Newport Wedding Belles Colette Harrington 2016-05-09 Sugar Lynn Limehouse is a feisty Southern belle desperate to save her family owned newspaper from going under. She invests everything into a Broadway bound play written by her best friend and award winning columnist, Tiffany James. The Boston debut will determine their future and ticket sales are dismal. On opening night, a chance encounter with billionaire Prescott Borden and his supermodel girlfriend changes their fortunes. Tiffany stumbles into the arguing couple headed out of their hotel suite. The pretty playwright is mistaken for the other woman by the notorious cover girl. All the tabloids have a field day with the fierce attack, caught by security cameras. Now they have the worlds attention and Prescott takes an interest in the head-turning writer. He charms Tiffany into allowing him to manage the media inquiries, with a hidden agenda of clearing his own name. Shes infatuated and agrees to attend the premiere together. Sugar is shocked. Her newspaper is at risk and hes bad news. Their charismatic personalities clash, while the sweet natured Tiffany tries to please both, to no avail. Their banter heats up and heightens the sexual tension simmering between them. Despite the disagreements, the show is a huge hit. The press loves the playboy and playwright pairing. Everyone expects favorable reviews, but instead a new video tape surfaces. One that will cause a tabloid frenzy and force the rivals to partner up in the most unexpected way.

'Teen Topics Pegge Parker 2008 Years before Ann Landers and Dear Abby, there was Pegge Parker, a 21-year-old high school graduate who began writing a daily advice column for teenagers in the Harrisburg Telegraph (Pennsylvania) in the 1940s. She named her column 'Teen Topics and invited her teen readers to send her their problems. In these selected columns, you'll discover the quandaries that helped to shape the Greatest Generation—and realize not much has changed. As Pegge's columns grew in popularity, she was invited to prestigious events at West Point Academy, New York's elite gatherings, and even the Indian Embassy. She mingled with Generals and royalty, movie stars and music legends—all of which became daily entries in her column. Pegge skillfully and tactfully handled such dilemmas as grammar, dating, etiquette, grooming, travel tips, cooking and more. With no formal writing education, but a definite flair with the pen, Pegge furthered her career as a reporter in Washington, D.C., and Fairbanks, Alaska, and then moved ahead as a foreign correspondent in China, India, and South and Central America. She is the author of *Diapers on a Dateline*, detailing her time in India, juggling a demanding career, a new husband and five children in a foreign land. She also wrote *Alias Pegge Parker*, the story of an adventurous young woman who forged an exciting and successful career in the male-dominated field of foreign correspondence. With her husband, John Hlavacek, she coauthored *Freelancing in Paradise* covering their years living and working as freelance journalists in the Caribbean.

The Woman who Went to Bed for a Year Sue Townsend 2012 The day her gifted twins leave home for university, Eva climbs into bed and stays there. For seventeen years she's wanted to yell at the world, 'Stop! I want to get off'. Finally, this is her chance. Perhaps she will be able to think. Her husband Dr Brian Beaver, an astronomer who divides his time between gazing at the expanding universe, an unsatisfactory eight-year-old affair with his colleague Titania and mooching in his shed, is not happy. Who will cook dinner? Eva, he complains, is either having a breakdown or taking attention-seeking to new heights. But word of Eva's refusal to get out of bed quickly spreads. Alexander the dreadlocked white-van man arrives to help Eva dispose of all her clothes and possessions and bring her tea and toast. Legions of fans are writing to her or gathering in the street to catch a glimpse of this 'angel'. Her mother Ruby is unsympathetic: 'She'd soon get out of bed if her arse was on fire.' And, though the world keeps intruding, it is from the confines of her bed that Eva at last begins to understand freedom. The Woman Who Went to Bed for a Year is a funny and touching novel about what happens when someone stops being the person everyone wants them to be. Sue Townsend, Britain's funniest writer for over three decades, has written a brilliant novel that eviscerates modern family life. Sue Townsend is Britain's favourite comic author. Her hugely successful novels include eight Adrian Mole books, The Public Confessions of a Middle-Aged Woman (Aged 55¾), Number Ten, Ghost Children, The Queen and I and Queen Camilla, all of which are highly acclaimed bestsellers. She has also written numerous well-received plays. She lives in Leicester, where she was born and grew up.

Models Mark Manson 2017-09-11 "You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

Everyone Wants to Be Ambassador to France Bryan Hurt 2018-06-26 “The fictional love child of Miranda July, George Saunders, and A.M. Homes . . . dark humor with just enough tenderness to make everything feel true.” —Courtney Maum, author of *I Am Having So Much Fun Here Without You* A seagull, a goat, and a teenage boy enter into a bizarre love triangle that leaves one of them dead and the other two changed forever. A grief-stricken astronaut quits NASA to paint pictures of the moon. An eighteenth-century British aristocrat adopts two teenage girls and absconds with them to France, determined to raise one of them to become his perfect wife. By turns humorous and heartbreaking, this debut collection offers weird and wonderful stories that illuminate the hidden truths of life. “I have been a longtime fan of Bryan Hurt’s stories and what a joy to have them all together now in this book! They are a soup pot of the funniest dry sentences plus unusual facts that he unearthed from who knows where, and an unstated humanity tucked inside those facts, and a constant eye on the oddness of culture and the lilt of a well-placed phrase and a carrot. In our endlessly data-packed world, Hurt’s keen sparseness is a welcome addition to the bookshelves.” —Aimee Bender, New York Times–bestselling author of *The Particular Sadness of Lemon Cake* “Bryan Hurt’s stories are like no one else’s. The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how

to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
