Art Criticism Online - Charlotte Frost 2019-05-16

The mainstream press often celebrates the 'tweeting', 'facebooking' and 'gramming' of art commentary. Yet online forms of art criticism have a much longer and more varied history than we think. Far preceding the art discussions happening on the likes of Twitter and Facebook. Before art discussions took place on social media, there were networked art projects and art critical Bulletin Board Systems, email discussion lists and blogs. *Art Criticism Online: A History* provides the first in-depth history of art criticism following the Internet. The book considers the core stages of development and considers where critical practice is heading in the future. Charlotte Frost's *Art Criticism Online* provides a much needed account and indispensable survey of the ways in which Western art criticism has been profoundly affected and changed by the online environment. Building on the history of networked and participatory criticism predating the Internet, Frost traces three different phases of online art criticism unfolding in early discussion groups, on listservs, and within today's blogosphere and social media platforms. The book expertly captures nuanced transformations in art criticism's content, form and style, analyzing how approaches have shifted in response to the evolution of the art world terrain. *Art Criticism Online* successfully manages to provide readers with a map of the dynamic expressions of today's critical culture. --Christiane Paul, Adjunct Curator of Digital Art, Whitney Museum, Director/Chief Curator, Sheila C. Johnson Design Center, Parsons/The New School So what happened to art criticism, anyway? This lively history is a vital resource for anyone interested in this question. Drawing on a half-century of examples, the book discusses the new, experimental writing practices the internet has made possible, and its destructive effects, making a persuasive case that art criticism hasn't gone away it's just changed radically. --Michael Connor, Artistic Director, Rhizome

[Girlfriends and Postfeminist Sisterhood](#) - A. Winch 2014-01-14

From Mean Girl to BFF, *Girlfriends and Postfeminist Sisterhood* explores female sociality in postfeminist popular culture. Focusing on a range of media forms, Alison Winch reveals how women are increasingly encouraged to strategically bond by controlling each other's body image through 'the girlfriend gaze'.

The Girl of All My Memes - C. S. Johnson 2017-10-07

He didn't "meme" to do it ... Tenth grader Tommy Baher has always lived in the shadow of his older brother Johnathan, and he has always hated it. Determined to set himself apart from his brother, Tommy puts all his efforts into securing the highest grades in his class. There's just one problem standing in his way: Kara Metaxas, his longtime academic rival, who has always made his life at school difficult. When Tommy and Kara are invited to participate in the Junior Science and Technology Symposium, an academic competition hosted by a prestigious college, Tommy sees it as a chance to prove himself to his parents and his peers.

Tommy feels even more sure of himself as he begins to make funny memes using a picture of Kara. Everything is coming together for him. But when Tommy starts to change his mind about Kara - and subsequently, nearly everything else about his life - his memes go viral, and threatens to destroy everything Tommy has worked for. Can he find a way to make things right with Kara before he loses everything? FROM THE AUTHOR: With themes of cyberbullying, teen romance, sibling rivalries, and the importance of family, *The Girl of All My Memes* is a light-hearted read that packs a subtle punch. FROM THE BOOK: The day I fell in love with Kara was the day I accidentally ruined her life, and I was as blindsided by ruining her life as much as I was by falling in love with her. According to my now ex-best friend, Miles, love is supposed to make you feel stupid, but I never thought my stupidity, or anybody else's for that matter, would lead to such devastation. WHAT REVIEWERS ARE SAYING: "I cannot stop writing about this novel so all in all... I loooooovveeddd it!" ~ Melancholic Blithe Book Review This is a realistic, timely, age-appropriate YA story of growing up gifted but clueless in the modern USA. ~ Helgaleena, Goodreads Reviewer

Smile Its Your 17th Birthday - Ela Publishing 2019-07-31

Super cute notebook with a cool anime girl and the quote "I Love Anime" on the cover. Great notebook for school or private use. Use it as a diary, notepad for sketching and writing or anything else.

[Deconstructing the Education-Industrial Complex in the Digital Age](#) - Loveless, Douglas 2017-01-10

Developments in the education field are affected by numerous, and often conflicting, social, cultural, and economic factors. With the increasing corporatization of education, teaching and learning paradigms are continuously altered. *Deconstructing the Education-Industrial Complex in the Digital Age* is an authoritative reference source for the latest scholarly research on the shifting structure of school models in response to technological advances and corporate presence in educational contexts. Highlighting a comprehensive range of pertinent topics, such as teacher education, digital literacy, and neoliberalism, this book is ideally designed for educators, professionals, graduate students, researchers, and academics interested in the implications of the education-industrial complex.

[Girlfriends and Postfeminist Sisterhood](#) - A. Winch 2013-11-06

From Mean Girl to BFF, *Girlfriends and Postfeminist Sisterhood* explores female sociality in postfeminist popular culture. Focusing on a range of media forms, Alison Winch reveals how women are increasingly encouraged to strategically bond by controlling each other's body image through 'the girlfriend gaze'.

The Routledge Companion to Media Anthropology - Elisabetta Costa 2022-09-30

The *Routledge Companion to Media Anthropology* provides a broad overview of the widening and flourishing area of media anthropology, and outlines key themes, debates, and emerging directions. The *Routledge Companion to Media Anthropology* draws together the work of scholars from across the globe, with rich ethnographic studies that address a wide range of media practices and forms. Comprising 41 chapters by a team of international contributors, the *Companion* is divided into three parts: Histories Approaches Thematic Considerations. The chapters offer wide-ranging explorations of how forms of mediation influence communication, social relationships, cultural practices, participation, and social change, as well as production and access to information and knowledge. This volume considers new developments, and highlights the ways in which anthropology can contribute to the study of the human condition and the social processes in which media are entangled. This is an indispensable teaching resource for advanced undergraduate and postgraduate students and an essential text for scholars working across the areas that media anthropology engages with, including anthropology, sociology, media and cultural studies, internet and communication studies, and science and technology studies.

Feminist Ryan Gosling - Danielle Henderson 2012-08-14

Based on the popular blog of the same name, Feminist Ryan Gosling pairs swoon-worthy photos of the sensitive, steamy actor with feminist theories to the delight of women (and more than a few of their mothers) everywhere. What started as a silly way for blogger Danielle Henderson and her classmates to keep track of the feminist theorists they were studying in class quickly turned into an overnight sensation. Packed with 100+ photos and captions throughout -- including the best "Hey girl" lines from the blog and 80 percent brand-new material -- this book is a must-have for feminists and fans of the actor alike. What more could a girl want? You know, besides gender equality and all that.
