "It's nice that it's erotica, but

even nicer when the person behind the word processor really knows how to create believable characters and situations, and then gets them off--explosively." -- K.C. Cave At the intersection of love, friendship, and desire, find proof that the whole is greater than the sum of its parts. Three of K.D. West's steamiest, most popular tales, collected for the first time: *Truth & Games: Felicity, Ben, and Aaron* have been friends for years. During a rainy-day get-together over margaritas, Felicity challenges her men to a game that will bring things to a whole new level. A tale of friendship, romance, and thinking outside the lines. *The Visitor: Lea's* got a four-alarm fire burning and she knows just who she wants to put it out. Or does she? Lea is in Atlanta for an interview, and her friend's brother, Sean the firefighter, is happy to give her a place to sleep. But his is the bed she'd rather sleep in. Or perhaps it's his roommate Andy's? And when a visitor comes to her that night... Well, who is she to be picky if it's one,

The exiled son of a wealthy family, he's unapologetically rude and eccentric. Raised by servants, he doesn't want extra people in his life, let alone a pretty girl who refuses to leave him in peace. Minnow's submissive nature sparks against Severin's dominance. Torrid sexual attraction flares between them. Sharing her with his best friend, Rodrigo, only strengthens their growing bond, and Severin's life is scattered into chaos. Will he learn to trust her, or will he live the rest of his life

**Night is Darkest** - Jayne Rylon 2017-03-16

Some secrets refuse to stay hidden. Lacey Daughtry's perfect weekend is interrupted by tragic news of her brother's murder in the line of duty. Plagued by a rash of mysterious phone calls, she turns to her brother's best friends and fellow officers for protection...and comfort. Spending time in close contact with Mason and Tyler, the two men she's dreamed of since her first girlhood crush, seems like the answer to a prayer. Especially when they begin to explore the desire she's harbored for so long. But the partners are holding out on Lacey. Determined to suppress the most extreme facets of their lust, they agree to settle for sharing the woman they crave while concealing their desire for each other. Until Lacey cracks their resolve, unleashing a torrent of emotions that threatens to distract them when they can least afford it.

Their blossoming relationship is complicated by secrets. And the only way to evade the killer threatening their lives is to bare their souls in the darkest hours of the night. Or everything will come crashing down, just before the dawn.

Warning: After reading this book you'll never look at a pair of hot cops, a cemetery or a can of Spaghetti-O's the same way again.

They say that every tragic hero has a fatal flaw, a secret sin, a tiny stitch sewn into his future since birth. And here I am. My sins are no longer secret. My flaws have never been more fatal. And I've never been closer to tragedy than I am now. I am a man who loves, a man whose love demands much in return. I am a king, a king who was foolish enough to build a kingdom on the bones of the past. I am a husband and a lover and a soldier and a father and a president. And I will survive this. Long live the king.
