Modern Manners - The Gentlewoman 2021

A selection of stellar contributors to the fabulous women's magazine The Gentlewoman present a timely selection of thought-provoking, witty essays on manners, offering the modern woman viewpoints and advice on classic conundrums and totally contemporary matters. With contributions from a roster of The Gentlewoman's impeccably engaging contributors and readers, including Ann Friedman, Eva Wiseman, Otegha Uwagba, Caroline Roux, Susan Irvine, and Joan Juliet Buck, this thoughtful, stylish collection of essays is an essential guide to navigating today's world. Individually arresting and unexpected, with advice on subjects ranging from the classic topics of manners and social behavior (tipping; arriving alone; godparenting; hosting) to totally contemporary matters (the best legal drugs; the benefits of a menstrual cup; the art of regifting; and crafting the perfect out of office reply), and tips and opinions galore from fun friends of the magazine from Miranda July and Hilary Mantel to Kylie Minogue and Honey Dijon, together these essays form a singular perspective on modern life: that of The Gentlewoman.

How To Be A Gentlewoman - Lotte Jeffs 2019-10-15

Gentlewoman: A woman who blends old-fashioned values with a thoroughly modern and open-minded attitude; using her self-confidence to show up, not show off and her optimism to inspire others and build a happier life. Women today are under so much pressure to be everything to everyone: to be cool, smart, fit, thin (but not too thin!), funny (but not bitchy), a supportive friend, partner and family member. We want to be successful and liked at work, to have opinions about politics, art and literature as well as, well... Kanye West. We strive for more and more Instagram followers rather than working on our real relationships with real friends. Happiness has become just another thing on our to-do list. This book is for any woman aspiring to better herself and live more happily. This modern Englishwoman tells you how to be a gentlewoman; from knowing how to use a power drill, to making your bed every single day and never eating lunch at your desk. She will take you on a first date, to a party where you should ask someone 'what they are into' rather 'than what they do' and to a dinner party where you should always arrive 11 minutes late. She tells you how to be mysterious, flirtatious and to dine alone, the right way to approach weddings and how to host a kitchen supper (with beer) the end of the night, for a birthday, for a smart date, never asks how to get home because she always knows. How to be a Gentlewoman presents a clear and compelling strategy for navigating life today with charm, care, confidence, consideration and control. Each chapter will include relatable, personal anecdotes and examples, and each will end with a relevant and irreverent list of 'gentle rules'. Rather than killing it, slaying in your lane, having to be a girl boss or not adopting the subtle art of not giving a f**k, this book teaches you the incredible female power of being gentle in a brutal world.

The League of Gentlewomen Witches - India Holton 2022-03-15

"As much fun as the English language will permit."—New York Times Book Review on *The Wisteria Society of Lady Scoundrels* Just when you thought it was safe to go back into the teahouse. . . . Miss Charlotte Pettifer belongs to a secret league of women skilled in the subtle arts. That is to say—although it must never be said—witchcraft. The League of Gentlewomen Witches strives to improve the world in small ways. Using magic, they tidy, correct, and manipulate according to their notions of what is proper, entirely unlike those reprobates in the Wisteria Society.

When the long lost amulet of Black Beryl is discovered, it is up to Charlotte, as the future leader of the League, to make sure the powerful talisman does not fall into the wrong hands. Therefore, it is most unfortunate when she crosses paths with Alex O'Riley, a pirate who is no Mr. Darcy. With all the world scrambling after the amulet, Alex and Charlotte join forces to steal it together. If only they could keep their pickpocketing hands to themselves! If Alex's not careful, he might just steal something else—such as Charlotte's heart.

These Three Remain - Pamela Aidan 2007-01-02

This thrilling conclusion to the Fitzwilliam Darcy, Gentleman trilogy recounts the climactic events of Jane Austen's *Pride and Prejudice* from its enigmatic hero's point of view. One of the most beloved romantic heroes in all of literature, Fitzwilliam Darcy remains an enigma even to Jane Austen's most devoted fans. But with this concluding volume in the Fitzwilliam Darcy, Gentleman trilogy, novelist and Austen aficionada Pamela Aidan at last gives readers the man in full. *These Three Remain* follows a humbled Darcy on the journey of self-discovery after Elizabeth Bennet's rejection of his marriage proposal, in which he endeavors to grow into the kind of gentleman he's always dreamed of being. Happily, a chance meeting with Elizabeth during a tour of his estate in Derbyshire offers Darcy a new opportunity to press his suit, but his newfound strengths are put to the test by an old nemesis, George Wickham. Vividly capturing the colorful historical and political milieu of the Regency era, Aidan writes in a style evocative of her literary progenitor, but with a wit and humor very much her own. While staying faithful to the people and events in Austen's original, she adds her own fascinating cast of characters, weaving a rich tapestry out of Darcy's past and present that will beguile his admirers anew.

A Woman's Thoughts about Women - Dinah Maria Mulock Craik 1864

Shapely Ankle Preferr'd - Fran Beauman 2012

What do women look for in a man? And what do men look for in a woman? And how and why has this changed over the centuries? Every week thousands of people advertise for love either in newspapers, magazines or online. But if you think this is a modern phenomenon, think again - the ads have been running for over three hundred years. From the first ad in 1695 from a young gentleman who 'would willingly Match himself to some Good Young Gentlewoman, that has a Fortune of GBP3000 or thereabouts' to the GSOH, WLTM and online dating of more recent years, each ad is a snapshot of its age. The result is a startling history of sex, marriage and society over three centuries - hilarious and heartbreaking by turn.

"The" English Gentlewoman, Drawne Out to the Full Body - Richard Brathwaite 1631

How to Be a Lady - Candace Simpson-Giles 2012-01-10

Whether a woman is a contractor, a stay-at-home mother, or a high-powered attorney, the suggestions in *How to Be a Lady* will cause others to think "Wow! She's got it all together!" If a lady is on a diet, she does not speak of it at the table. A lady never eats a meal while behind the wheel of a car. A lady makes it a point to know the names of the teams playing in the Super Bowl. The roles women play in society today are drastically different than they were 25 years ago, and some of the rules are different as well. "Somewhere along the way," says the author, "the art of being a lady was lost in the shuffle to become a self-sufficient, straight shooting, aggressive survivor in the world . . . Some of us lost sight of the rewards that being a lady could bring." *How to Be a Lady* is a practical book of etiquette that is not snobbish, boring, or intimidating. Designed for a new century, it addresses such issues as how to dress for the workplace, the importance of knowing self-defense, and how to deal with divorced friends and unmarried couples.

50 Things Every Young Lady Should Know - Kay West 2011-10-31
School, clubs, soccer practice, piano lessons, study groups, latte with friends, dinner with grandparents, sleepovers, birthday parties, shopping—young ladies today are always on the go, their busy lives filled with activities and socializing. Girls interact with more people and in more places than ever before. But all of those opportunities to build friendships, make a good impression, and enjoy exciting experiences can go awry if she hasn't learned the basics of good conduct, respectful interaction, and thoughtful behavior. While the formal rules of etiquette are not taught the way they once were, good manners are as critical today as they ever were. *50 Things Every Young Lady Should Know* provides a modern update on the ageless idea that girls should know appropriate and courteous responses to any given situation. Good manners aren't just some quaint idea and old-fashioned concept from the past. They're an essential aspect of every young lady's path to adulthood and the skills she will need to thrive in whatever she chooses to do. In an ever-changing world, good manners never go out of style.

Bereolaesque - Enitan O. Bereola 2009

WARNING: ETIQUETTE IS BACK ... THIS TIME IT'S SEXY! The old-fashioned, repressed, bland man has been banished to the Himalayas and a new breed is taking center stage. He is a man of style, sophistication, and security, just as strong and confident as his predecessor, but far more diverse in his interests, his tastes, and, most importantly, his self-image. He may be seen at an NBA game one night and an art gallery opening the next. *Bereolaesque* is that much needed fusion between being a gentleman and being sexy. This *savoir-faire* man's guide walks every man through the stages of ordinary to excellence in just two hundred pages. Perfect for that coffee table discussion, *Bereolaesque* lends quality information to everyday people and celebrities alike.

Beyond the book's mysteriously eye capturing cover are innovative and appealing ways to maneuver through life's crazes, while keeping cool and maintaining manners. In the midst of a world plagued with economic turmoil, tasteless politics and dark behavior, the gentleman is refreshing and necessary. *Bereolaesque* is for every man and every woman who believe that chivalry is NOT dead, and individuals who are willing to learn exactly how far something as simple as being a gentleman and proper etiquette can get you in life. Not to mention, ladies are always quite pleased to meet a real gentleman...

Rules for Gentlemen - Cameron M. Thompson 2018-07-25

If the world is torn by divisions, if the peoples are through into the confusion of mutual hostility, how is the world to be healed, how are the peoples to be reconciled, if not through such a new chivalry? You are being called into battle as a gentleman. And this battle consists first and foremost in ruling over yourself, and then in bringing the peace of harmony with God into the world around you. As a gentleman, you are called to uphold justice and to resist injustice, to serve that which is holy in the world, without reservation and without salary, to care for the weak, the persecuted, and the wronged, to take care of creation as it

groans, and of the bruised reed, because it is God's will that it not be broken. In my own of research and teaching over the years I've been able to delve into chivalric literature and the evolution of nobility, and what I've uncovered from the tomes of history I share now with you, men and women of all ages, in this simple guide -- a chivalric code drawn from the ancient text that over the centuries gave birth to the ideal of a Christian chivalry. I've been guided since I was a young child by the principles laid out in the Rule of St. Benedict, and recently completed a new translation of the ancient work. It also happens, that historically the code of chivalry for the knights of the middle ages was drawn from and explicitly modeled on the way of life of the benedictine monks, and later by the mendicant friars. In what follows, the text of the Introduction, the Conclusion, and the "Tools for Doing Good" are taken directly from the 1,500 year old text, the Rule of St. Benedict. The rules themselves, as well as the "Way of Perfection", are principles drawn from or summaries of the more salient points enumerated by St. Benedict that serve as a firm foundation for a chivalric code to which a man or woman of our day can pledge themselves to uphold. You see, to be a gentleman or gentlewoman is not about merely following some set of rules or book of etiquette. It is about pledging yourself to a code of honor, and striving to conform all aspects of your life to it. Chivalry, the way of the Christian knight, both in its various historical manifestations, and in its eternal spirit, exists to guide men and women in how to live uprightly in the world -- to conquer themselves and achieve self-mastery in service to a higher good. Such a gentleman or gentlewoman is sent into the world to resist injustice and to preserve justice, to care for the weak, the persecuted, and the wronged, to take care of creation as it groans, and of the bruised reed, because it is God's will that it not be broken. Such a chivalry means a responsibility, a responsibility he or she can only carry out by serving that which is holy in the world, the hidden Grail and the order that radiates out from it. "There must always be men [and women] who serve that which is holy in this world without reservation and without salary, caring for the weak, the persecuted and the insulted, renewing the authority of law and fighting against injustice. The knight exists for the sake of everyone; that is his [or her] proper position in the world." -- Hans Urs Von Balthasar Thus, inspired by the need for a renewal of this kind of knighthood in our own day, and the desire to see my children become true gentlemen and gentlewomen, I compiled this new code of chivalry drawn from Saint Benedict's Rule for Beginners -- the very code itself that has guided and directed the lives of countless men and women to become true gentlemen and gentlewomen for over 1,500 years, and continues to breathe new life into the world today.

The Gray - Enitan O. Bereola 2016-12-29

Bestselling Author Enitan Bereola II's Chilling take on Contemporary Dating and more *The Gray* is a sobering study of real relationships and where we went wrong. It is inspired by true events? only the names have been changed to protect the innocent. The saga is told through the lens of both victim and victor set to explore deep duality about human motive and why we disconnect as a culture, community and couples. It is the author's darkest, most beautiful, disgraceful, tragic, raw and gorgeous piece of art penned to spark a moral awakening, inspire intimacy and disrupt what you know about love. You are now entering the gray area... Watch your step.
