

How To Get A Woman To Do Anything You Want

Men Are Stupid Richard D. Wright, Jr. 2019-10-22 If you've lost your ex, not all hope is lost! In fact, you have every chance in the world to get your former partner back. And this book is one of the essential keys to doing it. You may have been advised to follow your heart if you wish to have the person you love back at your side. While that's certainly good advice, it is not all you should do. At the end of the day, you need to think of reconciliation as a goal. If you have a goal, then the next thing you need is a plan and a strategy. That means planning, considering the pros and cons, and carefully weighing your options. However, with this book you're in the best position to get your ex back - and it starts the very moment you start reading and implementing what I teach you. This book will explain some very simple tactics that can give your ex a completely different view of the person you are and get her to fall in love with you all over again. But more importantly, I will help you determine exactly why you lost her in the first place, how to shift your focus from her onto you to break the energy attachment, and show you how to keep her this time by actually becoming a better man and being her best option. While it may seem completely counter-intuitive but focusing on yourself is the critical first step in getting your ex back and keeping her. This book will start from square one and lead you through all the steps to getting the woman you've been after, whether it's your ex or someone even better. We cover the essentials to developing yourself so that you are attractive to women. How to determine what type of woman is best for you. How to pull off the romance she so desperately wants. And most importantly to your success, how to build your own self-confidence so that you are comfortable doing anything. If you master the techniques presented in this book, you will have all of the tools necessary to make women find you irresistible. I titled the book "Men Are Stupid" because so many men spend so much time and energy trying to play games and manipulate women all in an effort to "trick" her and get her into bed. I said men are stupid because they fail to realize that women are incredible creatures and are just as, if not more, sexual and sensual than men. They want sex just as much as we do. You don't need to play games or tricks. You just simply need to understand that women get turned on from the inside out. You must seduce her mind first, then everything else will open. The best way to find and maintain a relationship with a woman is to first understand how she operates, what turns her on, and how to keep her interested. Once you understand these key points you will unlock the secrets of seducing a woman. The first thing to do is to get inside her mind, and determine her inner workings. Once you truly understand how she works, everything else will fall into place. Good Luck in your journey!

Tapping the Little Girl in Your Woman Ryan Hale 2016-10-26 Something has do be done. Too many relationships are ending in divorce and heartache. I blame the men. I blame you. Don't get mad too at me just yet, let me explain my reasoning. Men have misplaced authority over their girl(s). They no longer dominate and take the reigns. They let the girl tell them what to do, feminizing them. Most people reading this know I'm 100% right, but people reading this will still get their feeling hurt and want to immediately criticize me for this argument. Many of you reading this book intro will be secretly condemning me to hell. Others will be upset with me for telling it like it is. Come up with whatever excuse you want, women are hardwired to submit and do as they're told. They are hardwired to be little girls. Here's my peace on this matter: The cause of a woman's unhappiness is the fact that they have been socially conditioned to believe that they have power, can manage independently, etc. etc. etc. A woman who knows her place, who obeys her man, who accepts him as her dominant - the girl is always happy and contented with being a submissive little girl. On the other hand - a woman who attacks men aggressively, spouts off all this equality crap, and who refuses to submit is ALWAYS unhappy, depressed, and miserable. If you happen to be a girl reading this, I hope this helps you better understand your problems. I am a man. I dominate. It's what I'm hardwired to do. I make no appologies for it. I am who God made me. I am a man. If you want to buy into the lie that men and women are equal, God forgive you. I am here to tell you that the solution or answer to most, probably all, of your relationship issues is your unwillingness to accept this truth. If you are ready to accept this truth, this book will help you with what to do next. You see, you must learn how to train your woman to be a little girl. This isn't hard, once you know what to do. This book will provide you sound practical advice and how-to so you can transform your relationship (and/or future relationships) with girls in the future. It takes a while to regress a girl back to childhood. I tell you this so you do not give up on your quest to change her back to her normal state, the state God intended her to be. Mainly what you are doing is un-doing the harm that social conditioning has brought on her since her interactions with other feminists, educators, television, internet, etc. We call this process re-education. Your girl must be re-educated if she's to find her happy place once more. I wish you luck. You'll need it. It took me awhile, I won't lie. The journey may not seem rewarding now, but reflecting back I can tell you it was some of the happiest moments in my life - training her to obey and be a little girl. The men I have taught this knowledge to have seen the dawning of a new erra in their relationships and lives. There have been incredible breakthroughs and transformation. Let me walk you down this path. Let me help you. Let's get started. The sooner we do, the sooner you'll fall in love with the little girl that is hidden in your woman. Let's free that little girl and let her know it's okay to emerge and be excepted. Your little girl will love you so much for taking the time to put her in her place and discipline her well. What Women Want When They Test Men Bruce Bryans 2015-08-13 Discover What Women Want in a Man and How They Secretly Test You For it If you pay close enough attention to what really attracts women, you'll find that what women want is a man with a backbone. Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man. Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender role dynamic in their romantic relationships. Even if a man knows how to attract women, cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure - men with strong boundaries and unwavering commitment. Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to sacrifice their manhood in the process. How to Understand Women and Pass Their Tests With Unshakeable Confidence Men around the world have no idea that the women they know and love are testing them. These men go about their lives interacting with the opposite sex in absolute darkness, ignorant to the fact that they're being judged, appraised, approved, and rejected based on their subconscious reactions to female testing. If you had no idea that women test men and why they have to, you're about to take a journey onto a road less traveled - the more mysterious side of female psychology and how women think. Attract Women Through Authenticity and Be the Strong Man a Woman Wants For a Relationship It's important for a man to learn how to walk that thin line between caring, thoughtful lover and firm, assertive leader. The man who masters the art of being the perfect gentleman and a strong alpha male is the ideal specimen to a high-quality woman. This is what you're going to learn in this book. So if you're dating or in a relationship and women constantly create drama, lose interest in you, or manipulate you, it's time you finally got some advice from one of the only relationship books for men that won't turn you into a doormat. Here's what you're going to learn inside: How to be radically honest with a woman and why this makes her MORE attracted to you. The reason why women test men CONSISTENTLY and how to use this knowledge to deepen a woman's desire. (Hint: This is the key to female psychology and how women think.) How to be confident with difficult women. What women want in a man and how to give it to them. How to make a woman happy without becoming a complete doormat of a man. How to seduce your wife and get her in the mood by responding like a MAN whenever she "pokes the bear." How to be firm and say "No" to the woman you love without destroying intimacy. How to keep a woman interested in you by doing the ONE thing MOST men are deathly afraid of doing. How to avoid unnecessary arguments, fights, and drama with a woman by using a simple communication technique. The best way to secretly test a woman's level of romantic interest in you (as well as her emotional maturity) before making a long-term commitment. The Angry Therapist John Kim 2017-04-18 Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls "self-help in a shot glass" is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let's face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong. When John Kim was going through the end of a relationship, he began blogging as The Angry Therapist, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR.

Models Mark Manson 2017-09-11 "You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, The Subtle Art of Not Giving a F*ck, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In Models he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, Models is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

F*CK Him! - Nice Girls Always Finish Single - a Guide for Sassy Women Who Want to Get Back in Control of Their Love Life Brian Nox 2016-10 The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them...just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome

your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
