The Story of Warrington - Bill Cooke 2020-08-11

'Bill Cooke is to be congratulated on his extensive and knowledgeable account of Warrington's history.' - Harry Wells, author of *Medieval Warrington In 2015*

Warrington was named by the Royal Society of Arts as the 'least culturally alive town in England'. But was this a fair evaluation? In his new book, Bill Cooke offers a dramatic reexamination of the town. Looking back on its fascinating history dating back to the Romans, *The Story of Warrington* demonstrates an extensive and diverse cultural history. Should Warrington apologise for the person who supported Richard III against the Princes in the Tower? Why was Warrington thought of as the Athens of the North? What role did the town play in the Industrial Revolution and the

slave trade? How did Warrington help win the Cold War? With insights into these questions and more, readers are presented with the other side of the argument and learn key facts about the history of this British town.

Two Face: A Celebration of 75 Years - Peter J. Tomasi 2017-11-07

Part man and part monster, Two-Face has been one of Batman's greatest and most fearsome villains for more than 75 years! He's an essential part of the Dark Knight's rogues gallery, but unlike the Joker, Scarecrow or Bane, Two-Face alone has some good left inside his soul fighting his evil persona—half the time, anyway. Chaos or order. Life or death. Tragic fallen attorney or scar-faced fiend. It all depends on how the coin falls! Featuring stories from industry legends Bob Kane, Bill Finger, Neal Adams, Dennis O'Neil, Greg Rucka, Bruce Timm and more, **TWO-FACE: A CELEBRATION OF 75 YEARS** brings you more than a dozen stories of one of Batman's most enduring foes!

Collects DETECTIVE COMICS #66, #68, #80, #739; BATMAN #50, #81, #234, #410-411, #572; BATMAN ANNUAL #14; THE BRAVE AND THE BOLD #106; JOKER #1; SECRET ORIGINS #1; BATMAN: BLACK AND WHITE #1; GOTHAM CENTRAL #10; JOKER'S ASYLUM: TWO-FACE #1; and BATMAN AND ROBIN #23.

Catwoman: A Celebration of 75 Years - Dennis O'Neil
2015-11-24

First appearing on newsstands in 1940's BATMAN #1, only a few months after the Bat-Man himself debuted, Catwoman has been essential to the Dark Knight's world from almost the very beginning. Menacing (and sometimes romancing) the Caped Crusader for more than seven decades, Catwoman has become one of Batman's greatest villains, but also one of his greatest allies. Friend or foe, Gotham's feline femme fatale continually skirts the line between right and wrong. She's a dangerous criminal whose claws aren't to be crossed, but she's also the city's Robin Hood, using her unlawful talents to help those in need. This rich contradiction has made her one of the most complex and compelling characters in all of comics. CATWOMAN: A CELEBRATION OF 75 YEARS is a stunning

retrospective of Catwoman's history, featuring stories from comic book legends Bob Kane, Bill Finger, Dennis O'Neil, Dick Giordano, Len Wein, Kurt Schaffenberger, Chuck Dixon, Ed Brubaker, Cameron Stewart, Darwyn Cooke, Tim Sale, Paul Dini, Guillem March and more.

Lois Lane - Jerry Siegel 2013
This collection compiles more than twenty of the Daily Planet reporter's greatest stories from her seventy-five year history, from her no-nonsense 1930s debut and zany Silver Age schemes to her modern adventures as a dautless journalist.

Animal Man Vol. 1 - Grant Morrison 2001-05-01
This edition collects the bizarre adventures of Animal Man, a second-rate super hero struggling with real-life issues and moral dilemmas. Buddy Baker is a caring husband, devoted father, animal activist and super-powered being. But as he attempts to live up to all of his roles, he soon finds that there are no black and white situations in life. With a strong

focus on storytelling, these thought-provoking and innovative tales make the reader question the actions of Animal Man as well as their own behavior in similar situations. Collects issues #1-9. *Batman/Catwoman* - Tom King 2022-12-20

The Bat and the Cat's past, present, and future collide in this thrilling, romantic epic! This sweeping tale is told across three timelines: the past, when Batman and Catwoman first fell in love; the present, where one of Batman's lost loves (Andrea Beaumont, a.k.a Phantasm) resurfaces; and the future, where the couple have a happy legacy-their daughter Helena, the Batwoman. But at every stage of their relationship, Bruce and Selina have an unwelcome chaperone: The Joker! Collects the entire series, *Batman/Catwoman* #1-12, plus the *Batman/Catwoman Special*, along with *Batman Annual* #2, *Catwoman 80th Anniversary 100-Page Super Spectacular* #1, and *Detective Comics* #1027.

Catwoman Vol. 1: Trail of the Catwoman - Ed Brubaker
2013-06-11

For years, Selina Kyle has prowled the skyline of Gotham City as its most famous thief, Catwoman. But when word spreads of Catwoman's demise, Selina decides to leave the costumed world behind and continue her trade cloaked in the shadows. Unable to enjoy her newfound anonymity for too long though, Selina decides that she must return to her infamous persona. Donning a new costume and attitude, Catwoman returns to the streets and sets her sights on the serial killer that has been preying upon the streetwalkers she calls friends.

Superman: A Celebration of 75 Years - Jerry Siegel 2013-11-26

When Superman debuted seventy-five years ago, it was not merely the beginning for one character, but for an entire genre. The phrase "super hero" had yet to be coined when ACTION COMICS #1 hit newsstands in 1938, but once Superman entered the scene, effortlessly lifting a car above

his head on that first iconic cover, the character paved the way for each of the hundreds (if not thousands) of super-powered heroes written since. SUPERMAN: A CELEBRATION OF 75 YEARS gathers a range of stories featuring the first and greatest super hero, highlighting the many roles the Man of Steel has played over the decades. In these celebrated stories, Superman is in turns the Herculean champion, the lonely alien survivor, the super-powered Boy Scout and the soul-searching leader. Over the course of seventy-five years, watch as the character grows from a simple strongman to the beloved international symbol he is today! Many Lives of Catwoman -

Tim Hanley 2017-07-01

For more than 75 years, Catwoman has forged her own path in a clear-cut world of stalwart heroes, diabolical villains, and damsels in distress. Her relentless independence across comic books, television, and film set her apart from the rest of the superhero world. When female-led comics were few and far between, Catwoman headlined her own series for over 20 years. But her unique path had its downsides as well. Her existence on the periphery of the superhero world made her expendable, and she was prone to lengthy absences. Her villainous origins also made her susceptible to sexualized and degrading depictions from her primarily male creators in ways that most conventional heroines didn't face. For good and ill, Catwoman serves as a stark counterpart to the typical evolution of the history of women in comics, and in popular culture generally. Her adventures have charted an inimitably varied journey of

empowerment and exploitation. Exploring the many incarnations of this cultural icon offers a new perspective on the superhero genre and showcases the fierce resiliency that has made Catwoman a fan favorite for decades.
