Jeux Stuart S. Maudlin 2007-06 Girls like attention-even the ones that are taken. Twenty-six-year-old Charlie is still in school and works in a bookstore. All his friends, however, have grown-up careers and committed relationships. Charlie seems to be left behind. But one attractive dancer has the power to change that. Charlie's best friend, Doug, and Doug's fiancée, Marisol, throw the ultimate parties, the key element of which is couple-driven drama. Charlie has always been a spectator to the "games" (always the groomsman never the groom). That is, until Doug and Marisol have a housewarming party on the eve of the holiday season-and Charlie meets Victoria. Adorable with her fair skin, deep brown eyes, and pixie haircut, she instantly captivates Charlie and reciprocates his flirtatious banter during a passionate conversation about the ballet. The small space between them fills with electricity and just a touch of tension. But his cool confidence comes to a screeching halt when he sees the ring. Not just any ring-an engagement ring. Set to the backdrop of the weird things that can transpire in life during the dawn of adulthood, Jeux is a charming boy-meets-girl novella that explores the age-old dilemma, doing what is morally right versus doing what makes us happy.

Mister Naughty Cat Johnson 2020-11-24 How I, Stone Morgan, went from the fall harvest to secretly writing online dating and sex advice for the males of Mudville, I can't figure. All I know is I blame Harper for it. Apparently dating a writer has done something to my brain. But that's not the worst of it. Oh no. My bigger problem is that my youngest brother is sprinting to the altar, intent on a Christmas wedding with a woman he's known for barely a year. Boone beating us to "I do" is not going to sit well with my girlfriend. It should go over about as well as the news that I'm the author behind the column she loathes. What will happen when I finally confess that I'm secretly Mr. Naughty, the man she's declared her arch-enemy? Hell if I know, but I don't need any advice column to tell me that my holiday this year is not going to be merry. If you love the small-town romance and family series like Bella Andre's Sullivan family, or Pippa Grant and Lili Valente's Happy Cat series, you'll love Cat Johnson's stories set in Mudville and all the small-town crazy inside. Don't miss these standalone stories in the series: Kissing Books, Red Hot, Honey Buns, Zero Forks, Undercover Santa, Mister Naughty, Dog Days and Bad Decisions

Twisted Jo Gibson 2014-07-01 From master of suspense Jo Gibson comes three novels of year-round terror--where the holidays are more than a little nerve-wracking. They're totally twisted. . . My Bloody Valentine It's Valentine's Day, and everyone at Hamilton High is excited about the big dance. Six girls are competing to be Queen of Hearts. Unfortunately, someone is taking aim at the contestants--and it's not Cupid. Unless Cupid is a deranged killer with a sharp knife and a deadly message. Be mine. . .or else. The Séance There's nothing like a killer party on Halloween--especially when it's in a secluded lodge in the woods. But when Jennifer Larkin's friends insist on holding a seance--in spite of the warnings of a local psychic--it's anything but a game. For the spirits are vengeful. The partiers are prisoners. And no one gets out of here alive. . . Slay Bells The new Crossroads Mall is the place to shop this Christmas. So when a snowstorm traps Diana Connelly and her friends inside, they don't even mind staying the night. Until the accidents start to happen. And Diana's friends begin to die. One by one. Naughty or nice. 'Tis the season. . .to be murdered.

The Burgess Theory Tobi Nifesi 2019-05-23 The burgess theory is a psychological thriller about a young man who, in an attempt to get over his traumatic childhood, has to come to terms with gruesome secrets about his own past and personality. Excerpts: "It felt like someone was unscrewing something inside of me. It hurt badly. I told him he was hurting me and asked him to stop but he didn't. Instead, he went at it with even more force. I tried to scream but before I knew it, his other palm was right there, covering my mouth. I was just there with my back against this brick wall in this dimly lit alley. I was making muffled sounds and crying but with the loud music blaring from the party that was going on inside, no one could hear me." - Page 61 I thanked her and before she left my room, that afternoon, she said, "One day, you too might find yourself in situations beyond your control. When that happens, do your best to be true to yourself. Have one colour on all sides." - Page 82 "You can always control yourself, Christian. When another human is screaming at you and trying to tell you no, your mind registers that and your body can choose to follow suit. You can and could've controlled yourself." - Page 98

Good Vibrations Marg McAlister 2015-11-24 Georgie is really looking forward to a week's relaxation by the sea with no work and no worries — just sun, sea, and sky at a 60s-style beach party with her friends. It sounds too good to be true! Unfortunately, it is. A desperate woman reads about her

in the local media and comes to find the gypsy fortune-teller who might be able to help her locate her partner's missing child. Georgie can't say 'no' to anyone who really needs help, and especially someone who has lost a child. She takes one look at the photo of six-year-old Marylou with her father on happier days and instantly agrees to help. What she doesn't count on is that perennial pest, TV presenter Jaxx Saxby, turning up to jeopardize her whole investigation. Jaxx's agenda is twofold: one, to win Georgie's brother Jerry for herself (dismissing the fact that Tammy has a prior claim) and two, to figure out what Georgie is up to so she can use it on her show. With romance in the air, a difficult case to solve, and Jaxx Saxby to avoid, Georgie soon finds that she's never been so busy—or, as it turns out, so wrong about everything. Will she be able to fix things in time?

Still On Herring Cove Road Michael Kroft 2014-11-08 Dewey is moving, and he couldn't be more excited; though, he's alone in his enthusiasm. Lisa, his mother, and recently retired Avriel, his next-door neighbor and best buddy, don't share in his excitement regarding the move from their suburban bungalow to a dirty basement-level apartment in the lower-class area, where two murders have recently occurred. This sometimes lighthearted and at other times intense novel follows naive Dewey as he befriends two 'different' streetwise boys, learns the pros and cons of friendship and is then stalked by a killer preying on children. Please note: Within this continuing story of Avriel and his friends are two short sections (several pages) that may be disturbing to some readers. ABOUT THE SERIES Taking place in Halifax, Nova Scotia, the series follows the sometimes amusing, sometimes heartwarming, sometimes heartbreaking and sometimes terrifying events that follow an introverted old Jewish man's retirement as he reluctantly befriends a naive and lonely boy, his struggling single mother, and lastly, a boy streetwise beyond his years. "I don't usually enjoy books in a series but this was an exception. It was uplifting, and interesting with some twists I didn't see coming...It wasn't all sweet and goody two shoes either. It had some dark and realistic moments and characters. Very well written." -(Amazon Customer) Volume 1) On Herring Cove Road: Mr. Rosen and His 43Lb Anxiety Volume 2) Still on Herring Cove Road: Hickory, Dickory, Death Volume 3) Off Herring Cove Road: The Problem Being Blue Volume 4) Before Herring Cove Road: Ruth Goldman and the Nincompoop

Life Is Short and So Am I Dylan Postl 2019-09-10 Heart, determination, and triumph This is the story of a boy who fell in love with wrestling before he was able to walk. Born with achondroplasia, a condition that causes disproportionate dwarfism, Dylan Postl had endured multiple surgeries by the age of 12. And yet, he held on to the dream that he would one day become a professional wrestler. Ignoring the naysayers and against doctors' recommendations, Postl began training in his teens, and he soon began appearing on local independent shows. Before he turned 20, he was signed by WWE to play the role of Irish grappler Finlay's feisty sidekick, Hornswoggle, and remained a fixture in the company for a full decade. While most of Postl's adult life has been spent in the wild world of the wrestling industry, his is more than a story of a little person's journey through a world of giants; it's a memoir of elation and anguish, triumph and disappointment, and of how an endlessly positive outlook combined with the unwavering support of family and friends helped a long shot become a success in his industry and a loving, responsible father.

A Superior Romance Robert Williams 2006-08 When I began working on this story I had a specific goal in mind-I wanted to give my grandchildren some sense of the kind of person my father was. He was encouraging, he was knowledgeable, he was helpful and he was a good listener. He was such a big influence on me but he did not live long enough to ever see my grandchildren. I was afraid the only thing they would ever know of him was a name on a marker in a cemetery so I thought I should put together some of my memories of Lee Williams. Alas, as I organized my ideas I ran into a problem. I couldn't write about Dad and my teen-age years without telling of my teen-age romances. I didn't want to hurt anybody's feelings so I had to alter some stories and craft new ones. And once the stories became fiction this story literally began to re-write the past. When the world of fantasy is found to be so much more pleasurable than the real world what is wrong with enjoying our dreams for a little while?

Bitter Sweet Al Duhan 2012-09 After escaping from a tortured childhood in Connecticut, I left home at a young age and traveled to California. The torture had followed me where ever I went. There was a battle between the officer and I but was able to escape. I was captured and incarcerated for the robbery that I had no knowledge of. While I was serving a two year sentence, my fiancée Bonnie, was raped and became pregnant with his child. She pleaded for me to stay, but not having employment, I must return to Connecticut. We were talking about her baby and I told her "I could still love you but I could never love the baby". Then I heard strange noises. She was punching her stomach and screaming, "I will kill it I will kill it for you. I screamed back at her "I had nothing to do with this. But I knew I should have never said that. Then I had a nightmare, that I went back to California to see Bonnie, I was able to see that she was lying with her hand in a large pool of blood, "Why God, Why her! Was this a "Paranormal Migration". The story that you are about to read has been compared with novels as Love Story & Splendor in the grass. But has much more excitement and nerve racking moments. Features Love, Rape Murder and false imprisonment and is a must read for all people entering their road to life.

Daring the Hockey Player Willow Fox 2023-08-18 I didn't plan on dating a hockey player. It just kind of happened. At least that's what I'm telling everyone. Except maybe I did plan it. Maybe it wasn't a coincidence at all... Jasper Greyson is hot, flirty, and the epitome of trouble. But he's off-limits. He's my sister's brother-in-law, or at least he's about to be, which kind of makes us family. I should be staying as far from him as possible, except I like hanging out with him, watching him on the ice, and grabbing drinks with him and the guys. Yes, I intentionally showed up when I knew he'd be at the bar because he posted it on social media. I've been stalking him. I keep telling myself it's a harmless crush. Feelings don't have to be

acted on. We're friends. I'm not sure he'll ever see me as anything else. That's problem number one. I've been friend-zoned. Problem number two. My apartment complex caught fire, and I don't have insurance. I have nowhere else to go. And when Jasper finds out, he insists that I stay at his place, in his guest room. Stalking my crush online is one thing. Living with him is entirely something else. This steamy rom-com hockey romance contains no cheating and no cliffhanger. It features characters from *Faking it with the Billionaire* but can be read as a standalone. HEA.

Battle of the Blood Moons Diane Shauer 2014-06-26 We are conditioned to believe what is visible is more important than the invisible, we couldn't be more deceived; the visible world is less than one percent of our reality. In everyday life, there are creatures we cannot see, demons hiding all around us, in an invisible realm. Humanity lies at the center of an interdimensional conflict as old as time. On one side stand the demons of the great void, corrupting, harvesting, and feeding on human souls. Arrayed against the darkness are the illumine races, beings of light residing in the eleventh dimension. Everyone on earth has a stake in this war. Knowingly or not, no one stays neutral. Humanity's every act shifts the balance in this unending struggle, pushing further into the light—or pulling back into the darkness. In the midst of a messy divorce, Deidre Kollister discovers her sacred role in this hidden, vicious conflict. A sonic warrior of light, Deidre is one of twelve souls who agreed on a perilous mission before birth: to prevent the upcoming soul harvest, a terrible event set to begin with an ancient celestial sign. The Ben-Adon Scrolls William Planck 2019-01-23 The Dead Sea scrolls calls it the conflict between the Sons of Light and Sons of Darkness. We know it as a spiritual struggle between good and evil. Over the years, it has taken on many different identities, but the struggle remains the same. Which way should you go? There are no facts to set on, no escaping to the desert or a cave. The struggle is here. It is real, and we must deal with it. The Ben-Adon Scrolls tells the story of just such a struggle. It is the story of a people who are exposed to the tale of the first three years of the ministry of Jesus of Nazareth, his crucifixion, his resurrection, and his ascension. Everyone has the same information, but the reaction varies according to their background, their conscience, and the dictates of their upbringing. Pontius Pilate put the question to the chief priests when he freed Barabbas. "What then should I do with Jesus called Christ?" This question has come down through the ages. It has been confronted by Paupers, kings, and every other class of humanity. This book will help you define or redefine your answer to this most important question. Some of the characters are fictitious and some are real, but they will all be affected by the conflict of their day. This conflict is not over. It is just as present today as it was some 2,000 years ago, and everyone confronted by it. Ask and it will be given to you; seek and you will find.

Indigenous Motherhood in the Academy Robin Zape-tah-hol-ah Minthorn 2022-08-19 Indigenous Motherhood in the Academy highlights the experiences and narratives emerging from Indigenous mothers in the academy who are negotiating their roles in multiple contexts. The essays in this volume contribute to the broader higher education literature and the literature on Indigenous representation in the academy, filling a longtime gap that has excluded Indigenous women scholar voices. This book covers diverse topics such as the journey to motherhood, lessons through motherhood, acknowledging ancestors and grandparents in one's mothering, how historical trauma and violence plague the past, and balancing mothering through the healing process. More specific to Indigenous motherhood in the academy is how culture and place impacts mothering (specifically, if Indigenous mothers are not in their traditional homelands as they raise their children), how academia impacts mothering, how mothering impacts scholarship, and how to negotiate loss and other complexities between motherhood and one's role in the academy.

Broken Contract Martin Kraidin 2014-07-01 When a college all American named Martin Kraidin saw a high school honey named Lynn Konick walk across the campus it was not just love at first sight it a was future so bright, so envied, it was set in the astrological stars. Marty was a promising dental student, both at the top of his class academically and head of his class in popularity as the student body president. Lynn, an attractive but shy high school gal who'd been sheltered by her very successful Main Line Philadelphia parents, blossomed in the wake of Marty's drive and ambition. Theirs was to be the quintessential love story. But how could it have all gone so wrong? His young wife ripped from his arms and heart, a son he was never to see...plunging both into a two decade odyssey of ill-fated relationships, love turning to hate, an emotional void. Could it have all just been the lust of youth and not a love for the ages? In 1984 a letter arrived for Dr. Kraidin from a young Stephen Levinson. Stephen Levinson was the son Marty had never known and the link to the only love he had ever known. The letter was the key to a second chance—at life, at love. For theirs was a

love that was meant to be. Nothing would now keep them apart or so they thought. This is the true story of two people who may have been able to defy the odds...but not the fates.
