Ordinary Injustice Alfredo Mirandé 2023-11-28 *Ordinary Injustice* is the unique and riveting story of a young Latino student, Juan Rulfo, with no previous criminal record involved in a domestic violence dispute that quickly morphs into a complex case with ten felonies, multiple enhancements, a “No Bail” order, and a potential life sentence without the possibility of parole. Building from author Alfredo Mirandé’s earlier work *Rascuache Lawyer*, the account is told by “The Professor,” who led a pro bono rascuache legal defense team comprising the professor, a retired prosecutor, and student interns, working without a budget, office, paralegals, investigators, or support staff. The book is a must-read for anyone interested in race, gender, and criminal injustice and will appeal not only to law scholars and social scientists but to lay readers interested in ethnographic field research, Latinx communities, and racial disparities in the legal system. The case is presented as a series of letters to the author’s fictional alter-ego, Fermina Gabriel, an accomplished lawyer and singer. This narrative device allows the author to present the case as it happens, relaying the challenges and complexities as they occur and drawing the reader in. While *Ordinary Injustice* deals with important, complicated legal issues and questions that arise in criminal defense work and looks at the case from the time of Juan’s arrest to the preliminary hearing, indictment, pretrial motions, and attempts to obtain a negotiated plea, it is written in nontechnical and engaging language that makes law accessible to the lay reader.

How to Make Him Fall in Love with You James Kipton 2014-11-09 Keep in mind, a woman can do certain things in a relationship that actually make the difference between an engagement ring and a bad breakup. Now, while most guys won't admit it, the details that we will discuss really can make them fall head over heels in love with a woman. Of course you won't get a complete stranger to fall in love with you like this, but if you're dating a guy who's already expressed some interest in you, it will definitely help him see you in a lovable light and not want to let you go. These steps can help anyone give their man that final push from possibly falling in love to being in love and wanting to further cement their relationship into the future. Before we get started, I'd like to note that I'm not suggesting that you manipulate the guy you're dating in any way. Taking time to be honest with him and showing him every side of your personality is important. None of the recommendations in this book will suggest that you change any aspect of your natural-born personality. On the contrary, I'll explain how to show him that you are a perfect match for him exactly as you are. Let's get started!

50 ways to make him love you more Celine Claire 2022-02-26 This ebook gives you helpful tips on how to make him love you more. Tip number one. Don't attempt to change your man. As tempting as it can be, don't attempt to change your man to suit your ways, especially if he's happy the way he is. If your man feels like you accept him for who he is, he will cherish and love you more. There is a lot of power behind a woman who inspires her man to be the best version of himself without making him feel imperfect. Tip number two. Don't force your man to like the same things as you do.

Understand that your man is a separate human being from you, and he had a life before meeting you. If you find that your likes are conflicting with his, don't make him feel guilty for not enjoying the same stuff as you do. Your man will feel more peaceful and will love you more for not pushing him around like a child to do the same things as you do. Translator: Celine Claire PUBLISHER: TEKTIME
