Unmentionable - Therese Oneill 2016-10-25

Have you ever wished you could live in an earlier, more romantic era? Ladies, welcome to the 19th century, where there's arsenic in your face cream, a pot of cold pee sits under your bed, and all of your underwear is crotchless.

(Why? Shush, dear. A lady doesn't question.)

Unmentionable is your hilarious, illustrated, scandalously honest (yet never crass) guide to the secrets of Victorian womanhood, giving you detailed advice on: What to wear Where to relieve yourself How to conceal your loathsome addiction to menstruating What to expect on your wedding night How to be the perfect Victorian wife Why masturbating will kill you

And more! Irresistibly charming, laugh-out-loud funny, and featuring nearly 200 images from Victorian publications, *Unmentionable* will inspire a whole new level of respect for Elizabeth Bennett, Scarlet O'Hara, Jane Eyre, and all of our great, great grandmothers. (And it just might leave you feeling ecstatically grateful to live in an age of pants, super absorbency tampons, epidurals, anti-depressants, and not dying of the syphilis your husband brought home.)

[Bedside Manners](#) - Josey Vogels 2010-08-01
Bedside Manners is the definitive, fun and irreverent guide to all those burning, often embarrassing, sometimes even too-delicate-to-discuss-with-your-girlfriend questions. No subject is too taboo for sex-and-relationship expert Josey Vogels. She knows that today's woman doesn't need another guide to building the perfect relationship or how to trap a man—what she needs is practical advice, snappy comebacks for sticky situations and solutions to

bedroom dilemmas that keep dignity intact and the action hot. Complete with special etiquette rules for first times, real-life most embarrassing sex moments and gems of etiquette from the past sprinkled throughout, *Bedside Manners* will give women the information they need to get the satisfaction they want.

[Nerve's Guide to Sex Etiquette for Ladies and Gentlemen](#) - Emma Jane Taylor 2005

The inimitable Em & Lo are back, with the new generation's guide to everything you wanted to know about dating but were afraid to ask. In *THE BIG BANG*, they mapped out the physical territory; here Em & Lo chart the rocky road of relationships from the pick-up to the break-up - and everything in between. *Sex Etiquette* deals with the first date, the first time and the delicate art of dumping, but also what to wear to an orgy, precedence for threesomes, and the politics of taking photos ... Tongue-in-cheek and sassy, this is the dating guide of your darkest fantasies.

Adult books are categorized by genre (i.e., fiction, mystery, science fiction, nonfiction). Along with bibliographic information, the expected date of publication and the names of literary agents for individual titles are provided. Starred reviews serve several functions: In the adult section, they mark potential bestsellers, major promotions, book club selections, and just very good books; in the children's section, they denote books of very high quality. The unsigned reviews manage to be discerning and sometimes quite critical.

2531 entries to monographic literature, audiovisual materials, and organizations. Also contains section on Spanish materials. Arranged according to sections for parents and professionals. Each entry gives bibliographical information and annotation. Miscellaneous appendixes. Author, subject, and title indexes. *The Consumer Health Information Source Book* - Alan M. Rees 1984

How can an award-winning source book that helps consumers find health information be improved? Health expert Alan Rees has done just that in his sixth edition by providing practical advice on using the Internet, tips on where to find Spanish-language health pamphlets, and recommendations on what's most important in the world of alternative medicine. The sixth edition provides users with an annotated guide to health-related resources--hotlines, newsletters, pamphlets, Web sites, CD-ROMS, magazines, books, and more! Readers
