

Aspergers In Love

Loving Mr. Spock - Barbara Jacobs 2004-11

As a popular advice columnist in the UK, Barbara Jacobs never suspected she'd be the one needing the relationship advice. But when she fell in love with Danny, a man with Asperger's Syndrome, she quickly learned to expect the unexpected. In this book, Barbara candidly delves into the dynamics of their relationship. She lovingly compares Danny to Mr. Spock, a character who thrives on logic rather than emotion, while admitting that she was quite opposite. Join Barbara and Danny on their tumultuous journey in love, and learn about Asperger's along the way through figures, diagnostic guidelines, quotes and surveys by other couples, and more. If you love someone with Asperger's, or have Asperger's yourself, you can learn a lot

from this book. Note: This book addresses some mature topics. Helpful chapters include: The Handsome Stranger Syndrome First Steps in a Parallel Universe Other-wired Bringing Up Baby A Working Model Breakthrough Nuts and Bolts **Loving Someone with Asperger's Syndrome** - Cindy Ariel 2012-03-01

If you're in a relationship with someone who has Asperger's syndrome, it's likely that your partner sometimes seems cold and insensitive. Other times, he or she may have emotional outbursts for no apparent reason. And in those moments when you can't understand each other at all, you both feel fed up, frustrated, and confused. The behavior of people with Asperger's can be hard to understand and easy to misinterpret, which is why it's so important to learn more about your partner's condition.

The tools presented in Loving Someone with Asperger's Syndrome will help you build intimacy and improve the way you and your partner communicate. Filled with assessments and exercises for both you and your partner, this book will help you forge a deeper, more fulfilling relationship. This book will teach you how to:

- Understand the effect of Asperger's syndrome on your partner
- Practice effective communication skills
- Constructively work through frustrations and fights
- Establish relationship ground rules to help you fulfill each others' needs

[Asperger Syndrome - A Love Story](#) - Sarah Hendrickx
2007-06-15

Open, honest and upbeat, this book gives personal insight into both the ups and downs of an Asperger relationship. Seeking to challenge the bad press that people with Asperger Syndrome (AS) get as partners, Sarah and Keith tell their story of how they are making it work - and also how

they got it wrong - with disarming frankness and humour. When Sarah and Keith met in 2003 neither knew much about Asperger Syndrome. Sarah thought Keith was 'weird' and couldn't work out why; and Keith thought Sarah was obsessed with diagnosing him with something-or-other. Difficulties ensued that brought the relationship to an end. Slowly, however, they each built up their knowledge of AS and in the meantime developed a mutual understanding, mutual acceptance and a desire to be together again. This personal account is supplemented with professional knowledge and anecdotes gained from Sarah's work with adults with AS - a career which started as a result of her experiences with Keith. She swears that she didn't take her work home with her! It is inspiring reading for couples in Asperger relationships as well as for counselling professionals.

[Asperger Syndrome Explained](#) - Sara Elliott Price
2015-04-10

"This book is full of tips,

techniques and stories that will give you an inside look at what it means to have Asperger's. You will come away inspired and with a new understanding of how to communicate more effectively with those you love! In this book you'll learn the truth about Asperger's Syndrome and why it's one of the least understood disorders today. The average person has never even heard of this syndrome. So it probably comes as no surprise that people with Asperger's are often alienated, as they tend to communicate in a way that others can't easily relate to. Some with Asperger's will usually find it difficult to understand normal social cues. They can feel very alone, yet have no clue as to how to express the feelings inside them. They can feel constantly rejected and harassed by those around them and even the ones who love them. You must truly understand this syndrome in order to have a good relationship with a person that has this disorder ... If you know someone with Asperger's your

goal should be to learn as much as you can about this disorder. You need to understand why people with this syndrome think and live the way they do. I created this book so you can communicate and learn coping techniques that will create better lives for you and your loved one."--Back cover.

The Asperger Couple's Workbook - Maxine C. Aston 2009

Aston has created this workbook to help couples where one partner has AS. With candid advice, activities and worksheets, she explores a variety of approaches. She identifies specific issues, such verbal and non-verbal communication, sexual issues, socializing and parenting, and comes up with simple and effective ways of addressing these issues.

Asperger Syndrome (Autism Spectrum Disorder) and Long-Term Relationships - Ashley Stanford 2014-10-21

Happily married to her husband with Asperger Syndrome for 25 years, Ashley

*Downloaded from
legacy.opendemocracy.net
on 2022-04-24 by guest*

Stanford is an expert on how Autism Spectrum Disorder (ASD) can affect a relationship and her bestselling book has helped thousands of couples. Brought fully up to date, this second edition clarifies the new DSM-5 diagnostic criteria and explains how, without a solid awareness of the condition, ASD behaviors can easily be misinterpreted. Stanford's book provides a wealth of strategies for living with the more uncompromising aspects of ASD, pointing out that ASD also brings enormous strengths to a relationship. It shows how understanding the intentions, motivations and reasoning behind ASD behaviors can lead to better communication, relief of tension, and ultimately to a happier, more mutually fulfilling relationship.

Love and Asperger's - Kate McNulty 2020-10-27

Everyday techniques to strengthen empathy and connection in neurodiverse couples Life with a partner whose neurotype is different than yours is filled with moments that are surprising,

unique, and sometimes challenging. If one of you has an Aspergers profile and the other is neurotypical, Love and Aspergers is a helpful and inclusive guide to understanding the nature of your relationship and navigating its particular obstacles without losing sight of what's important. You'll read engaging and realistic scenarios that depict couples going through similar issues, combined with practical, evidence-based solutions that address the needs and perspectives of both partners equally. Love and Aspergers helps you: Work together--Find easy ways to improve communication, cultivate emotional and physical intimacy, and maintain a commitment to learning about each other. Appreciate your differences--Discover a window into the inner world of your partner, and the ways in which their experiences differ from yours so you can convey your own perspective more effectively. Break through the stereotypes--Sort out myths

and facts about Aspergers so you can understand neurotypical and neurodiverse thinking, and make your life together as a couple more loving and more rewarding. Deepen your relationship and your communication with Love and Aspergers.

Love, Sex and Long-term Relationships - Sarah

Hendrickx 2008

"This accessible book is an invaluable source of information and support for couples in which one or both partners has Asperger Syndrome, as well as counsellors and health and social care professionals."--
BOOK JACKET.

22 Things a Woman with Asperger's Syndrome Wants Her Partner to Know - Rudy Simone 2012

Rudy Simone covers 22 common areas of confusion for someone dating a female with AS, including advice from her own experience and that of other couples. She talks with humour and honesty about the little things that might be different from a relationship

with a neurotypical woman and discusses first dates, sex, and even having children.

What Men with Asperger Syndrome Want to Know about Women, Dating and Relationships - Maxine Aston 2012

Helps men with Asperger's understand the emotional side to relationships and women's needs, thus improving their confidence. Original.

22 Things a Woman Must Know If She Loves a Man with Asperger's Syndrome -

Rudy Simone 2009-05-15

Although having Asperger Syndrome (AS) can make romantic relations difficult, having a fulfilling relationship with an Asperger man is certainly not impossible. A woman in love with a man with AS may interpret his difficulties with communication and socialization as a lack of interest in the relationship. He may vacillate between being gentle and caring to seeming cold and distant. She may find his behaviour hard to understand, resulting in feelings of loneliness, isolation,

Downloaded from
legacy.opendemocracy.net

and confusion. This book shows how to overcome these difficulties and maintain a loving relationship with an AS partner. From an unwillingness to show affection in public or even sleep in the same bed to problems holding down a job, this book looks at 22 common traits that women may discover when they are dating, living with or married to a man with Asperger's Syndrome. Rudy Simone explores the complications of Asperger's relationships with honesty and understanding, drawing on research and personal experience to inform and advise women with AS partners. She offers helpful tips for improving the relationship and finding fulfillment both individually and as a couple. This book will help women to understand the male Asperger's mind and, equally, it can help men with AS to see things from their partner's perspective. It will also be of interest to counsellors working with couples where the male partner has Asperger's Syndrome.

From Like to Love for Young People with Asperger's Syndrome (Autism Spectrum Disorder) -

Michelle Garnett 2013-07-28

If your child rarely shows you that he or she loves you, it can be profoundly distressing. This is the experience of many parents of children with an autism spectrum disorder (ASD), and most fear that it reflects the truth. In fact the truth has generally more to do with the difficulty that young people with an ASD have in communicating like or love for someone physically and verbally. They may not know how to go about expressing themselves in these ways, or understand that family members and friends can find the absence of demonstrative affection upsetting. This book, by world leading experts Tony Attwood and Michelle Garnett, addresses this issue in practical terms. They provide carefully designed activities for parents to work through with their children to help them to understand and express affection. Their child will learn

*Downloaded from

on 2022-04-24 by guest*

to identify his or her own and others' comfort and enjoyment range for gestures, actions and words of affection and the different ways to express feelings for someone, appropriate to each relationship and situation. The activities are simple, straightforward, and very carefully structured, so that they can be undertaken at the pace that works for the individual family. The book also guides the adult through the challenges faced by the child, leading to greater understanding and confidence in their relationship with their child, and increased ability to nurture the child's ability to form engaged relationships and friendships with others. Readers of Tony Attwood's previous books will recognise his warm, positive and empowering approach. The book will be a transformative resource for parents and family worried about their child's emotional life.

Marriage and Lasting Relationships with Asperger's Syndrome (Autism Spectrum

Disorder) - Eva A. Mendes
2015-07-21

Proven counseling strategies that will help improve the relationships of married, long-term or co-habiting couples with Asperger's Syndrome (Autism Spectrum Disorder). ASD relationship expert Eva A. Mendes provides advice straight from the couples' counselling room that can be applied in day-to-day living and help with the challenges that can arise in relationships where one or both partners are on the autism spectrum. This includes issues surrounding diagnosis, mental health, sexual compatibility, sensory needs, executive functioning, theory of mind, communication, and co-parenting. She offers unique practical ideas for positive change such as creating a relationship schedule, making expression of appreciation and gratitude a part of every day, and finding mutually satisfying activities and special interests to engage in with your partner. The strategies in this book will be useful to couples themselves

and any couples' counselors or therapists working with them.

Aspergers in Love - Maxine Aston 2009

Asperger Syndrome and Long-term Relationships -

Ashley Stanford 2003

First published in 2002.

Routledge is an imprint of Taylor & Francis, an informa company.

Aspergers in Love - Maxine C. Aston 2003

Comparing both AS and non-AS partners' viewpoints, this book frankly examines the aspects of relationships that are often complicated by the disorder.

With all findings illustrated with case examples taken from interviews conducted with couples, the author tackles issues such as attraction, trust, communication, sex and intimacy, and parenting.

Love, Partnership, or Singleton on the Autism Spectrum -

Luke Beardon 2017-01-19

In an immensely varied and thoughtful collection of true life reflections on love, marriage and the single life, 26

authors with autism share their experiences and knowledge about successful (and unsuccessful) relationships. Digging deep into the many and varying ways in which autism affects feelings and relationships with others, these honest and intelligent testimonies give the insider's perspective on love on the spectrum. Whether you're a serial dater, hopelessly romantic or happily single, these perceptive and often funny explorations shows how to make good choices, surmount bad ones, and live a good life.

The Asperger Love Guide -

Genevieve Edmonds

2005-12-15

'This book breaks down the social, emotional and practical aspects of relationships so usefully that it is a good resource for teachers and others working with neurotypical individuals. In fact the book so sensibly discusses pitfalls, strategies and individual responsibilities that it would be valuable reading for teenagers generally as well

as for individuals with Asperger syndrome' - Tess Coll, autism outreach teacher 'The Asperger Love Guide is recommended reading for those with Asperger's syndrome who are seeking or within a relationship. The authors provide a clear explanation of how the characteristics of Asperger's syndrome can affect the development of a relationship and the expression of love. They then provide sound practical advice for individuals and couples. I really enjoyed reading The Asperger Love Guide and will be recommending the book to my clients' - Professor Tony Attwood `This is the first book I've read in a long time that, once started, I couldn't put down until it was finished. It is an exceptionally good read. The 77 pages are written succinctly with no waffle - just straight to the point. I will definitely buy a copy of this book for the whole family to use! I will use it to guide Joe (my 17 year old Asperger son) when he's ready for it. It's not a

book he would read himself; in fact I read the section "the merits of single life" out loud to him a bit like a bed time story' - Action for ASD 'There is a great need for more awareness of Asperger syndrome and how it affects personal relationships. The National Autistic Society find this a helpful guide' - Cathy Mercer, NAS 'This book sets out some helpful facts about relationships in a neat, simple form' - Asperger United 'An excellent self 'help-text'... the book is a clear and matter-of-fact guide to relationships and is unapologetic in offering straightforward and helpful advice for romantic success... Not a word is wasted, and as well as being highly recommended for individuals with Asperger's Syndrome, should also be read by education professionals supporting young people with Asperger's Syndrome in schools, colleges and universities' - SENCO Update 'Aimed primarily at individuals with Asperger syndrome, this very readable book is in fact of

use to a much wider audience. The issues are discussed openly and logically and the advice given is both sympathetic and very matter of fact... The book breaks down the social, emotional and practical aspects of relationships so usefully that it is a good resource for teachers and others working with neurotypical individuals. Infact the book so sensibly discusses pitfalls, strategies and individual responsibilities that it would be valuable reading for teenagers generally as well as for individuals with Asperger syndrome' - British Journal of Special Education

Material based on the experiences of the people on the Autistic Spectrum is usually written by neurotypical writers. Here, Genevieve and Dean, both adults with Asperger's Syndrome, share their advice and tips for romantic success. The chapters cover: o building self-esteem; o the best places to meet potential partners; o dating; o maintaining relationships. Both authors work with the Asperger

community, either providing support or training, so their insight is based upon other people's experiences as well as their own. This is shown in a number of case studies that support the elements described in each chapter. They write in a clear, accessible and non-patronizing way which will suit their audience. This will prove to be an invaluable book to those with Asperger's or those that support Asperger people. Dean Worton is a 31 year-old high functioning individual with a very positive expression of Asperger Syndrome. He runs a successful UK-based website for adults with Asperger Syndrome and hosts real-life meet-ups around the UK for its members. His key interest is in encouraging adults with AS to live positively and successfully with the gifts that Asperger Syndrome provides. He also works in adminstration and resides in North-West England. Genevieve Edmonds is a 23 year old with 'residual' Asperger Syndrome, which she views as a significant gift. She works as an associate of the

Missing Link Support Service in Lancashire supporting those 'disabled by society' including individuals with ASD. She speaks and writes frequently in the field of Autism, along with giving training, workshops and soon counselling. She aims to empower those with ASD, carers and professionals in the understanding of Asperger Syndrome as a difference rather than an impairment. She lives and works in a solution-focused way and is based in North-West England

Mozart and the Whale - Jerry Newport 2007-01-09

An unforgettable love story and the incredible chronicle of a musical genius and a mathematical prodigy who share a diagnosis of Asperger's syndrome. When Jerry and Mary Newport met, the connection was instant. A musical genius and a mathematical wonder, the two shared astronomic IQs, but they also shared something else—they both were diagnosed with Asperger's syndrome, a form of autism that affects millions of Americans and

makes social contact painfully unbearable. When Jerry and Mary married, they were catapulted into the limelight. They appeared on 60 Minutes and soon were known as "superstars in the world of autism," shining examples of two people who refused to give up in the face of their mutual challenge. But just when it appeared that their lives would enjoy a fairy-tale ending, their marriage fell apart. The Hollywood feeding frenzy was too much to handle, and they divorced. After heartbreaking years of soul searching, Jerry and Mary remarried. Today, with their union stronger than ever, they have dedicated themselves to helping countless other people with Asperger's and autism lead lives of dignity.

The Other Half of Asperger Syndrome - Maxine C. Aston 2001

Based on academic research, experiences as a counselor specializing in this area and personal relationship experiences, the author uses quotations and real-life

*Downloaded from
