Falling For Her Client - Palmer Jones 2020-04-10
SHE KNOWS WHAT SHE WANTS. Lexi Caden loves her life. Her freedom. Her independence. She dates men on her terms. Compromise isn't in her playbook. But Nash changes the game. Designing Nash's country store in the small town of Statem, GA, is a straightforward project

for Lexi. Several of her clients in the past were attractive men. What is it about the sexy farmer that captured her attention? It doesn't matter. Dating a client is against company policy and will result in being fired...immediately. HE KNOWS WHAT SHE NEEDS. Nash Holloway has his own rules in place. He'll never marry or leave Statem again. Moving to a major city and leaving his farm tainted his view of marriage. Love isn't worth it. That makes his attraction to his pretty architect easy to handle. The short-term romance is exactly what he wants. A few dates to show his uptight, city girl a good time. But Lexi destroys his plans. Falling for Her Client is a lighthearted, contemporary romance, the second of six books in the A Southern Kind of

Love series by Georgia native and award-winning author, Palmer Jones. A Southern Kind of Love: 1. Hiding from the Sheriff 2. Falling for Her Client 3. Dreaming of Her Movie Star 4. Engaging with Her Enemy 5. Kissing Her Rescuer 6. Finding Her Leading Man O'Keeley's Irish Pub Series: 1. Her Irish Boss 2. Her Irish Chef 3. Her Irish Flirt

Falling Up - Thomas Holliday 2013-01-25

Actors know about "falling up": a split-second ignition from the wings, propelling entrance as a new character, an unwilling ascent to a different mode of being, an in-body experience that overlays preparation, opportunity, choice, or chance. *Falling Up*, the first and only full-length Floyd study, is a metaphor for humanity's uncanny ability to rise from seeming disaster into rebirth. Floyd's consistent succession of soars, stumbles, slides, or wrenches sings of triumph over odds. A modern Renaissance man, Floyd is our greatest living opera composer and librettist, a trained concert pianist, a master

stage director, and a teacher. In *Falling Up*, Holliday offers an intimate account of the life that shaped the words and music. Combining insights from hundreds of interviews with Floyd, his family, and many of the last half-century's greatest singers, conductors, and opera administrators, *Falling Up* traces Floyd's Southern roots and the struggles and sacrifices that accompanied his rise to operatic stardom. With more than forty photographs, the detailed evolution of Floyd's fourteen operas, and in-depth analysis of his nonoperatic works, *Falling Up* is essential reading for opera fans and professionals alike, a book that moves, informs, and entertains.

Falling North - Joyelle Lee 2018-04-30

its a negative thought pattern, a toxic relationship, a destructive habit or a lie camouflaging itself as truth-they each have the potential, power and pull to deplete us of joy and strip us of purpose. Falling North is a personal, spiritual, and biblical outline as to the overview of Gods how-to blue print of a persons ability to trust and ultimately fully surrender. Falling North is not simply a set of steps to follow in order to obtain freedom, but a spiritual encounter which will enable the reader to experience the tender, transformational, sufficient love of Christ. A transformative love administered and deposited perfectly into the deepest hurting, darkest broken and depleted spaces of the heart.

Still Falling North - Joyelle Lee 2022-09-28
Since I worked the 3 p.m. to midnight shift at the orphanage, I had the opportunity to do life with them in a more intimate, personal, and nurturing environment. Homework, dinner, psychological processing, and bedtime tuck-ins

were each part of my everyday routine with the girls. Yet, just about every day I came into work, the day shift would share that one of our girls had run away again that morning. By God's grace, the girls would usually be located within hours. I'd tuck this sweet one into bed the following evening after she had been safely returned, and look far into her lost and deeply saddened eyes, saying, "Where were you running to? What were you running towards?" And without the slightest of hesitation or differentiation of reasons, she'd look up at me and share, "Nowhere. I was just running away from here." Years later, I realized God had been having the same tender conversation with me; asking over and over again, why I was running away from Him. And even as I continued to wander and insist on my own path, He kept a careful, undeniable watch. It wasn't until one day that I stopped running, and started falling, that I realized just how good, safe, and fulfilling it was to be home, with Him. The running would

be over, and my falling north had just begun. Praise for Falling North... Have you ever met someone and after spending time with them you know they've been with Jesus? That is how it is when you meet Joyelle Lee. In her book, *Falling North*, and in the entirety of her ministry, Joy takes you by the hand and leads you to the Father's love and gracefully introduces you to a way of living that brings healing, strength, and joy to your heart and mind. Joy is uniquely vulnerable and courageous as she shares her life with others. I highly recommend *Falling North* to anyone who is tired of trying to do better or be better and is looking to experience a transformed life. Teri Miller, author, *Death of a Church Lady* In *Falling North*, Joyelle Lee takes you on a journey of how she went from falling apart, to falling North! The North Star is the only dependable star to find the north direction. It is said that "True North" is the cross. The North Star led to where our Savior was born. *Falling North* is a like a compass, a blueprint of

sorts; a place to go for absolute truth, guidance, comfort, and love. A place where we find our Savior in our deepest struggles of life, as we surrender our inner most secrets, pains, and wounds over to Him. Denelle Peck, Pastoral Counselor In Joy's presence, and in her writing, you experience the sincere manifestation of a heart that has truly fallen into a posture of the highest reverence and the most beautiful humility. The book is a glimpse into the process of giving one layer at a time of our hearts and finding the breathtaking goodness of His presence in once barren land. Joanna Sanders, editor, author of *Fire Women* This book has the ability to excavate the most damaged belief roots, heal them with life giving transformation and offer a new firm foundation that is Jesus. If you trust and fully digest the nourishment within the pages of *Falling North*, it can lead to the spiritual conversion story you may have been craving until now. Marlo Rutz, empowerment coach, author of *God Sprinkles From the title,*

Falling North, to the personal journey through her own pain and suffering, I found myself asking, "How is this possible?" Joy takes you by the hand and leads you through the "impossible" to the God who says "I Am Possible" in all things! And you "fall north" in love with Jesus! Turner Artist Management Urgent Action Item:☐
Save Falling Back North from implosion. When your agency's newest artist shows signs of collapse, you jump on the problem. When it involves a potential rift between the brothers who form the band's soul, you throw your Hail Mary. So I did--by hiring a respected marketing goddess to save them. But when demons run deep and the stakes are extreme, it might prove too much for the band's drummer and leader who's been carrying them all since childhood. Enormous pressure compounded by impending heartbreak, what's an agency to do? See, I'm just

the manager. The story that follows actually belongs to my client Xander Silva and the innocent marketing siren about to blow him to shreds. Because now that both brothers have their hearts set on the same woman, everyone's desperate to know: Who is LYDIA CARMICHAEL?? Falling North is a standalone Turner Artist Rocker novel.

Falling for the Mob Soldier - Leslie North
Elena Popov would do anything for her ruthless father—including assassinate Viktor Sokolov, her best friend Alexandra’s husband. She’ll have no problem with this request, in fact, as Alexandra was forced to marry him. Elena will simply be rescuing her friend from a cruel mob boss. Pretending she’s defecting, Elena heads to the Sokolov compound, escorted by the most maddening and distracting man she’s ever met. It’s almost as if Roman Garinovich was created just to get under her skin. Still, Elena won’t let Roman stop her from completing her deadly task. There’s just one hitch: Alexandra really loves Viktor, and killing him will crush her. Torn between her loyalty to her father and her best friend, Elena continues to plot, trying to ignore the growing instinct telling her to spare Viktor’s life—and also working to ignore her growing

attraction to Roman. Roman doesn’t believe a word that comes out of Elena’s mouth, however, and he’s not about to let his guard down around her. Deep in his gut, he knows something’s not right about her story... but that doesn’t stop him from acting on his unwelcome attraction to her. Even as he lets Elena into his heart, though, he knows she’s not all that she seems. When he discovers her true reason for being in the Sokolov compound, he’ll have to choose between the woman he loves and his deep loyalty to his friend. As danger swirls around Elena and Roman, the question becomes whether they can learn to trust not only each other, but what’s in their hearts.

Every Falling Star - Sungju Lee 2016-09-13

survive, Sungju creates a gang and lives by thieving, fighting, begging, and stealing rides on cargo trains. Sungju richly recreates his scabrous story, depicting what it was like for a boy alone to create a new family with his gang, "his brothers," to daily be hungry and to fear arrest, imprisonment, and even execution. This riveting memoir allows young readers to learn about other cultures where freedoms they take for granted do not exist.

Finance genius Meredith Klaus prefers numbers to people, especially around the holidays. At least the large sum of money that's mysteriously vanished from the company accounts will distract her from the ghosts of Christmases past. Andrew Stanton, Manhattan's best-known philanthropist, has worked hard

building his reputation in the industry. A handsome man on her arm. A challenge she can't refuse. Can they find the missing money and fulfill their holiday wishes, or will Meredith be unable to overcome the demons of her past and lose her chance at happiness? Each book in the Stanton Family series is a standalone, full-length novella that can be enjoyed out of order.
