Fighting Hislam - Susan Carland 2017-05-01

The Muslim community that is portrayed to the West is a misogynist's playground; within the Muslim community, feminism is often regarded with sneering hostility. Yet between those two views there is a group of Muslim women many do not believe exists: a diverse bunch who fight sexism from within, as committed to the fight as they are to their faith. Hemmed in by Islamophobia and sexism, they fight against sexism with their minds, words and bodies. Often, their biggest weapon is their religion. Here, Carland talks with Muslim women about how they are making a stand for their sex, while holding fast to their faith. At a time when the media trumpets scandalous revelations about life for women from Saudi Arabia to Indonesia, Muslim women are always spoken about

and over, never with. In *Fighting Hislam*, that ends.

The New Muslim's Field Guide - Theresa Corbin 2018-02

This is not your average "Welcome to Islam!" book. *The New Muslim's Field Guide* offers a fresh approach to guiding Muslim converts, focused on helping them grow as Muslims while maintaining their identity and love for God. Drawing on their shared decades of experience, Theresa and Kaighla walk the new Muslim through the hills and the valleys they'll encounter on their journey, helping the newcomer navigate the sometimes slippery cliffs of culture, politics, and interpersonal relationships. Injected with a healthy dose of humor and candor, *The New Muslim's Field Guide* discusses some of the deeper meanings behind belief and ritual, clarifies common sticky issues, and tells stories of triumph and failure on the journey of Islam.
