a woman cannot respect you as a man, she won't be able to trust you. If she isn't able to place her trust in you, she simply cannot fall in love or STAY in love with you. Discover the Secrets of What Women Want in a Man Most guys simply don't know what women want in a man. Because of this, they try all kinds of "seduction tactics" to attract women, and only end up with low-quality women and terrible relationships. If you ask the average guy what women want, he may say things like confidence, money, or ridiculous good looks, but all of these things are just the tip of the iceberg. Here's what women really want from men... Security. How to Get the Respect, Desire, and Unwavering Loyalty of a Woman If you can communicate to a woman that you're a man that can offer her security in the world, she will give you her heart and more.
