Living Fantasy Chris Roberts

The Way Home Megan Chance 2011-07-20 Eliza Beaudry was determined to leave Richmond and poverty behind, and if that meant trading a few kisses for her freedom, she was more than willing to do so. When handsome gambler Cole Wallace sauntered into town, she saw in him her savior. With no other choices, Eliza turned to Cole's shy brother Aaron. He was nothing like the man of her dreams, nor was his farm in the middle of West Texas nowhere. Learn the Game Canello 2014-03-13 This book talks about the basics of dating science. It presents an introduction to a new lifestyle. A lifestyle which is more social, more interesting and more fun. It shows you the way how to make every night out a new adventure and how to increase your success with the other gender easily just by making a few adjustments in your day to day routine.

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Lake Of Sins: Betrayed L. S. O'Dea 2017-07-03 War is coming to the forests of the Lake of Sins. Hugh has to figure out how to win this war when there are dangers everywhere—the River-Men, the Protective Services, the Brush-Men, Cold Creepers (just to name a few). Plus, he's going to have to break his word to Trinity or Meesus, maybe both, and that'll go over about as well as a hungry Tracker in a kindergarten class. Trinity is tired of Hugh not including her in his war sessions. She's an asset to the Allied Classes and he needs to realize that, but before she confronts him she must choose between her attraction to Hugh and her feelings for Jethro. Hopefully, she can do that before hurting either of them and before her big heart gets her in trouble as Mirra predicted. Jethro is changing. He's now travelling with the Protective Services and it's like he was born to live in the forest—to hunt, to chase, to kill. As the wild in his blood grows stronger, he's torn between what he was raised to believe and his growing desire for Trinity. After each battle, he wants to mate and the person he wants to mate with is Trinity. When his blood is roaring through his body, it doesn't matter that she isn't an Almighty. It doesn't matter that interclass relations are wrong. All that matters is that he possess her. As the hunt for the Allied Classes heats up, battles between the Protective Services and the forest predators spiral out of control, pushing Jethro to the edge of his humanity. More battles and more betrayals in book four of the dystopian, genetic engineering fantasy series.
