A Woman of Good Character - Charlotte Macdonald 2015-12-23

Between the 1840s and 1880s, thousands of young single women came to

New Zealand as assisted migrants from Britain and Ireland. In this detailed study of forgotten lives, Charlotte Macdonald highlights the experiences and identities of a vitally important migrant group, one previously overshadowed by the stories of gold diggers, pastoralists, soldiers, adventurers and agricultural labourers. Macdonald, a pioneer of research into women's history, brings a new perspective on New Zealand's European settlement. Her compelling study will appeal to

anyone seeking to investigate the origins of contemporary New Zealand identity.

Just Ask a Woman - Mary Lou Quinlan 2003-05-26

An enlightening blueprint of the secrets of reaching female consumers from the expert Just Ask a Woman is a powerful book about how to tap into female consumers' needs. Mary Quinlan, the founder of the premiere consultancy dedicated to marketing to women, has personally interviewed 3,000 women in the course of her research for Just Ask a Woman. Women are the decision-makers in an estimated eighty-five percent of household buying decisions, and yet far too often, products marketed specifically to them fail to connect with their needs. Here, Quinlan explores topics such as how women judge brands and advertising, how they make decisions, the effects of stress on their consumer behavior, and their increasing demands for service and communication. Quinlan rejects the traditional focus group approach in favor of highly energized and intimate talk sessions where women reveal their deeper feelings about products and services. In Just Ask a Woman marketers, brand managers, and advertisers will find a revelatory resource filled with ideas and action steps for building your brand with women-from a woman who has walked in a marketer's shoes. Mary Lou Quinlan (New York, NY) is the founder and CEO of Just Ask a Woman, a marketing consultancy dedicated to building business with women. Just Ask a Woman is a division of bcom3, a \$15 billion global communications firm whose clients include Citigroup/Women & Co., Lifetime, Saks, Hearst Magazines, Toys "R" Us, and Time Inc. Known as a brand-turnaround expert, she has helped to remake brands like Avon and Continental Airlines. Quinlan has been quoted in The New York Times, The Wall Street Journal, Fortune, Fast Company and Advertising Age and appeared on ABC, CNN, CNBC, Lifetime LIVE, Fox and nationally syndicated news shows. Her articles have been published in Marie Claire, Good Housekeeping, Redbook, and More, among others.

DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

How to Attract Women If You're Not That Attractive - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

A Savage Presence - WL Knightly 2020-10-23

Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale.

Pink Sari Revolution: A Tale of Women and Power in India - Amana Fontanella-Khan 2013

Describes the Pink Gang, an Indian women's grassroots vigilante group, 20,000-members strong, who fight for women's rights throughout the country and highlights the stories of the women they have helped and the tactics they used. 10,000 first printing.

The Grey Woman - Elizabeth Gaskell 2020-10-26

Anna, a German mill-owner's daughter, marries a French aristocrat and

moves to France. She discovers that her husband killed his previous wife and that he is trying to kill her as well. Quick, intriguing, and with an extremely interesting plot, 'The Grey Woman' (1861) is a short story by Elizabeth Gaskell for anyone who enjoys a good gothic shudder. Incredibly progressive for its time, it is about the survival of the ill-treated woman who has decided that enough is enough. Elizabeth Cleghorn Gaskell (1810-1865) was an English novelist, short story writer, and biographer, best known for her novels 'North and South' and 'Wives and Daughters' as well as her biography of Charlotte Brontë. Gaskell was viewed as a minor author until the 1950s where it became evident that her depiction of industrial environments and social problems was brilliant and poignant.

All the Year Round - 1894

Here My Home Once Stood - Moyshe Rekhtman 2008

As a fourteen-year-old Jewish boy who had rarely ventured outside his small, remote village, Moyshe Rekhtman may seem an unlikely escape artist. But his iron will and quick wit allowed him to survive when all seemed lost. Staging escapes from death camps and avoiding Nazi pursuit through the frozen Ukrainian countryside—all while facing the loss of his family, famine, constant threat of capture, torture, and execution—would be a monumental task for the strongest of men. Despite his mild manners, emaciated body, and poor vision, he evaded the death squads in Nazi-occupied Ukraine for four years. Moyshe's Holocaust memoir is a remarkable example of human fortitude during a time when many welcomed an end to their suffering.

The Youth's Companion -

Atlantic Monthly - 1870

The Love of a Good Amish Woman - Rosalind Lauer 2022-12-27

An overworked bishop and a resilient widow are a help to nearly everyone in their faith-filled Amish community of Joyful River, Pennsylvania—but what will help them see just how right they can be for

each other? Collette Yoder's path hasn't been easy since her husband abandoned her—and she recovered from a near-fatal injury. But now-widowed, she feels blessed to provide for her children, especially when her new job means helping the also newly widowed Bishop Aaron Troyer straighten out his too-busy life. She simply won't let herself hope too much that their friendship could blossom into much, much more . . . Aaron Troyer can only thank Gott that he's finally found help. With a thriving congregation and two lively daughters growing up fast, the bishop has more demands on his time than hours in the day. And he's long admired Collette Yoder's quiet courage and ability to find joy in the smallest things—an inspiring example for three visiting English girls. But amid unforeseen trouble and strife, Aaron may realize that his admiration for Collette could lead to a lifetime of joy together . . . Praise for An Amish Homecoming "Biblical themes of faith and love echo throughout. . . . Lauer's fans will be satisfied with the happy endings and eagerly await the next trip to Joyful River." -Publishers Weekly

Small Groups - John M. Levine 2008-02-19

Research on small groups is highly diverse because investigators who study such groups vary in their disciplinary identifications, theoretical interests, and methodological preferences. The goal of this volume is to capture that diversity, and thereby convey the breadth and excitement of small group research by acquainting students with work on five fundamental aspects of groups. The volume also includes an introductory chapter by the editors which provides an overview of the history of and current state-of-the-art in the field. Together with introductions to each section, discussion questions and suggestions for further reading, make the volume ideal reading for senior undergraduate and graduate students interested in group dynamics.

Good Woman - Lucille Clifton 2014-04-17

Finalist for the 1988 Pulitzer Prize for Poetry A landmark collection by National Book Award-winning poet Lucille Clifton, Good Woman: Poems and a Memoir 1969-1980 includes the four poetry collections that launched Clifton's career—Good Times, Good News About the Earth, An Ordinary Woman, and Two-Headed Woman—as well as her haunting

prose memoir, *Generations*. In honor of the 30th anniversary of Lucille Clifton's Pulitzer Prize-nominated poetry collection and memoir, *Good Woman* is now available for the first time as a deluxe eBook edition. Enhanced with previously unpublished photographs from the Lucille Clifton Estate and a special foreword by Aracelis Girmay, this eBook is a must-have for longtime Clifton fans and newcomers alike.

To Have, to Hold, and to Never Let Go - Cattina C. Coleman
2012-12-28

I am a woman of many attributes and as impressive as my background is I too find it hard to juggle a relationship, family, friends, and my career. With a two year old son, a new found relationship with a handsome young man who is just a year younger than me but so much wisdom he could teach a teacher; still pursuing my Doctorate Degree in Business,

and building a company from the ground up; has definitely put my life in the fast lane. The inspiration to my book was having seen male friends of mine who are battling their own love lives and or the family. I wanted to create a book to help guide them in a path where they too can understand where we women are coming from when we ask them a million and one questions about relationships and family. So in my book *To Have, To Hold, and To Never Let Go*, I am letting men know the inner thoughts and acts of women and show how we are not that much different from you guys in the sense of commitment. The same thoughts you men have us women have too; we just go about them a little differently. So in this book allow these chapters to guide you men on how *To Have a Woman, Hold a Woman, and To Never Let Her Go*.
