My Stepbrother - Arabella Quinn 2015-05-28

For years, I had the worst crush on my stepbrother, Cole Hunter. We used to ride bikes, skateboard and go fishing together - now I couldn't even be in the same room as him without my pulse racing. One cocky half-grin from Cole would have my face blushing while my panties melted. It was insane - and completely humiliating. It was a painful secret that I guarded fiercely. Cole was off-limits. Forbidden. If he knew how I felt, I would die of embarrassment. I avoided Cole for years, until one wild night, when my best friend took me to a club. I thought I was going to see a grunge band, but it turned out to be a much kinkier kind of club. A club where anything goes, and well, things got a little crazy. Make that a lot crazy. No one would ever know what I'd done, right? Then I discovered who the man behind the mask really was...

Claiming the Cowboy - Kennedy Fox
2022-04-05

Early morning feedings, barn clean up, and chasing goats are Knox Bishop's everyday routine. That changes when a bachelor auction brings him face to face with the world's most forbidden fruit-his twin brother's crush. He shouldn't tempt her, but the way her body reacts to his makes it too damn easy. Hadleigh has known the Bishop twins all her life and they've never crossed the lines. That is until she fools around with Knox and learns he has a piercing south of the border. A piercing she very much enjoys licking. She knows his main hobby consists of random weekend hookups, but she can't get the taste of him off her mind. Admitting what she feels wouldn't be so difficult if Kane Bishop hadn't just confessed his feelings for her too. Now she finds herself wedged between two brothers-one she could break and one who could break her. **Claiming the Cowboy is a complete stand-alone and can be read without reading any of the other books or spin-off series, but if you prefer to read in order, start with Hitching the Cowboy as the characters and families do

interconnect.**

A Brother's Price - Wen Spencer 2005-07-05

In a world where male children are rare, a man is a valuable commodity—to be sold to the highest bidder... It isn't easy being the oldest boy in a house run by women—especially for Jerin Whistler. The grand-matriarchs of his clan are descended from soldiers, spies, and thieves. That's partly what's kept their family alive in the wilderness. But it also means Jerin's doomed to marry the girls next door—a fate he's convinced is worse than death. But Jerin gets in even worse trouble when, in the process of a daring rescue, he falls in love with a royal princess who's as high above his station as it's possible to be. Ren knows that Jerin is too far below her class to be an appropriate match for her and her royal sisters. But then she hears rumors of a long-held Whistler family secret—one that might provide a way for them to finally be together.

Unfortunately, she still has four sisters to convince. And that's before Jerin even comes to the capital—where simmering political tensions will threaten not just their love, but all their lives... “Don't plan on getting anything else done if you start a Wen Spencer novel; they are exceedingly hard to put down!”—Nebula Award-Winning Author Catherine Asaro

Never Kiss a Stranger - Winter Renshaw 2015-03-04

It was an innocent mistake... All workaholic real estate broker Addison Andrews wanted was one night of pleasure, and picking the right guy was no different than shopping from a catalog thanks to the dating app on her phone. His name was Wilder, and his profile was blank - just a sexy picture of a man who promised every wicked intention of a one-night stand. The agreement was simple. One night. No last names. But the second their bodies melded together in the sheets of their posh Manhattan hotel room, there was no denying they fit together like two pieces of a broken puzzle. There's just one problem... Addison unknowingly swiped right on the one man she wasn't supposed to be with - her new stepbrother. All it takes is one bite of forbidden fruit to become addicted, but being with him has major consequences for their entire family. And if anyone found out about them, the career she worked so hard to build would crumble to the ground. But Wilder Van Cleef doesn't care about

the possibility of a scandal. He wants her, and he's willing to do whatever it takes.

Identifying an opening, Blake paves a path and finds His Own Way Out.
