

God Grace Homosexuals Heterosexuals A Necessary Healing

Queering Christianity - Robert E. Shore-Goss 2013-06-25

A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals, this book is, as its editors proclaim, "a fearlessly wide vision of queer Christians finding a place within Christianity—and claiming their authentic experience and voice." Through essays by noted lesbian, gay, bisexual, transgender, queer or questioning, and intersex (LGBTQI) religion scholars, this important compilation summarizes the history and current status of LGBTQI theology, exploring its relationship to the policies, practices, and theology of traditional Christianity. Contributors contrast the

"radically inclusive" thinking of LGBTQI theology with the "exclusivity" practiced by many Christian churches, explaining the reasoning of each and clarifying contentious issues. At the same time, the book highlights ways in which "queer" theology and practice benefit Christian congregations. Writing from the perspective of grassroots Christian LGBTQI movements, many of the contributors draw upon their own experiences. They provide graphic examples of the effects exclusion has on individuals, congregations, and denominations, and also share examples of inclusion and its effects. Equally important, the work creates the basis for dialogue between traditional churches and followers of

God Grace Homosexuals Heterosexuals A Necessary Healing

LGBTQI theology, offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices.

God's Grace and the Homosexual Next Door - Alan Chambers

Achieving Heterosexuality - Marie Davidson 2017-05-31
Besides giving an in-depth overview of the science behind the Ex-Gay phenomenon, Davidson removes the veil that has kept ex-gays swathed in privacy. Testimonials from around the world reveal the mental, spiritual and therapeutic journey out of the gay mindset. Each confirms the science of mindful change --- how neuronal pathways of the brain can actually die with non-use and, with the right focus and protocols, be replaced with new pathways. Indeed, Ex-Gays not only confirm the science of neuroplasticity in regards to attraction but also confirm what the Bible teaches about transformation: **TRANSFORMATION INVOLVES THE RENEWING OF THE**

MIND."Some tell me that my journey is extraordinary. In reality, I do not believe it is. After much reflection, I now see that my early life was very similar to that of a multitude of same-sex attracted men, and yes even some women. The difference is this: I was unknowingly at first given the freedom, and took it, to open a door that enabled me to scratch well below the surface of my conscious mind and to think outside the box of what have now become mainstream society's beliefs about sexual orientation."Excerpt of James Parker's Testimonial (AUSTRALIA)"Then, I realized that my fear of abandonment was the root cause of my same-sex attraction. The memory of my three-year-old self, watching my mother with my sister...and my perception of her abandoning me returned. It was as if a light switch had been flicked on. God had unzipped me of all of my anger now. It was over. I can see now, that I was battling for my soul."Excerpt of Jennifer Thorne's Testimonial

God Grace Homosexuals Heterosexuals A Necessary Healing

(USA)"People I knew in the lifestyle died, got sick or changed in a frightening way. That's what happened for those with lots of sex partners and broken relationships...This is when I started praying ...Well, no angels singing, no Hollywood-like miracle right away. Then I saw a religious program on TV and called their "Hopeline." I chatted with someone who gave me the link to Homosexuals Anonymous. HA had an online program, and I enrolled. I thought my same-sex attractions were immutable. Now I know better." Excerpt from Robert Gollwitzer's Testimonial (GERMANY)"This book is beautiful and so needed. I see this very thing in the SSA patients I see. They are stuck developmentally. The real issues are psychological, emotional and spiritual and should be addressed." Kathy, LPC"Marie Davidson has written a powerful antidote to the propaganda of genetic homosexuality being perpetrated in our secular culture and prevaricating

psychotherapy community. Much of my personal life journey from angry atheist lesbian to grateful Christian Ex-Homosexual is reflected in these pages along with the stories of many others from around the world. Davidson's book is an inspiring testament to the hope and healing available to all and to the thousands who have been freed from homosexuality through the grace of God and the power of Jesus Christ." Robin Goodspeed, Christian Ex-Homosexual, President, Voice of the Voiceless.info About the Author: Marie Davidson, M.Ed. witnessed the daily struggles and depression in some of her same-sex attracted students. She helped prevent a suicide by helping one student get treatment, but there was nothing she could have done to help a student who died of AIDS complications at age 21. Davidson wrote this book to show those with unwanted same-sex attraction that they can heal from past hurts and become who they were meant to be.

God Grace Homosexuals Heterosexuals A Necessary Healing

Hope for the Same-Sex

Attracted - Ron Citlau

2017-03-14

Helping the Same-Sex Attracted Faithfully Follow Jesus As Christians seek to be biblically faithful on the issue of homosexuality, two fundamental questions come to mind: How can a person with same-sex attraction faithfully follow Jesus in his or her sexuality? And how can we support and encourage them in this? With compassion and wisdom--on a topic rife with misunderstanding and hurt--author and pastor Ron Citlau will help you think deeply and clearly about every option the Bible offers, and what it clearly does not. Having personally dealt with same-sex attraction, walked with others still struggling, and pastored those with gay loved ones, he thoroughly examines all of the available options--heterosexual marriage, singleness, celibacy, and more--and considers them in light of the Scriptures. With clarity and grace, he helps you discover the remarkable gifts God provides to the Christian

who struggles with same-sex attraction and desires to faithfully follow Jesus. Here is a message of hope and practical, loving guidance for those who are same-sex attracted--and those who love them.

With Listening Hearts - Peter J. Liuzzi 2001

Aimed at gays and their families, this book takes a compassionate and pastoral approach to how the Catholic Church cares for gay people and will work with them.

Homosexuals Also Belong to God - Rigoberto Carrion
2011-03-18

The intention of this book is to elevate readers' thoughts to understand what may seem to be incomprehensible and to help those whose consent has gotten mixed up. Furthermore, this work is directed to those who have said all the opposite of the truth regarding this topic. This book has no intention of imposing thought but instead provides orienting ideas that will help everyone reach his or her place in the eternal purpose of God. "As you read, think of the benefit it will

God Grace Homosexuals Heterosexuals A Necessary Healing

bring to other lives that, like you, have been searching for an answer. You could be the channel so that someone else discovers the purpose for which they were created," the author says. An enlightening read, *Homosexuals Also Belong to God* is a resource to help those standing in the valley of decision.

Compassion without

Compromise - Adam T. Barr
2014-10-14

Loving, Biblical Answers on Homosexuality In the next year at least one of these things will happen in your life: • A family member will come out of the closet and expect you to be okay with it. • Your elementary-age child's curriculum will discuss LGBT families. • Your company will talk about building a tolerant workplace for LGBT co-workers. • Your college-age child will tell you your view on homosexuality is bigoted. Are you ready? In their role as pastors, Adam Barr and Ron Citlau have seen how this issue can tear apart families, friendships, and even churches.

In this book they combine biblical answers with practical, real-world advice on how to think about and discuss this issue with those you care about. They also tell the story of Ron's personal journey from same-sex attraction and sexual brokenness to healing. Truth does not preclude kindness-- and a good dose of humility is necessary to love our neighbors. With sensitivity and winsomeness, this book will offer an honest but inviting message to readers: We are all in need of the healing that can only come from the truth of the gospel.

The Church Speaks - James I. Cook 2002

With the passing of time and the development of significant cultural changes, the Reformed Church in America has continued to examine its perspectives on Christian teaching. Here the contemporary doctrinal positions of the RCA, as presented by its Commission on Theology, are gathered into one convenient reference work. The papers included here

God Grace Homosexuals Heterosexuals A Necessary Healing

are divided into chapters according to six categories: scripture, faith, sacraments, ministry, witness, and sexuality. Within these documents are important statements on such topics as Christian witness in today's pluralistic society, the role and authority of women in ministry, Christian witness to Muslims, and the church and homosexuality.

Homosexual Partnerships? - John R. W. Stott 1985

Homosexuality: How Should Christians Respond? -

Richard F. Lovelace
2002-04-30

In recent times the question of homosexual rights has burst upon the scene, becoming a burning, emotional controversy. Many church leaders have become embroiled in debate and entire denominations are sharply divided over this issue. Though the church has traditionally served as a moralistic commentator on the sidelines, it now finds itself in the middle of this controversy. Should self-

affirmed, sexually active homosexuals be ordained as ministers? Should they even be welcomed as fellow believers? How should the Bible be interpreted, and what is its role in ethical guidance of reason, experience, and the Holy Spirit? Should the church tolerate a diversity of convictions and life styles in its sexual ethic? In *Homosexuality: How Should Christians Respond?* Dr. Richard F. Lovelace deals with these questions from an evangelical point of view. He presents the historic church position from Augustine to Theilicke and surveys and analyzes the literature of recent decades which challenges the historic position. Biblical texts that speak specifically on homosexual behavior are studied extensively and brought into sharp focus by corollary Scripture passages. This is an intensely practical book, sensitively written to help the church reach out to the needs of homosexuals in constructive and compassionate ways.

God Grace Homosexuals Heterosexuals A Necessary Healing

Venus and Virtue - Jerry L.

Walls 2018-01-30

Venus and Virtue are a match made in heaven. While popular culture often tends to think of Christianity as negative about sexuality and sexual pleasure, the fact is that Christians have the best of reasons to joyfully celebrate sex as a gift.

Unfortunately, there is as much confusion about sex in Christian circles as there is in the culture at large. The authors of this book believe that this confusion can only be adequately addressed by drawing from the deep wells of biblical truth and traditional theology. The writers, however, are not only experts in biblical scholarship, theology, and philosophy, but also pastoral ministry, counseling, pop culture criticism, and women's issues. This book is not sexy in the typical sense of that word, but by situating sexuality within the cosmic drama of biblical revelation, the true beauty and goodness of sex most clearly emerges. And as that beauty emerges, we can begin to see why Christian

morality not only makes profound sense, but also why it positively enriches the meaning of sex in ways that far outstrip the sexy secular alternative.

I'm Gay and I'm Going To

Heaven - Tom Thompson

2021-02-23

We are all on a journey. It is different yet similar for all of us. Our goal is to rest in the booms of Jesus. Jesus is God. Find peace in resetting in the arms of Jesus. Jesus says we need to seek Him. I love the story in the Songs of Solomon. It says, "She got up off her bed and went out into the streets to find her lover, Jesus (seek Him)." Where did she find Him? Yes, He was hiding among the watchmen of the night. She searched, and she found her lover. There is another scripture that I really like. It says, "Come up here and talk with me." My response is "I am coming, Lord." If we concentrate on that goal, we will eventually get there.

God, Grace, Homosexuals,

Heterosexuals - Cindy Krueger

2015-01-19

For a majority, homosexuality

God Grace Homosexuals Heterosexuals A Necessary Healing

is an aggravation on the fringe of life, that is until one day, it personally involves them. Today, the voices of mankind are heard, but too often they are in direct conflict with one another. So who do you listen to? After years of longing for peace it appeared I had one avenue open to me. In the end, "Solo Fide," faith alone is left. Jesus said, 'Come unto me...I am humble of heart...and I will give you rest, ' and 'Call to me and I will answer you and tell you great and unsearchable things you do not know.' I decided to simply take God at His word. If you are lost, unsure, feeling all alone and not sure who to trust with your painful thoughts and questions, please know, you no longer need to struggle by yourself. I am with you - so now there are two of us and I will support you through out your own journey so that you also can finally rest secure in the arms of God, knowing you are blessed and free as you move forward with your child, family member, or friend who needs you. This book covers subjects such as:

when your child comes out of the "closet" why you, the parent, need to follow and come out of your own closet; why the laws of Leviticus no longer police the lives of New Testament Christians; why you need to verbalize what you believe about LGBTQ's in your own heart and stop mimicing the words of others; how scripture in it's entirety speaks to the subject of sexual and gender diverse individuals; why we need to learn to wrestle with scripture; and how God's actions may speak louder than Biblical words. These discussions and more will move you toward a greater understanding of what is really involved if we as a society of caring people want to move forward to a positive future with human rights for all people. Finally, knowing your own heart and mind will allow you to understand not all leaders and speakers comprehend what they are so eager to speak out against - our loved ones and their complicated, very misunderstood lives. This is my

God Grace Homosexuals Heterosexuals A Necessary Healing

story, a mother of two homosexual children. I include the steps I took to chisel away the walls separating my family, closing off our hearts and destroying our peace. The public risk of being personally rejected is all mine, the faith to risk is all from God. This is a book about God's perfect grace. My hope is you will gain a fuller understanding of the subject of homosexuality and the very real people who identify as sexually and gender diverse, and your heart will be blessed. I pray for healing in the lives of all.

God, Family and Sexuality -

David W. Torrance 2011-09-22

""This timely book addresses the problem of the family in crisis and challenges us to look at family values from a biblical perspective. Some of these are hard questions and we will not all agree on how to tackle them, but God, Family and Sexuality is a wonderful place to start."" --Linden Bowling, CARE ""Christian faith should be marked by a distinctive lifestyle. Nowhere in our culture is that distinctiveness

being challenged more than in the area of sexuality. This book is a very welcome contribution from a range of well-qualified people who argue convincingly that the future of the church and our civilization are at stake."" --Bill Wallace, Convener, Church of Scotland Board of Social Responsibility ""... a series of well-informed and responsible engagements with questions relating to human sexuality... a serious attempt to hear God's word speaking amidst the Babel of voices clamoring for attention on these topics... should be read widely within and outside the Christian community in the interest of a genuinely plural and balanced public dialogue.""

--Trevor Hart, Professor of Divinity, University of St. Andrews

Can Homosexuality Be Healed? - Francis MacNutt
2006-07-01

Too often, especially in the church, the subject of homosexuality causes deep misunderstanding and painful rifts. Is it really possible to believe that homosexuals did

God Grace Homosexuals Heterosexuals A Necessary Healing

not choose that lifestyle, and yet maintain biblically that the behavior is sinful? Yes, says author Francis MacNutt, and the prayerful result leads to a new possibility: Jesus Christ can transform the homosexual's orientation so that he or she can actually become heterosexual. The striking clarity and practicality of this book will guide the compassionate reader who feels intuitively (and biblically) that homosexuality is wrong but fears being labeled ignorant or "homophobic." And homosexuals who want to change will find that specific prayer brings extraordinary results.

The Ethics of Sex - Scott Rae
2012-04-03

Derived from Scott B. Rae's widely adopted textbook, *Moral Choices*, this digital short looks carefully at the Bible's teaching on sexual ethics and at specific issues like singleness, homosexuality, same-sex marriage, birth control, masturbation, and more. Confronting head-on some of the most difficult

topics for Christians to navigate, Rae also includes cases and questions for further discussion. *The Ethics of Sex* thus provides wise and well-grounded instruction to an ethical question every Christian must answer, namely, "How can I please God in my sexual behavior?"

Still Time to Care - Greg Johnson
2021-12-07

At the start of the gay rights movement in 1969, evangelicalism's leading voices cast a vision for gay people who turn to Jesus. It was C.S. Lewis, Billy Graham, Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism. We see with them a positive pastoral approach toward gay people, an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure. With the birth and rise of the ex-gay movement, the focus shifted from care to cure. As a result, there are an estimated 700,000

God Grace Homosexuals Heterosexuals A Necessary Healing

people alive today who underwent conversion therapy in the United States alone. Many of these patients were treated by faith-based, testimony-driven parachurch ministries centered on the ex-gay script. Despite the best of intentions, the movement ended with very troubling results. Yet the ex-gay movement died not because it had the wrong sex ethic. It died because it was founded on a practice that diminished the beauty of the gospel. Yet even after the closure of the ex-gay umbrella organization Exodus International in 2013, the ex-gay script continues to walk about as the undead among us, pressuring people like me to say, "I used to be gay, but I'm not gay anymore. Now I'm just same-sex attracted." For orthodox Christians, the way forward is a path back to where we were forty years ago. It is time again to focus with our Neo-Evangelical fathers on care--not cure--for our non-straight sisters and brothers who are living lives of costly obedience to Jesus. With

warmth and humor as well as original research, Still Time to Care will chart the path forward for our churches and ministries in providing care. It will provide guidance for the gay person who hears the gospel and finds themselves smitten by the life-giving call of Jesus. Woven throughout the book will be Richard Lovelace's 1978 call for a "double repentance" in which gay Christians repent of their homosexual sins and the church repents of its homophobia--putting on display for all the power of the gospel. Living Communion - This official report of the thirteenth meeting of the Anglican Consultative Council, held in June 2005 in Nottingham, England, includes texts of the Archbishop of Canterbury's presidential address, the daily record of the Council's proceedings, reports from throughout the Anglican Communion, and presentations by the Episcopal Church USA and the Anglican Church of Canada providing a theological rationale for their consent to

God Grace Homosexuals Heterosexuals A Necessary Healing

the election of a bishop living in a same-gender relationship, and the blessing of same-gender relationships, respectively. It includes: Texts of Archbishop Rowan Williams' highly regarded daily Bible study presentations during the meeting; Definitive record of proceedings, without filtering from news organizations, special interest groups, or commentators; Full text of ECUSA and Anglican Church of Canada presentations.

Queeries - Michael S. Piazza
2003

Strength in Weakness - Andrew Comiskey 2009-08-20

Help and hope for men . . . undermined by silent fathers harassed by pornography and sexual temptation afraid of failing those they love most angered by past relationships with women Help and hope for women . . . lost in their relationships with others betrayed by fathers, husbands

or male leaders wounded by sexual assault paralyzed by self-hatred Andrew Comiskey sees our weakness as "a threshold for holy power"--the point at which God can meet us for healing and equip us for service. He has seen it happen again and again. During many years of ministry, Comiskey, his wife, Annette, and their fellow "strugglers" have accompanied hundreds of wounded men and women to transformation at the cross of Christ. Telling real-life stories of despair, hope and lasting change, Comiskey lays out the foundations for healing from relational and sexual sin. With chapters focusing on particular areas of vulnerability for men and women, on the battle over homosexuality in church and culture, and on the essential role of the church in ongoing healing, Strength in Weakness makes clear the way to the cross--God's sufficient answer to our deepest needs.
