Critical Examinations of School Violence and Disturbance in K-12 Education - Crews, Gordon A. 2016-02-02

In recent years, a rise in incidents of juvenile delinquency and violence in American schools has led to increasing concern among school administrators, students, parents, and the general public. The frequency of these cases calls into question issues of safety, risk factors, and prevention strategies within the modern

school system. Critical Examination of School Violence and Disturbance in K-12 Education is an authoritative reference source for the latest research on youth violence in schools, offering a thorough analysis of contributing factors to such incidents and possible solutions to prevent future occurrences. Highlighting relevant issues on zero tolerance policies, historical perspectives, and preventive actions, this book is ideally designed for school administrators, law enforcement, teachers, and researchers actively working in educational environments.

This blog is a record of battle as dictated by a
man with a fujoshi girlfriend. Okay, that was a
lie. I'm not fighting at all. The war is purely one-

My Girlfriend's a Geek, Vol. 2 (light novel) -

Pentabu, 2012-04-03

It was two years ago that I met Y-ko. She was my boss at the job I was working at the time. I was a student, and I had no idea what I was doing.

After a time, we ended up becoming boyfriend and girlfriend. It turned out she was a "fujoshi."

Not only that, but a "hidden fujoshi," one who didn't show any inkling of the sort around other people... But as a general rule, she never hides it around me. In fact... It seems more like she's intent on dragging me down that path with her. ...And I'll be honest. It's slowly but surely seeping into me.
