**Delilah's Diary: La Vita Sexy** - Jasinda Wilder  
2014-07-15

I've always been a good girl. I grew up in a small town, dated my high school sweetheart all the way through college, and married him. I even waited until our wedding night for my first time. Yeah, that kind of good girl. Finding my husband in bed with the church secretary came as quite a shock, needless to say. Finding out he'd slept with just about every female in town was an even bigger shock. Discovering those dirty little secrets is what sent me on a journey that I will never forget.

It was supposed to be happily ever after, but Apollo's past has returned to haunt us. To save

the man I love from his violent history, I have to descend into the underworld and snatch him from the jaws of death. If I want happily ever after, I'm going to have to fight for it.

**Hammered** - Jasinda Wilder 2018-06-28

\*\*\*This novel is a contemporary second chance romantic comedy featuring mature characters.\*\*\* Dad Bod Contracting—for ALL your domestic contracting needs. Have a leaky faucet or clogged disposal? Need a new patio with intricate brickpaving designs? Want your garage transformed into a yoga studio? Dad Bod Contracting has you COVERED. Our clean, well-mannered, and friendly professionals pride themselves on attention to detail. Every job comes with a 100% customer SATISFACTION

guarantee. No job is too small. Hand us your “honey-do” list and we’ll get it done, and we’ll look good doing it! A good job well done is one phone call away, so call Dad Bod Contracting today! It started with a window that was jammed shut. Pretty simple, right? All I wanted was to open the windows while I tidied the house. I’d been after my no-good husband to do it for months, but he never did. And then he shacked up with his secretary, leaving me with a pile of bills, husband-free for the first time in ten years, and with a house that was falling apart. The ad popped up on the side of my social media feed—a local contracting agency willing to do pretty much anything. Since I don’t really know a screwdriver from a ratchet, I gave them a call. And let me tell you, the ad was NOT lying. Jesse O’Neill can do it ALL...and looks amazing doing it. He fixed my window, so I called him back to fix the sagging, splintery front steps. Which led to him fixing my kitchen sink. And then he recarpeted my stairs. And then fixed the squeak

in my bed. He was supposed to fix my house, not my rusty, sputtering libido. And certainly not my broken heart. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px 'Times New Roman'} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px 'Times New Roman'; min-height: 16.0px} span.s1 {font-kerning: none}

**Wish Upon A Star** - Jasinda Wilder 2021-10-15  
Grandma always said dying is the the easy part; it’s the living that’s hard. I’ve been fighting to live since I was seven years old, and now the doctors say I’m gonna lose that battle soon. I’ve crossed off just about everything on my bucket list—I’ve seen the Eiffel Tower and the Coliseum and I’ve been swimming in the Caribbean; I’ve lived like I’m dying, because I am. There’s just one thing left on my list: I want to be a bride. I want to wear white and have my dad walk me down the aisle. I want a first dance and cake and a night to feel like a princess...and I want it with Westley Britton. The perfect guy. Musician, actor, and every girl’s dream man. My dream

man. Only, he doesn't even know I exist. It's the start of a strange, improbable fairy tale. When you're talking about terminal leukemia, happily ever after seems impossible, but when your celebrity crush and the man of your dreams shows up out of the blue and proposes to you, it makes you feel like anything is possible. Even that hardest thing: living.

**Laurel's Bright Idea** - Jasinda Wilder  
2021-04-22

Laurel McGillis has a secret: she's a hopeless romantic. She'll deny it up one side and down the other, and all evidence points to the contrary, but it's true. Her deeper secret: she's desperately hoping to be the third victim of The Ad. In this case, Laurel's two secrets are about to cross paths, in the steamiest, most romantic way she could possibly imagine.

*Forbidden Fruit: Preacher's Son* - Jasinda Wilder

2014-07-27

I showed up in backwater little Yazoo City Mississippi expecting to find solitude and a fresh start. I just left my wealthy, neglectful husband--with a couple million dollars belonging to him, I might add. When I got to Yazoo, though, I didn't find any solitude, that's for sure. I ended up in the arms of an oh so sexy man named Tre McNabb. The problem? Tre is the preacher's son. \*\*\* All three hot Preacher's Son stories in one edition.

Married in Michigan - Jasinda Wilder 2019-10-03

Cleaning up after playboy Paxton deBraun is a full time job. His family is worth billions. They are the elite. They influence politicians. They're the power behind the power. Paxton is their golden child, wealthy in his own right, a rising star in Washington DC's political scene...a 21st century Jay Gatsby, prone to throwing lavish, expensive, wild, and destructive parties. I'm a housekeeper at a hotel owned by his mother, Camilla deBraun, and I'm sent in to clean up

after such a party. What I wasn't expecting was to find Paxton naked in his bed, passed out and breathtaking even hungover. Even more unexpected is the proposal bombshell he drops on me: Marry him. A man I met once, a golden god, richer than belief, gorgeous beyond comprehension, and arrogant beyond fathom. Me, a hotel maid working three jobs to make ends meet...Marry him. It's supposed to be fake, more of a business agreement than marriage proposal. Only...it turns out there's more to this sexy billionaire than meets the eye.

*Lizzy Goes Brains Over Braun* - Jasinda Wilder  
2021-01-07

From New York Times Bestselling Author Jasinda Wilder comes a sexy, laugh out loud romantic comedy series that is the perfect escape. If you're a fan of Sex in the City and you binge watched Selling Sunset, you don't want to miss this. It was just supposed to be just a 40th birthday prank for our boss after a wild night of girlfriends, laughter, and a LOT of margaritas.

When we placed the ad in the newspaper, we never thought anyone would actually answer it. We also didn't think that Laurel would be so brainless as to put Lizzy's actual phone number in the ad... "Beautiful, successful single woman, 40, seeks attractive male billionaire to impregnate her the old-fashioned way. No strings. NOT seeking sugar daddy. Validation required. Serious inquiries only, please." What could possibly go wrong? Everything.

**Djinn and Tonic** - Jasinda Wilder 2015-03-13  
Detective Carson Hale knows Leila is hiding something from him. He's in the hospital after a strange and inexplicable attack destroys his favorite bar, the Old Shillelagh. While the attack leaves Carson with stitches, bruised ribs, and a concussion, Leila is mysteriously uninjured, and she either can't or won't offer a satisfactory explanation. While her lies and evasions are setting off his detective instincts, her body sets off other alarms. Leila Najafi has a lot of secrets and a complicated past. She ran away to Detroit

to get away from her family, but she's been discovered by the one man that could destroy her. Sexy detective Carson Hale blows into her life at the worst possible time. Now Leila is forced to make a decision that could both cause heartbreak and war.

Where The Heart Is - Jasinda Wilder 2017-09-14

*Duke: Alpha One Security: Book 3* - Jasinda Wilder 2016-12-09

Under ordinary circumstances, waking up bound and gagged next to a hot guy wouldn't be the worst thing that's ever happened, but these aren't ordinary circumstances. There's guys with guns after us...LOTS of them--both the guns and the guys. Six-six, built like a god, red hair, blue eyes, and a tree trunk between his legs. Yeah. This is the guy I got kidnapped with. Phrasing is important there: kidnapped WITH, not kidnapped BY. Fortunately, Duke Silver is a hard-core badass, because it's going to take every last shred of skill he has as a killer

commando to keep us both alive, and even then, nothing's a sure thing.

The Parent Trap - Jasinda Wilder 2021-08-13

He was my worst enemy. He spent every waking moment devising fresh new ways of torturing me. No one has ever been able to make me cry like Matthais Bristow: my twin brother's best friend, and the person on this planet I hate most. Then, he left for college and I was free of him. For ten blessed years, I was free of his torture. Now, he's back, and he owns half of the family business I spent my entire life preparing to take over. Is this going to be a new round of his old favorite game, Make Delia McKenna Cry, or am I to believe he's actually come back with good intentions?

*Nailed* - Jasinda Wilder 2018-12-07

RYDER: You are the most beautiful woman I've ever seen, Laurel. And if that's all of you I ever get to see, I'll be the luckiest man in the world for having seen it. I swallow hard. He wasn't supposed to make it sweet. He was supposed to

leave it dirty and inappropriate, so I could tell myself all he wanted was sex. That all he cared about was getting me naked, or if not that, then at least seeing me naked. Instead, he turned it sweet. And I couldn't tell myself any lies to keep me on my high horse.

**Drilled** - Jasinda Wilder 2018-09-13

IMOGEN: Jesse says you better know what you're doing with Franco. ME: Dude, I'm scared. IMOGEN: !! What? Tell me! ME: He makes me FEEL THINGS. It's icky and I don't like it. IMOGEN: You've known him what, a few hours? ME: I'm telling you, he scares the sh\*t out of me. But he's so good I can't stop myself. IMOGEN: Audra, seriously. Chill. It's been a couple hours. It's just insta-lust. I send Imogen another selfie, this one of my face—I'm biting my lower lip, eyes wide, glancing to the side at Franco laying next to me—his mouthwatering and lust-inducing body is on full display from the waist up. I send a caption a second later: ME: YOU DONT UNDERSTAND!!! HE'S GOT A MAGICAL D\*CK

AND I'M FEELING THINGS!!! ME: Uh-oh. He's waking up. Time for round...3? 4? I've lost count. Tell me I'm a cold-hearted man-eating b\*tch with no soul. Tell ME! IMOGEN: You're a cold-hearted man-eating bi\*ch with no soul? Only, you're not. So...you're on own with this one. Except if you need me of course. I've got All Thai'd Up on speed dial, three bottles of Josh in the rack. ME: if this goes south—or anywhere except nowhere, you'd better make it four. Or six. Because we're either going to be incredible together, or we'll destroy each other. There will be no in between. I set the phone aside as Franco's stunning blue eyes open and fix hungrily on me. He reaches for me, and all thoughts are banished except one: God, I hope I know what I'm doing... I laugh internally at that, because does anyone know what they're doing? I know I sure as hell don't.

touch. For a kiss. For the scrape of your hand down my stomach. For the slide of your lips across my hipbone. The sweep of your thigh against mine in the dulcet, drowning darkness. For the warm huff of your breath on my skin and the wet suck of your mouth around me and the building pressure of need reaching release...I am mad with need. Wild with it. I cannot have you. I have lost you, as I have lost myself. And so I go in search. Of myself, and thus the man who might return to you, and take you in his arms. I loathe each of the thousands of miles between us, but I cannot wish them away, for I hope at the end of my journey I shall find you. Or rather, find myself, and thus...you. Myself, and thus us. I am taking the long way home, Ava. \* \* \* Christian, I'm losing my mind, and I don't know how to stop it. I shouldn't be writing to you, but I am. I'm friendless, loveless, and lifeless. You're out there somewhere, and still you're all I really have. I hate my reliance and dependence on you, emotionally and otherwise, and that reliance is

something I'm coming to recognize. I hate that I can't hate you as much as I want to. I hate that I still love you so much. I hate that there's no clear solution to our conundrum. Even if we could forgive each other, what then? I hate you, Christian. I really do. But most of all, I don't. It's complicated. Complicatedly (still) yours, Ava  
**Beta** - Jasinda Wilder 2014-10-21

Roth and I are on an open-ended tour of the world. Roth being Roth, this means missionary in Morocco, reverse cowgirl in Calcutta, bent over the bow of a houseboat in Hanoi, slow and sleepy on St. John. Anywhere and everywhere, in every conceivable position, and some I didn't know were possible. Life was pretty incredible. Until I woke up in his chateau in France, alone. On the bed next to me was a note. There were only four words: He belongs to me.

*Christmas in Connecticut* - Jasinda Wilder  
2021-12-01

Don't date your students' single fathers. It's an obvious rule. It leads to complications. And it's a

rule I've never broken, nor even been tempted to break. I mean, for one thing, I don't date. Not for lack of trying, but I'm just too damaged. My heart is too broken. Riley Kerr, however, isn't my student. She's in second grade, and she's the sweetest, most darling young girl I've ever met. So when my path begins crossing her father's, it's complicated. Rory Kerr is...handsome. Rough-hewn. Solitary. But such a kind and loving father. And not the father of one of my students. He's not really off-limits. Except that of my broken heart. Which he seems to just...effortlessly mend, piece by piece, without even realizing it. The holidays are approaching, and I usually spend them with my dysfunctional family back in Colorado. It's not something I look forward to. But they're all I have, so my Christmases are always spent there, with them. This year, the blooming something between Rory and me has me wondering... maybe this year I'll be spending Christmas in Connecticut.

Cowboy in Colorado - Jasinda Wilder 2019-08-01

It should have been simple and straightforward—business, and nothing but business. A quick trip to Colorado to scout out a location for my newest real estate development acquisition. Fly in, drive to the location, talk the owners into selling, sign some papers, and go home. A business trip like any other, something I've done hundreds of times without issue. This

time, however, I was waylaid. First by a runaway horse—and then by an angry, stormy pair of vivid blue eyes, a massive, mountainous set of brawny shoulders, a strong, powerful pair of hands, and a voice like thunder over the horizon. Will is a man out of another era, a man of stillness and action in equal measure—a man in complete possession of himself and his world in

a way I've never experienced. And suddenly, somehow, he comes to possess me, my mind, my heart, and and my body, in a way neither of us are ready for, and neither of us know how to resist. What should have been a simple business deal quickly spirals out of control, becoming a struggle of life and death, a battle of hearts and passion...
