How can we use the hidden patterns of the day to build the ideal schedule? Why do certain breaks dramatically improve student test scores? How can we turn a stumbling beginning into a fresh start? Why should we avoid going to the hospital in the afternoon? Why is singing in time with other people as good for you as exercise? According to her, the reason why there is so little happiness in the world is dependency. Happiness is not dependent on 'anything' or 'anyone', or found 'anywhere'. We keep delaying our happiness until things are just right in our life. We think we will be happy in the future and then wonder why we are not happy now. Happiness is only possible when we are able to accept everyone as they are, at every moment, in every situation. This book is a medium for the awakening and acceptance of self-responsibility. Helping us choose our thoughts and feelings aligned with our true nature of purity, peace and love. To make us shift

from asking to sharing; from holding on to letting go; from expectations to acceptance; from the past and the future to being in the now. Happiness is a 'decision', not a 'consequence'.

The TALIBAN and the SOLDIER Gordon Clark 2021-10-28 20 years of fighting. Teaching the locals. Thousands of lives lost or destroyed. Then Kabul fell in just two weeks. For many veterans, this was the last straw, their sacrifices and pain all for nothing. It started out as a routine patrol. The only difference was the new man, a young Lieutenant, straight out of Sandhurst. He didn't know the reality, only the theory. "Stop, Sir!" Corporal Ben Noon yelled out, panic in his voice, already knowing it was too late. He watched as the officer pulled open the wooden door, praying that he was wrong, knowing that he was right. Time seemed to stretch, every movement taking forever. It was that easy. One second of lost concentration, and it was all over. Blackness. A rebuilt Ben Noon wanted to put things right, to give Veterans like himself a meaning, a value, but the only way to do this was to build bridges with his old enemy. An enemy that had stolen his life, left him a cripple. To deal with the devil. To cut cake with the Taliban.

The Gift of a Cow Premacanda 1968 Premchand was one of the foremost Hindustani writers of the early twentieth century, and Godaan (first published 1936) is Premchand's most celebrated novel. Economic and social conflict in a North Indian village are graphically portrayed in the story of Hori, a typical Indian fanner, and his family's struggle for survival and self-respect. Grinding poverty is the Indian farmer's greatest enemy, and Hori fights it to the bitter end of his life. As every Hindi, Hori cherishes the desire to make the gift of a cow to a Brahman at the time of his death, for it is common belief that this gift enables him to enter heaven. The novel is dominated by that most important of themes of Indian folklore, the symbol of the cow, and by Hori's ceaseless striving to achieve his goal. In striking contrast to the village scene is the picture of Indian middle and upper-class urban. life, which Premchand skillfully reveals through such memorable characters as Miss Malti, an attractive young physician, Pandit Onkarnath, a newspaper editor, Dr. Mehta, a philosophy professor, and Mr. Khanna, a bank manager and factory owner. In both the "traditional" and the "modern" settings there is oppression; in both there are clashes of values. Yet behind the distinctively Indian setting, readers will recognize universal human predicaments.--Adapted from publisher description.

Back to Serve Cesare U.S. Army 2018-05-02 Back to Serve is a fictional memoir about a soon-to-be-retired army captain, Nico Corretti, who after a career in the military is ready to begin his civilian life with his family. But first, he must out-process and then drive halfway across the country to get home, during which he has an improbable encounter with a Russian woman who informs him that his safety and his postservice stability may be in jeopardy. On the long drive home, he considers the plausibility of her claim and reflects on his past and future. Once home, he relishes the quality

time with his family, which includes visiting his father in his hometown. But afterward, he discovers the limited employment opportunities in the slow recovery years after the Great Recession. He undergoes an extended unemployment period before anxiously and dutifully taking a government-contract position abroad, which turns out to be more perilous than he had originally been briefed. And the mysterious Russian woman he met may lead him to some of the answers he was searching for, as well as to some dangers and desires that he wasn't. Upon completion of his contract job in Europe, he enjoys a well-deserved respite at home. But it's short lived, as a swell of terrorist attacks against the United States require (or demand) more of his military service. Torn between being there for his family and his duty to his country, Captain Corretti is coldly reminded that the two actually are mutually inclusive. He's sent back to a familiar place, the Middle East, and in the process, he may be able to avenge the soldiers he had lost under his command. But he'll need to reach deeper within himself than he ever has before in order to succeed on the battlefield and in life.

LEGEND OF LAKSHMI PRASAD Lakshmi Prasad 2017-03-14 I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject - Mating habits of gay chimpanzees in West Africa- at PANU University, the best University in India and possibly the best University in the world. My idols are -Faizal Guru-, -Janab Kasab Sahib-, -Focus Carat-, -Baba Badkar-, -Zakir Nalayak-, -Gharkha Dutt-, -Dr. Kana Ayyub- and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y, etc. Imagine a day, when all deprived people can take part in active politics and -Make Communism Great Again- thanks to my -one lakh per month- pension idea.
