Explicit Romance Novels (2 Books in 1) Jessica Dominate 2020-12-30

The V-Word Amber J. Keyser 2016-02-02 Losing it. Popping your cherry. Handing in your V-card. First time sex is a big unknown. Will it be candlelight and rose petals or quick and uncomfortable? Is it about love or about lust? Deciding to have sex for the first time is a choice that's often fraught with anxiety and joy. But do you have anyone telling you what sex is really like? In *The V-Word* seventeen writers (including Christa Desir, Justina Ireland, Sara Ryan, Carrie Mesrobian, Erica Lorraine Scheidt, and Jamia Wilson) pull back the sheets and tell all, covering everything from straight sex to queer sex, diving-in versus waiting, and even the exhilaration and disappointment that blankets it all. Some of their experiences happened too soon, some at just the right time, but all paint a broad picture of what first-time sex is really like.

The Boundaries of Desire Eric Berkowitz 2015-08-01 The act of reproduction, and its variants, never change much, but our ideas about the meaning of sex are in constant flux. Switch a decade, cross a border, or traverse class lines and the harmless pleasures of one group become the gravest crimes in another. Combining meticulous research and lively storytelling, *The Boundaries of Desire* traces the fast-moving bloodsport of sex law over the past century, and challenges our most cherished notions about family, power, gender, and identity. Starting when courts censored birth control information as pornography and let men rape their wives, and continuing through the "sexual revolution" and into the present day (when rape, gay rights, sex trafficking, and sex on the internet saturate the news), Berkowitz shows how the law has remained out of synch with the convulsive changes in sexual morality. By focusing on the stories of real people, Berkowitz adds a compelling human element to what might otherwise be faceless legal battles. The law is made by people, after all, and nothing sparks intolerance - on the left and right -- more than sex. Ultimately, Berkowitz shows the emptiness of sanctimonious condemnation, and argues that sexual questions are too subtle and volatile for simple, catch-all solutions.

Real Sex Stories That Will Make You Really Horny Thought Catalog 2021-07-23 The erotic stories within this naughty book might be brief, but their impact is lasting. Unspoken Desires Iris Finz 2015-01-01 Iris and Steven Finz have the uncanny knack of getting people to talk about intimate details of their sex lives. For more than a decade, they have been interviewing people from all segments of society and, with the permission of their subjects, passing the stories along to their readers. Their books about the sexual experiences and fantasies of real people have become standard night table fare in bedrooms all around the world. Readers use them, not only to put erotic sparks into their own relationships, but also to develop a better understanding of the sexual behavior of others. In Unspoken Desires, the Finzes describe the secret erotic thoughts and practices of people who are unwilling to discuss them with their partners. They relate the story of an architect who dreams of being the prize in a poker game, forced to provide sexual services to the winners each time her husband loses; an office worker who invested two weeks' salary in a complicated sex machine and spends his lunch hours watching women amuse themselves with it; a housewife who has a clandestine lesbian affair with a childhood friend, another who dreams of being a high-priced call girl, and a third who keeps a collection of erotic toys with which to satisfy herself when her military husband fails to do so. They tell of a real estate broker who once auditioned for a role in a porno movie; a computer nerd who sends strangers videotapes he has secretly made of himself and his wife having sex; and a public defender who is happily married, but spends her evenings in mutual masturbation sessions with a female friend. In all, they present a total of 29

stories that are likely to change your ideas about what is normal and what nice people do. "We make passionate love every night, and every time we do, I visualize my husband with my cousin. It's gotten to the point where I don't think I can enjoy our lovemaking without picturing the two of them." - Elizabeth, 28 year old legal secretary "I liked the way they called me 'Slave' and ordered me around. I even liked calling them 'Mistress.' Sometimes, when I'm with my wife, I close my eyes and remember that glorious afternoon when I was a sex slave to three young women, one right after another." -Artie, 42 year old steel worker "I kept my hair cut short and took every possible opportunity to pass myself off as a boy. Even in college, I would take a bus to the next town and walk shirtless in the streets on warm days." -Colleen, 27 year old designer "I still keep the window shades open. I still know that every time Maureen and I are making it the chances are our friends and neighbors are watching every move we make. I still perform for them a little and try to get Maureen into spots that will give them the maximum view." -Karl, 31 year old auto mechanic "Whenever I get one of those basketball players on my table, you can't imagine how magnificent these men look and what effect they have on me. My head is filled with thoughts of all the erotic things I could do if I weren't so inhibited." -Roberta, 48 year old massage therapist

Intimacies Karen Kreps 2007-10 How to enjoy successful, stimulating romantic relationships is the subject of a new book by Karen Kreps, *Intimacies: Secrets of Love, Sex & Romance*. It features selected columns from *The Good Life* magazine and is illustrated with photographs of nude figurative art by Arye Shapiro. This 196-page book includes personal essays, how-to advice, reports on trends, explorations of human behavior, and the accounts of many people who shared their real stories of love, sex and romance. Each article is categorized by subject matter (love and romance, sex and sexuality, commitment, and money) and for whom it may be relevant (singles or couples). Since 2002, Karen's insights about love and lovers have opened minds. She shares these insights in her monthly column for *The Good Life* magazine and in public discussion groups. The magazine sponsors these meetings at BookPeople, Texas leading independent bookstore (named by Publishers Weekly as Bookstore of the Year in 2005). Recently, Karen has started an online discussion forum on relationships at www.trueintimacies.com. Karen wrote the bestselling *60-Day Diet Diary* (Dell, 1982), and her work has been published by national magazines, newspapers and online services. Here's what the experts are saying about what lies between the covers of the book: The secrets of love, sex and romance must come from those who do not guard them selfishly, and Karen Kreps's collection of articles is a remarkably open-hearted series of revelations. It is reassuring that the positive aspects of connubial life are as fascinating as the downsides of our mating experiments, at least with this author as articulate guide. She makes true love seem as elementary as basic arithmetic, though she knows, too, that love is a complex and infinite miracle. We may discover how to embrace it if we have the right wisdom, and Karen Kreps generously inspires us with her vision. -Avodah K. Offit, MD, author of *The Sexual Self*, *Night Thoughts: Confessions of a Sex Therapist*, and *Virtual Love*. Karen beckons the many muses at her disposal - ordinary people and experts - to guide us through inner vulnerability to a loving place where we connect with others. Woven through her verbal tapestries are sentimental stories of families, insights about sexuality and resources to take courting to the next level. Relationships are the essence of our humanity, and Karen invites us to enjoy them in ways we might never have imagined. -Larry Bugen, PhD, therapist and author of *Love and Renewal: A Couple's Guide to Commitment*. Her writing entices readers along paths of erotic fantasy and desire to find fulfilling relationships. -David A. Crump, the Essential Experience workshop, ee.org Intelligent, candid and informative; a valuable service in a complex area of concern. -Drs. Marshall and Marguerite Shearer, www.docshearer.com. Dantes World of Erotica Dante X 2020-11-30 This is book 2 in the series. Contents. First time with Asian couple in the club. The Korean Girl. Thai wife loves big cock toy boy. The Mango resort -

Trevor. The Mango resort - Apple and the German. Excerpt from First time with Asian couple in the club. Her husband was now looking at my hand, as was Lynn, the Asian girl relaxed and retracted her hand leaving me to feel and caress her thigh. It was even softer than I'd imagined and so smooth. Lynn was still kissing around my bell end and I could feel the first twitches of my impending orgasm. As I explored her leg, she pressed into me again, so I slipped my hand down between her legs and felt the soft fleshy part at the junction of her thighs. Her husband eased out and I noticed his glistening fingers... he was definitely inside her. Looking up at me he nodded, as if he was giving me the go ahead to have a feel. She was now pressing her breast into my upper arm as my hand moved closer and closer to her most private place. Brushing my fingers over the gusset of her black leather knickers made her jerk and grab hold of my arm, pulling it closer into her breasts. Rubbing her nipples with the back of my arm, I pressed my fingers into her pussy. She was almost naked except for the tiny black leather knickers which made her look incredibly sexy and made me wonder why she was wearing them instead of a something easier to get into. Her husband was also watching, as was Lynn still caressing her breast with her free hand. I was caressing her other breast as the husband stared and then looked me in the eye, then looked down at Lynn. I knew what he was asking, so nodded as I pressed my hand deeper between his wife's legs making her part them even more. Lynn was staring at my hand, not believing what I was doing but clearly turned on as she was wanking me with long slow strokes occasionally sucking on my helmet. He slid to the floor and knelt behind Lynn, casually slipping his hand around to caress her breast. I moved my hand away and lay back, continuing to rub my arm against his wife's breasts. I could feel her hard nipples against my arm and her nervous trembling as I kept rubbing and pressing my arm into her. Now openly stroking and squeezing her inner thigh, she had her hand under my arm and was touching my thigh, like I was doing to her and getting closer and closer to my cock. Dipping down between her legs, I eased a finger up the tight leg opening and felt her wetness, it slipped in no problem as she was clearly so turned on and grabbed my hand, as if to stop me entering her. But I rubbed her nipple again with my arm and she released her grip letting me explore her beautiful smooth slit. Her husband was now caressing both of Lynn's breasts from behind as she watched me working between his wife's legs, but also her hand getting closer to my cock. Lynn sat up and stared at me as I watched him cupping her breasts and squeezing her nipples. Then she shocked me by reaching out and took hold of the girl's hand and moved it onto my cock. God it was such a turn on, I nearly shot my load as her hand explored me for the first time. She started stroking my shaft and as it was still covered in Lynn saliva, she rubbed it all around the head and teased me with her finger nails, dragging them up and down my length and around scrotum and bell end. I pushed my hand down deeper and managed to get two fingers inside her. She was so wet, I thought at first she'd peed herself but it was too sticky and soon realised she was incredibly aroused. Lynn was now caressing her thigh as her husband reached down between Lynn's legs at the back, obviously fingering her like I was doing to his wife. Both girls staring at each other as we all played and caressed each others partners. Lynn was so close to her pussy that I eased out and pulled her hand closer, she knew what I wanted, so slid her fingers up her leg opening and entered her.

Secret Sex Iris Finz 2007-04-01 Iris and Steven Finz have an uncanny knack for getting people to talk about the intimate details of their sex lives. For more than a decade, they have been interviewing people from all segments of society and, with the permission of their subjects, passing the stories along to their readers. They've talked to regular housewives and hard-working husbands, confirmed bachelors, computer techies, nurses, ski instructors -- people from every walk of life -- to find out how they keep their sex lives fresh and exciting. Their books about the sexual experiences and fantasies of real people have become standard night-table fare in bedrooms all around the world. Readers use them not only to add erotic parks to their own relationships, but also to develop a better understanding of the sexual behavior of others. In *Secret Sex: Real People Talk About Outside Relationships They Hide From Their Partners*, the Finzes take an explicit and provocative look at sex outside a committed relationship. Through various tales of sexual adventures people keep hidden from their significant others, the Finzes reveal how extramarital sex sometimes damages or destroys a relationship, and sometimes helps or even strengthens it. Working to understand the sexual behavior of the people described in this book will help readers to better understand his or her own sexuality. While we learn the most through observation, the civilized world provides little opportunity to observe others having sex. Consequently, many people form opinions based on the exaggerated worlds of novels and pornography. While these worlds are exciting, forming opinions based on fiction can lead to skewed perceptions of sexual behaviors occurring outside the realm of our own personal experience. In their unique approach, Iris and Steven Finz provide candid accounts and explicit information, both of which are essential to a true understanding of sexuality.
