*A Superstar Love Story* Saul Cuautle 2016-02-09 "Listen, I really like you." "Awww. I really like you too - you're such a good friend!" Those are words no one ever wants to hear. If you've ever uttered the words, "we're just friends," you know all too well the awkwardness of being in that situation. And if you've ever been told "we're just friends," you know the weird and embarrassing pain of telling your crush you want to take the relationship to the next level, only to be told they don't feel the same way. Many people from all walks of life face unrequited love and wind up in the "friend zone." What if I told you most people friend zone themselves? One of the reasons people end up being "just friends" is they are simply not attractive to the person they desire. Is it possible to get out the friend zone? Enter Angelo, an obese tech engineer in desperate need of losing 180 pounds of body fat. When serendipity introduces him to super fit Jean, he's instantly placed inside the infamous friend zone. Ignoring countless rejection and logical reasoning, Angelo embarks on a mythical journey over three mountains. Never giving in to despair, Angelo's astonishing journey shows you how far willpower, perseverance and love can take you. And that nothing's over until it's over. More than a book about struggling with the mystery of the friend zone dilemma, this insightful true story is about breaking down self-imposed limitations about what's possible in love, life and fitness. It showcases you must stumble in order to triumph, and the transformative power of the human mind. Witty, inspirational and unflatteringly honest, this feel-good drama appeals to the very essence of why romantic relationships are so hard to be successful. And why they're worth the often painful pursuit. Whether you're in a relationship, looking for a relationship, or happily single, you'll walk away with a renewed faith in dating and relationships. Saul Juan Antonio Cuautle is a writer, entrepreneur, and coach based out of Menlo Park, CA. He fell into all these roles by stubbornness or dumb luck. He writes about things that move him.

**Friend Zoned** Jennifer Sucevic 2016 Is it wrong to suddenly find yourself crushing on your best friend? The one person who has always been there for you? I'm kind of thinking that it is. What I know for sure is that absolutely no good can possibly come from it. My relationships tend to expire long before the gallon of milk sitting idly in my fridge. So why would I want to screw up the best relationship I've ever had? No brainer- I wouldn't. And yet I still can't stop noticing the way his piercing blue eyes pin me right in place. Or the unexpected urge I have to drag my fingers through his short thick blond hair. And those killer abs I sometimes catch a fleeting glimpse of when he stretches that big muscular body of his next to me in class? Yeah, you know it's bad when your panties instantly flood on the spot. And don't even get me started on the way soft cottony t-shirts fit across his ridiculously broad shoulders...Nope... I should most definitely not be noticing any of this. Nor should I want to claw out the eyes of the waitress who keeps flirting with him right in front of my face...Clearly you can see why I'm starting to freak out here. So, exactly how do I go about getting rid of these traitorous feelings that have oh-so-unexpectedly taken root? How do I rewind time to when I wanted nothing more than a platonic friendship from him? I haven't the faintest clue... I just know that I have to try my damndest to stop these nonsensical feelings from becoming even more entrenched. Because Sam is the one person I can't afford to lose. He's my absolute everything. Without him... yeah, I can't even begin to imagine my life without him filling it. I refuse to throw away eight solid years of friendship on fickle feelings of sexual attraction. So, no matter what happens, I can't give in to these feelings. Piece of cake, right? Wrong. So, so wrong.

Coping with the fact that you are indeed stuck in the friend zone feels nothing short of heart-wrenching. No one said it would be easy, but then again, every part of life is challenging. **No More Mr. Nice Guy** Ed Turner 2021-04-03 Have you always been the guy that all the girls you want to date or sleep with have always tag and treat you as a friend? Are you stuck in the friend zone's vicious cycle when all you want is to date the woman you are interested in and not become her friend? Or maybe you've thought why been so nice to women you are interested in is a bad idea, and you don't know how to stop being a nice guy who always gets the "I only see you as a friend" vibe from women? If you have always wanted to get the girl and not be her friend or close buddy, this book answers what you have been looking for. This short but value-packed book is for men who want to stop being a nice guy who always doesn't get the girl he wants and wants to turn to the man who women she likes and love want to date and even be so much in love with. Let face the truth, being a nice guy sucks! And yes, I have been there before many years ago when I am the chief resident officer of the nice guy villa while thinking I am so nice, agreeable, affectionate, gentle on the women I want, subtle and many more good words that I think women should love me for. But the harsh reality I faced then showed me I was doing everything wrong, which makes the girls I want to date only want to be my friend and nothing more. It's cool to be nice, but you know that being nice and even ultimately being a nice guy isn't working for you. If you have always been that nice guy, this book tells you everything you need to stop being Mr. Nice Guy who doesn't get the girl he wants to the one who is still nice and gets all the girls he wants to date and have a relationship with. In this book, you will learn: My journey as a nice guy for years and how a nice guy screwed me up many times and what you should learn from my nice guy experience will cause you to get any girl you want from now on. Why been nice is a bad idea when you meet a girl you love to date. The qualities you need to start developing as a man to make sure you stop getting the results you are getting now from women like a nice guy. Insanity, they say, is doing the same thing all the time and expecting different results. In this book, you will learn all the new things you should be doing and the mindset you should develop to win as a nice guy. What women need that you don't know. These things are what have helped you get friend-zoned as a nice guy many times. In this book, you will learn what women need, and in giving them that, you increase your chance of dating them and even sleeping with them (if you want to). I have been the poster boy for a nice guy for years, and after been tired of getting the same "let's be friends" vibe from many women I love to date, I started digging to learn what I was doing wrong and what I should be doing to get the girls I want. The result of my many months of digging helped me for years to start dating hot women I would have never been able to date before I started fixing my nice guy problem. If I can overcome my nice guy problem, then why not share all I know with other nice guys out there who are seriously looking for a solution to stop being a Mr. Nice Guy. The result of that, though, is this book. You will learn a lot about how not to be a nice guy again in this book, and I guarantee there will be a shift in result for good if you read this book and implement everything you will learn in the book.
