A Casebook for Dialog, Dating & Marriage - George R. Riemer 1968

We Have To Talk - Samuel Shem 1999-04-23

"We have to talk." For many men, these are the four worst words in the English language, especially when they're uttered by a female partner. But it doesn't have to be that way, argue Samuel Shem and Janet Surrey in their pathbreaking and practical new book. "Male relational dread"—that all-too-familiar reaction set off by

women's "relational yearnings"—can be tamed, and in its place can emerge true satisfaction for men and women. To demonstrate how this is done, Shem and Surrey take us behind the scenes of their popular workshops. We hear couples speak intimately about anger, guilt, resentment, shame, and sex. We watch them wrestle collectively with the gender divide in their relationships—the deep disconnects, or “impasses,” that reflect the vastly different developmental paths men and women have traveled. We see couples learn to bridge the poles of dread and yearning, to emerge from isolation into mutuality. We witness their moments of sadness, humor, and, ultimately, discovery. Filled with moving stories of real people struggling with real problems, *We Have to Talk* shatters the “rules” and offers dramatic proof that men and women are not from different planets after all. It is certain to be seen as the relationship book for the new millennium.

Hands Off - D E Haggerty
2020-03-16

I am done with men. D - O - N - E. DONE! I don't care how much billionaire Roman Cadwell pushes (and, oh boy, does the sexy man push ALL my buttons), I am not dating him. Especially not when he's wearing a golden band around his ring finger. I do not get involved with married men. Call it my line in the sand. If a man can't be faithful, I want not one single thing to do with him. But what if Roman isn't really married? What then? No, no, no. I will not fall into Lying McLierson's trap. Only every time the man touches me, my body forgets I'm a good girl and wants to give in. Hands off, Mr. Lying Pants, before I forget I'm a good girl. Although - no one said I had to be a good girl forever. Author's Note: This romantic comedy contains absolutely, positively NO cheating. None. But it does have a whole bunch of witty dialogue and a super sweet

happily ever after. And maybe more drama than the author originally intended. What can she say? The characters have minds of their own. Hands Off is book 3 of the Love in the Suburbs series but can be read as a standalone.

Dialogue of the Heart and Mind
- Carla M. Mitchell 2007-10
Fueled by a newspaper article that suggested African American women are scaring men off, Carla M. Mitchell gathered input from single, married, and divorced men and women, both friends and strangers. Her goal: to generate honest and open dialogue between the sexes and encourage more soul searching about relationships by posing questions, such as: What does being in a relationship really mean? Is there something "wrong" with women who aren't in a relationship? Is there a problem with women pursuing a relationship? Should women "lower" their standards in order to stay in a relationship? Carla collates the many interesting and varied responses about relationships and the roles males and females play. This is a topic that doesn't grow old and

Papers from the First and Second Postgraduate Forums in Byzantine Studies

- Savvas Neocleous 2009-10-02
Sailing to Byzantium brings together ten probing and pertinent critical papers, presented at the First and Second Postgraduate Forums in Byzantine Studies, held at Trinity College Dublin on 17-18 April 2007 and 15-16 May 2008 respectively. These essays engage with various facets of Byzantine history and culture. Many of them seek to shed new light on frequently controversial subject matters

relating to history, historiography, and religion (the contentious nature of Jerusalem in Byzantine imperial ideology; medieval Western attitudes and perceptions of the Byzantine Empire; and the translation and use of Greek theologians in the West). Elsewhere, there are papers that tackle aspects of Byzantine literature (Encyclopaedism; the circulation of poetry; and a case study of political rhetoric in Manuel II's Dialogue with the Empress-Mother on Marriage). Finally, history of art and cult come under the microscope in the last two essays of the volume (the meaning of the eight-century apsidal conch at Santa Maria Antiqua in Rome and the origins of the cult of Saint Martin in Dalmatia). Sailing to Byzantium is a provocative, wide-ranging collection and a must for students and academics who wish to broaden their understanding of one of history's most fascinating civilizations.

Vertical Marriage - Dave

Wilson 2019-01-29

For anyone who is married, preparing for marriage, or desperate to save a relationship teetering on the brink of divorce, marriage coaches Dave and Ann Wilson offer hope and strategies gleaned from personal experience and Scripture that really work. Vertical Marriage will give you the insight, applications, and inspiration to transform your marriage into everything you hoped it would be. Honest to the core and laugh-out-loud funny, Dave and Ann Wilson share the one secret that brought them from the brink of divorce to a healthy and vibrant relationship. If you had asked Dave how their marriage was doing on the night of their tenth wedding anniversary, Dave would have rated it a 9.8 out of 10, and he would have even guaranteed that Ann would say the same. But instead of giving him a celebratory kiss, Ann whispered, "I've lost my feelings for you." Divorce seemed inevitable for the

Wilson's, but starting that night, God began to reveal to Dave and Ann the most overlooked secret of getting the marriage we are looking for: a horizontal marriage relationship just doesn't work until your vertical relationship with Christ is first. As founders of a multi-campus church and marriage coaches with 30 years of experience, Dave and Ann share the hard-earned but easy-to-apply biblical principles that ensure a strong marriage. Written in a highly relatable dialogue between both husband and wife, Vertical Marriage will guide you toward building a vibrant relationship at every level, giving you the tools you need to embrace: Effective communication Fair conflict True romance A deeper connection Through their unique perspectives, Dave and Ann share an intimate, sometimes hilarious, and at times deeply poignant narrative of one couple's journey to reconnecting with God and discovering the joy and power of a vertical marriage.

The Ronicles - Ronald Young 2021-09

Ron is a very captivating and charismatic speaker. He and his team, Chris Mitchell, Chris Williams & Billy McIntire, facilitated and maintained a Men's Mentoring Group, sometimes of upwards of 100 young and older men weekly for eleven years. finances, life goals, and everyday male challenges; all rolled into a spiritual concept and reasoning. This book is for all MEN that have a need to say what is on their minds, and for the women with inquiring minds. Whether you are a father, father figure, role model, this book is another outlet to hold you accountable. In this book are questions that will make you think about your actions and the actions of those that are close to you (relatives, friends, etc.).
