Kiss of the Irish Lauren Hawkeye 2017-05-15 If Sarah Mercer had ever been asked to describe herself in one word, it would be sensible. After all, she had a steady job. Made prudent decisions. Was in what she thought was a logical relationship. But when her fiance dumps her for an exotic dancer, Sarah decides it's time to change...everything! The first thing on her agenda? To get out of town and take a three month trip to Ireland. She'd always been captivated by the Emerald Isle. But maybe she shouldn't have hooked up with her new landlord on the first night in town. Cian Murphy wasn't supposed to be her type. His arms and chest were tattooed, and he had piercings everywhere. Still, he made her feel beautiful, sexy...alive for the first time in years. Falling for the Irish hottie was as natural as breathing. But figuring out what she'd do when it came time to leave? Not so easy...

The Mystery Method Mystery 2007-02-06 "One of the most admired men in the world of seduction" (The New York Times) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's New York Times bestselling exposé, The Game. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." The Mystery Method: How to Get Beautiful Women Into Bed shares tips such as: *Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. *Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. *Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. *Smile. Guys who don't get laid, don't smile.

In 'How To Kiss A Girl For The First Time, ' Jessica James gives you tips about kissing to keep you relaxed and confident while your lady will be left breathless. collided with a body. That moment a thought occurred; a means of getting rid of the British. Without thinking twice, he grabbed the young lady and kissed her. He was stunned when he met soft lips. It had been a cover to divert their attention but he enjoyed it. He ignored her slaps on his chest and continued kissing her deeply, savoring her taste. He could barely see her face but he knew she was soft all over. "Stop fighting." He warned aggressively, the last thing he wanted was for her to make the soldiers believe otherwise. "He's no where in sight." A voice yelled a few inches from them. There were a few mumblings and Benjamin relaxed when he heard the horses go away. A slap greeted him catching him unaware. "You bastard!!" yelled a soft voice matching the mouth he had kissed. A piercing pain seared through him, he clutched his stomach and bent over, he cursed as he swam into unconsciousness. *** Ashley stared at the body on the ground, what in heavens name was going on? What was she to do? She didn't even know him. She blushed when she remembered the kiss, how dare him? She had been scared out of her skin when she had been grabbed by a stranger. If only she had not gone to see the late night play. She knew he was trouble, he was being looked for, that much she knew. The best thing was to leave him here or call the soldiers attention to him. Those thoughts were shoved aside when she knelt by him, a wound by his lower side was gushing blood. She could not let him die, she shuddered when she thought of what they were going to do to him. Burn him, and make him an example for other patriots, she could not let his death be on her. There was no way she could carry him, he weighed a ton. So she dragged him. She was glad no one was awake, there would be no explanation she could give. Quietly she dragged him up the stairs and into the attic which was her room. She sighed in relief when she finally got him on the bed. With the burning lantern she was now able to look at him. Bloody hell!! He was handsome. His dark hair was long and fell over well shaped eyes with long lashes. His face was well chiseled

with cheekbones. His lips were firm that much she knew and he spotted a beard. She wondered what a fine man like him was doing with the resistance. His groans brought her back to reality and she grabbed a pillow which she placed over his mouth to keep him quiet. She grabbed a first aid kit and brought out a few supplies. Her hands hesitantly hovered over his cotton shirt, with a sigh she lifted it up and found herself smiling. Not only was he handsome but had a beautiful body. She frowned when she saw the wound, someone had done a bad knife job on him.
