

Exploring Sussex Churches

A Sermon Preached in the Parish-Church of Horsham in Sussex; On Thursday, the 9th of October, 1746. ... by Tho. Hutchinson, - Thomas Hutchinson 2018-04-24

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: ++++ British Library T004292 London: printed for Jeremiah Reason, 1746. 31, [1]p.; 8°

A Charity Sermon, Preached in the Parish Church of Midhurst, in Sussex. by ... Richard Lloyd, - RICHARD. LLOYD 2018-04-19

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. Lost Villages of Sussex - Alex Vincent 2020-11-15

A fascinating illustrated exploration of the lost and deserted villages of Sussex over the centuries.

Harris's Guide to Churches and Cathedrals - Brian L. Harris 2006

Fully illustrated with over 300 photographs and maps, this title presents stories about every aspect of church architecture from bells and mazes, to maidens' garlands and stained glass sundials, vamping horns and wooden effigies. It is intended for those who love visiting churches and want to know more.

Accommodating High Churchmen - Jeffrey Scott Chamberlain 1997

What happened to High Churchmen in eighteenth-century England? Contending that high-church clergymen did not simply acquiesce to government after the Hanoverian accession, as has often been claimed, Jeffrey Chamberlain explores the complex accommodation that was forged between the secular powers and the clergy. Focusing on the county of Sussex, he finds that there was accommodation by both clergy and the Whig politicians: the former had to make peace with a new administration, but that administration's efforts to prove themselves "good churchmen" enabled the religious to come to terms with them without jettisoning their principles.

West Sussex - Kevin Newman 2018-06-30

Many writers have written about the delights of the former kingdom of the South Saxons, its Downs, villages, countryside, people and their ways

but Visitors' Historic Britain - West Sussex_ is the first book to take readers on a tour of discovery of each of the county's historic eras in turn. Starting with prehistoric Sussex, we explore West Sussex from west to east, investigating both little-known and well-visited sites that tell the story of our ancestors' past. We encounter wild warriors, formidable founders of the county, indefatigable industrialists, excitable eccentrics and the lives of Sussex inhabitants and invaders. Sussex is a country celebrated by writers, painters, royalty, artists and the millions who have enjoyed its changing coastline and verdant villages. Visitors' Historic Britain provides a unique series of journeys for those who are inquisitive about this quirky and history-changing part of the Southeast.

England's Thousand Best Churches - Simon Jenkins 2012-07

Simon Jenkins has travelled the length and breadth of England to select his thousand best churches. Organised by county, each church is described - often with delightful asides - and given a star-rating from one to five. All of the county sections are prefaced by a map locating each church, and lavishly illustrated with colour photos from the Country Life archive. Jenkins contends that these churches house a gallery of vernacular art without equal in the world. Here, he brings that museum to public attention.

Exploring Sussex Churches - John E. Vigar 1986-01-01

Rough Guide to Kent, Sussex & Surrey (Travel Guide eBook) -

Rough Guides 2020-07-01

The Shell Book of Exploring Britain - Garry Hogg 1971

Exploring North Stoke Church, Sussex - Roy Tricker 1995

The Church Explorer's Handbook - Clive Fewins 2005

A fully illustrated pocket guide to UK churches and their contents.

Friendship: Exploring its Implications for the Church in Postmodernity - Steve Summers 2011-10-27

Is the Church a community of friends? Steve Summers explores the significance of friendship for our understanding of the church today. Since Jesus' statement in St John's gospel "I call you friends" the concept of friendship has had a huge influence on the Christian understanding of community. But is the historical understanding of friendship enough to serve the needs of the church in a post-modern age? Steve Summers explores the limits of the concept as well as its possible use in contemporary ecclesiology.

The Rough Guide to Kent, Sussex and Surrey - Samantha Cook 2013-05-01

The brand-new, full-colour Rough Guide to Kent, Sussex & Surrey is the ultimate guide to this beautiful corner of England, with clear maps and lively accounts of both the big cultural attractions and the smaller, quirkier sights, and full coverage of vibrant Brighton and historic Canterbury. The region is fast gaining a reputation as a foodie hotspot, and the guide offers detailed reviews of the best places to eat, from old-world tearooms to Michelin-starred restaurants. Also included is accommodation for all budgets - from country-house hotels to cozy b&b's and idyllic campsites - as well as the best places to drink, featuring the best village pubs, plus the region's celebrated wineries. Find details on a host of local festivals and events, from Lewes' raucous Bonfire Night to Hastings' popular Pirate's Day, as well as ideas on outdoor activities, from paragliding in the South Downs to canoeing Kent's waterways, with plenty of scenic walks too. Written by local experts, this is an indispensable guide to a region that's ripe for exploring. Make the most of your time with The Rough Guide to Kent, Sussex & Surrey. Now available in ePub format.
