Chained Beauty (Book 6 of "Rough Lovers") - Daisy Rose 2019-04-25

It starts out innocently enough. Tess Lang needs her photographs taken for some magazines and her manager, James, knows just the right guy to do it. Photographer Nick Jones sees more than she is willing to show, but that's not necessarily a bad thing. Nick is so attractive that it makes her want to lick his face, so when he starts wrapping chains around her, she doesn't even question him. That's a lie. Maybe she does question him a little, especially when he starts touching her, but only to ask what he needs her to do. Because he knows what she really wants: To submit. ~~~~~ Excerpt ~~~~~ "Would you just drop it!" I asked sharply. "I said it doesn't matter!" "No," he said and he was suddenly in front of me, large and imposing, so tall he blocked out the light from the ceiling as he stared down at me. "James," I whispered, a little frightened, more than a little turned on. I pressed my hand against his chest and tried not to rub my hands all over him. Where did he find time to work out? I thought he spent all his time being my manager. I didn't like the sudden embarrassment that washed over me. It made me feel like I didn't have any control at all. "James, you're standing too close," I said, giving him a half-hearted push. "Yes," he said. "I am." He made a point of standing even closer and there was suddenly barely enough space between us to move without touching. Suddenly, I remembered he had pulled me out from the studio before I could change back into my dress and I was still wearing the oversized white t-shirt that did little to hide my body. I felt naked under his gaze. His hand grasped my waist and slid up my hips, moving just below the shirt so I could feel his palm on my skin. My heart, threatened by his proximity and the implications of his position, was beating a thousand miles a minute inside my ribcage. "He's right, you know?" he whispered close to my ear. "You're beautiful," he said, his other hand playing at the base of my neck, the collar of the shirt loss enough that he could dip his hand down and feel my heartbeat. He kept his fingers just at the base of my neck. Our eyes locked and I had no idea what to say. I froze, my hands still pressed against his chest, my heart in my throat, beating wildly where his palm was. His hand glided around my neck and curled in my hair, gripping the soft hairs at the nape of my neck and claiming them with a harsh tug. I gasped at the motion and my head jerked back. "You've always been so beautiful," he said. The raspy sound of my breath cut through the silent room. I was beyond the point of no return, lost in the warmth of his body, the harsh tug of his hand on my scalp. His other hand moved from my hip back up to my waist, gliding beneath the shirt to feel my bare skin with his burning touch. I inhaled sharply when I felt his palm just beneath my breast. His gaze was still on me, questioning, waiting for me to say something. I stared back, too afraid to say anything, less he stopped. My hands on his chest was no longer pushing him off. Instead, I was holding onto his suit in tight fists, daring him to continue. "You're trembling," he said. "Yes," I murmured, arching into his touch in silent encouragement.

After the devastating loss of her parents and subsequent depression, Olivia Brown decided a move from her parent's family home in Cambridge to a house in London would give her the fresh start she so sorely needed. Living off her inheritance, Olivia didn't need to work, but she knew she needed something to make her feel like life was worth living. Painting was her one true love, but that wasn't enough. So she started a part-time job in a bar, and the rest of the time she spent at a local soup kitchen, feeding the homeless. In the mornings, she bought hot beverages for her homeless friends, but there was one who never asked. This man, having the most facial hair she'd ever seen, the most captivating eyes she'd ever stared at, remained aloof. He never said a word to anyone, and never once looked her way. However, all this did was make Olivia want to find out more about this mysterious man hiding behind a face full of hair. One perilous evening, her wish came true. On the way back from working at the bar, Olivia was attacked. She screamed for help, relieved when her cries are answered...but surprised when she saw who her rescuer was. It was the eyes. It was the hair. It was none other than the mysterious homeless man. That night, Olivia learned two things. One, his name was Kit, and two, Kit had skills... skills which didn't fit a man living on the streets. Day after day, Olivia slowly pushed the boundaries, coaxing out the man hiding behind the hair. Kit Chain wasn't only trained like men she watched in movies, he was also the most beautiful. Bit by bit, Olivia

managed to break down his walls, revealing secrets that would change her life. Secrets that would put both of them in terrible danger. However, there was one thing about secrets... Everyone had them. **WARNING:** This is NOT a traditional love story. It contains disturbing subject matter, including themes of questionable consent for both male and female, as well as graphic sexual content. This is a work of fiction intended for a mature, 18+ audience only. The author neither endorses nor condones this type of behaviour.

Chained by the Don - Brook Wilder 2019-03-12

He claimed me, chained me, and made me his property. With a single word, Vittorio Contarini made me his property. He made me beg. He made me scream. He made me do things that I never imagined myself ever doing. I should be terrified of him... But can I tell you a secret? What terrifies me isn't how he takes control of me. It isn't what he makes me do—both in and out of the bedroom. It isn't even the fact that he's the Don of the most dangerous crime family in all of New York. What terrifies me is that that each time his strong hands touch my body. Each time his hot breath teases at my ear. Each time he makes me submit to his dark desires, I find myself practically begging him for more. And I don't think I'd ever want him to stop. *** Chained by the Don is a dark mafia romance between a ruthless billionaire mafia don who locked his heart behind a cage of violence, and the virgin woman that he buys. Contains violence, language, dark themes that some may find triggering, and steamy intimate moments. You have been warned. Perfect for fans of E. L. James, Sylvia Day, Helen Hardt, Anna Todd, and Megan Maxwell.

I've been knocked up by a killer I've never been the rule breaking type. Being professional meant everything to me. Then I met Owen. Inked, powerful, sexy beyond belief... And a convicted murderer. I was just supposed to talk to him, that was all. But things got out of control. When his hard muscles wrapped around my body, hands gripping every curve... my mind melted. There were no thoughts, no questions about what I was doing. I knew it was wrong, I should have said no, but I didn't. The way he f*cked me in my office was beyond explosive. I had become his in every way. Just like he wanted. And I needed. Now, I'm pregnant. I didn't expect to get knocked up by this bad boy. How do you tell the man you should want to run from that he's a father? I need time to think. Too bad he just got out of prison. And I can't hide from him any longer. Author's Note: This 53,000- word bad boy romance is a standalone full-length novel. Contains a HEA and over the top sexiness that may be uncomfortable for some readers.

Chained in Darkness - Nicholas Bella 2015-01-29

Follow Noel, a captured rebel of the human Resistance, as he endures his punishment at the hands of his supernatural enemies, the vampires. See where his fate lies. Highly erotic and extremely dark and twisted. Prepare yourself "I've been betrayed by someone I trusted. Because of him, I was captured by my loathed enemy: The vampires. Right now, the sun is still high in the sky, but I know when it sets, I'm as good as dead. They can't wait to get their fangs into me. I guess some would say I have it coming. I did raise a lot of hell with my Resistance crew, and I was planning on raising a hell of a lot more at dawn before I was sold out by Jonah. The vampires, werewolves and dragons, have been trying to track me down for months and I'd always been two steps ahead of them. I guess my number is up. I just hope they make it quick. You see, the vampires in my reality aren't the romantic lot you read about in books. They don't sparkle or hang out at high schools with their teenage girlfriends. Hell no, vampires are brutal, calculating, sadistic and bloodthirsty. As a matter of fact, all of the monsters are! That's how they were able to take over the world so easily and change an entire civilization to suit their needs. Whatever happens, I know it's not going to be pretty, so I'm preparing myself for the worst. May God help me." Warning: This novelette series contains hardcore sexual situations between men, not meant for sensitive eyes. I'm talking crude, lewd and full of attitude. This series will most likely either offend you or get ya revved up. This series isn't going to be pulling any punches whatsoever, so you've been warned. Mature Adult Content meant for readers looking for something dark, taboo, sexy, and unapologetic in their paranormal erotica. This is NOT a romance.
