I Am a Survivor Jeannette Moreno 2010-05-18 In 1989 I met Ron; it was love at first sight, which later became a nightmare. My life was one of devastating choices in order to survive. My children and I were ensnared in a trap of brutality that was hauntingly real. The decision I made in order to live one more day under tortuous circumstances prevented him from killing me allowing my children and me to survive. With one bag of food at my door I fed my kids for a week, we were literally without a dime. My strength and willful confidence kept us going and my children believed in me, that was what kept us alive. Today I can honestly say- Ive come a long way.

My Life: Cursed or Blessed? Karla Johnson 2013-04-24 Graduated High School in 1971, three months pregnant. I left my mother's house with my Fiancé. The only thing I took with me were the clothes on my back, the things I read in books, the things my Grandmother taught me which mainly involved cooking and cleaning, the Bible quotes and old folks tales my Grandmother used to say over and over, the few things my mother taught me during her brief and few periods of time into my life, and also a very special gift from God, which was the ability to play any musical instrument I chose to play. I thought I was grown and knew everything. What I didn't know was although I was very smart, I was also very naive. I got married in 1972 and had another baby in 1974. I worked for a police department from 1977 to 1985. I was in the Army National Guard from 1979 to 1985. So many unbelievable things happened to me during that time, both good and bad. So many more bad things happened than good that I started to think my life was cursed for some reason. It started to happen so much that finally I did not want to live any longer.

Life Is Built Around If Frankie Oberlechner 2010-12 'My life was hard, and I had no love. That is what I always longed for so much, love-the real heartfelt kind of love, with hugs and kisses. So a lot of the time I daydreamed and pretended. I was the great pretender long before the song came out! As I sit here, my mind wanders back in time...' Come along on the journey as Frankie Oberlechner shares the tale of Charlea, a woman whose life was never easy, often terrible, but always blessed with joyous moments and God's protection. Charlea is looking back on her life and noticing something important-God has always been there for her. As a child, she found herself needing to act like a grown-up. Her mama and daddy were always drinking away the money. She had to act like a mother for her sister's children when she was only a child herself. Her daddy was abusive, threatening their very lives at times. But Charlea had her grandmother, whose home was a safe haven where she learned about God's love. There life was easier...until her grandmother passed away. Then it seemed as though Charlea would never find the light again. True friends were hard to come by, until she met Lin and June. Soon after she met Ben, they married, despite the fact that no one liked him. She thought life would be different, but Ben proved to be much like her daddy-an abusive alcoholic. As Charlea grew into a woman, she had many ups and downs. Charlea was caught in a terrible web-but then she was reintroduced to God, and things began to change. Join Charlea as she discovers the love she has always longed for and that Life Is Built around If.

her mother beaten to unconsciousness, this leads her on a perilous journey to find her father, the man that has spent her entire life on the run, always nothing more than a shadow. She must play his deadly game, become the very darkness he hides in, if she ever wants to have a chance at the love she found and the normal life she used to take for granted. As Mary Shane makes her way into the deadly world her father lives in, a world where people have seemingly magical powers and always seem to be one step ahead of you, she discovers that maybe his frequent disappearances and constant paranoia were justified. She finds herself forced to make dangerous decisions and do things she never in her worst nightmare had to face. With the government chasing her every footstep, she must find her father before they do if she ever hopes to survive this wild ride and earn the right to live. She discovers that everything she's ever experienced is because of her father and as she begins to put the pieces together she wonders if there is more to this story than anyone else knows.
