Blind Her Mind Make Her Mind The Nameless Hypnotist 2015-03-06 Have you ever wondered why some people men can get their girls to obey, while others can't seem to manage themselves? A lot of this has to do with a man's lack of knowledge when it comes to girl obedience training. Most men simply don't know how to handle a girl appropriately. Why do you think this is? The answer may have something to do with the fact that a girl's mother, during childhood, handled her most of the time. The mother reprimanded the female child while the father was left to work and provide for the family. Whenever a girl was reprimanded by her father it was usually a harsher experience than what it was compared to when the mother scolded and punished the girl. Girls may have had some fear or apprehension, even trust issues, when it came to the first man figure in their life. For this reason there exists a disconnection between men and their girls. Believe me when I tell you that it is easier to train a girl than you may think. You see all you really have to do is master the art of Chinese brainwashing techniques. I'll explain more about this in this book, not to worry. Throughout this book, in fact, you're going to learn a lot of things that will help you properly train your girl so she obeys you without question. She'll love to obey you when you apply these techniques. She'll be upset with herself when she disobeys in fact. It's pretty neat, I think you'll find. Imagine the man fixing to get divorced. He can't stand his girl and probably neither can she stand him. What if I told you I could help you fix this problem? Would you pin your ears back and read this book from cover to cover to learn the secret? Of course you would. And, let me say once you learn these techniques you'll be much happier and so will your girl. I am really excited for you. I think your life is going to greatly improve and quickly. When you have the world's best relationship with your girl life can be, well, pretty sweet! Sex is awesome! The way she takes care of you is incredible! The way you think about life is astonishingly different-perfect actually! I want to encourage you to really get ready for the task at hand. Listen; there is a window of opportunity, starting now, that is opened up for you to make a decision right now to change your future for the best. You can't get this moment back, and, yet, it does require that you open up your mind to what is possible, take a leap of faith, suspend any doubt or disbelief you may have, and simply have faith that your life is about to move in a new and more positive direction. People who wait; who are indecisive; who can't seem to make a right decision, when it is presented to them as an opportunity, these people live in mediocrity. Don't be one of these people. Read this book. Learn from it. Apply what you learn. And, create a better life for you and your girl-a life that is happy and one that rewards both of you equally. To do this you first have to make the decision that you are going to take action now and obedience train your girl and simply take control of her mind so you can make her decisions for her-and, well, be a man. Read this book now. Do not delay. Your future is at stake. You do not want to make a mistake. Read this book now. -The Nameless Hypnotist

Training Your Girlfriend to Submit and Obey Ryan Hale 2016-10-17 Making a girlfriend obey has several benefits. Training her can be a long road when your desired outcome is the perfect girl who does as she's told, who worships you with all of her love, and who would never cheat on you or think of doing anything that displeases you. Please don't think this book is a book for misogynistic male archetypes who seek only to control their universe and who have mommy issues. This book is for the 'real' man who knows his place, his girlfriend's place, and who wants the world to be playground. A true man showers his girlfriend with love when she obeys and submits to him and punishes her when she disobeys and gets out of line. There has to be law and order in every relationship. There has to be someone who is in control, who has the upper-hand, and, let me suggest, if it's not you (the man in the relationship), then it is probably her. You must learn to dominate and this means teaching her to submit. If you don't, you'll never have a truly satisfying relationship that is tighter than glue. This book is going to teach you techniques for making her obey and submit to you. It is going to provide you with a lot of sound practical advice and help you along this wonderful journey of training her to obey and submit. I want you to get excited, because a girl who obeys and does as she's told is a happy girl, one who loves you, one who truly cares about you and your happiness. This is what makes her happiest. If you have gone through a lot of relationships, had little luck with girls, then this book will be eye-opening and refreshing for you because you'll finally learn what you've been doing wrong and how to correct it. You will be correcting yourself by learning how to correct her. A girl who obeys you and who is submissive is the perfect girlfriend, isn't she (?), since a girl who doesn't is bitchy and controlling and constantly a problem for you. I welcome you. Are you the kind of guy who has trouble relating to women but who longs to find a girlfriend? Or maybe you're in a relationship that is no longer working, but you're afraid to leave, believing that you don't have any other options. Or you are envious of your 'natural' friends who seem to have no trouble in picking up cute girls for one-night stands? Perhaps you are a seasoned 'player' looking for new, cutting edge perspectives. I'm Troy Francis, and over the last decade I've made the transformation from loser with women to Lothario. From being a guy too shy to even look at an attractive girl, the last ten years have seen me embark on a journey that has spanned the globe, during which I have become friends with an exclusive clique of the world's foremost seducers and playboys, meeting and bedding multiple women of all nationalities along the way. Know which one you're in and how to get the result you want in each. * How a lot of conventional PUA thinking is wrong and how going with what you know in the moment will yield massive results * How to leverage masculine-feminine polarity to get her tingling with excitement * How your approach in itself can create huge attraction in the girl * How to create a force field around you enabling you to withstand even the highest degree of social pressure * Mind-control techniques to crush your fear of rejection * Why 'leagues' don't really exist and that you can attract much hotter women than you currently think * The special techniques you need to know to pull women effortlessly in clubs * How to heat up your interactions with women so they sizzle with sexual tension * How you can get a girl so excited with direct sexual references that she is literally begging to sleep with you * Exactly what to do on a first date to get the girl to come home with you for sex * How having a certifiably insane degree of self-love will cause women to chase you The book presents a clear and logical system for meeting and attracting the hottest women imaginable with a practical, user-friendly layout. The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this

version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

If yes, you've probably made one or more of these 7 mistakes: Trying to create a romantic atmosphere by overdoing it with compliments and gifts Do not give an emotional/sexual direction to the conversation Trying to impress her by showing how rich you are or how cool you are Being afraid to touch it Dating women you don't like Waiting for the last moment to kiss her Expecting to have sex with her just because you took her to an expensive restaurant When a woman goes out with a man, she would like to get excited about the enormous sexual tension, let herself go to safety, feel the chills for the deep emotions she feels. ...guess what?! it's not up to them, it's up to you! On what you decide to do, on your actions. All of this is not physically possible in a situation as static and rigid as a typical dinner at a restaurant. The secret to a Perfect Date is to make her do a lot of different things. This is because she will be transported by a perfect sequence of events, she will be overwhelmed by feelings and emotions so strong that sex will be just one last small step. 4 practical steps to lead her to your bed: what to do what to say where to bring her when to kiss her Unfortunately this method is not for everyone This guide is not for newbies, it is not for men who don't know how to approach women, it is not for men who know few women and don't know how to get a phone number. What you find inside *Dating for Men*: How do you get her phone number if you don't have it yet? The truth about women's provocative behavior A little trick to increase the chances of her answering your call How to take care of your look and style to intrigue her Best days and times to set the date of the Appointment The 5 things not to do on a first date What makes the Perfect Date work so well (emotions) The meeting place and the first place to take it Concrete examples of a perfect date How to create alternatives in case of unforeseen events Warning: Having fun doesn't mean being funny. The Man's Guide to Women John Gottman 2016-02-02 A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher

than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

Itchy Mitch and the Taming of Broken Jaw Junction Duane L. Ostler 2015-04-15 In the year 1885, the sleepy little Nevada town of Broken Jaw Junction is a quiet place--until Old Jake finds gold! Suddenly the town is overrun by outlaws, galoots and trouble makers of all kinds, and there doesn't seem to be a sheriff in the old west who can stop them. That is, until vegetable-loving 'Itchy Mitch' Gardener arrives. He looks like a harmless West Virginia farm boy who would rather just plant tomatoes and hoe weeds than fight outlaws. But somehow he manages to stop quick draws, bank robbers, cattle thieves, claim jumpers and bullies. And he does it all with just a few carrot sticks and celery! It looks like Sheriff Mitch is unstoppable and that law and order and vegetable salad have come to Broken Jaw Junction to stay. But even Itchy Mitch isn't invincible, and one day he meets his match in a most unexpected foe ...

Hypnotize Your Wife Live a Better Life [Or Your Girlfriend for That Matter] The Nameless Hypnotist 2015-02-23 People have been conditioned to believe certain things about the way relationships should operate. Sometimes gender roles are blurred. In recent times this seems to be more evident, doesn't it? My beliefs, now, are that gender roles should be very specific and quite clearly defined. I believe that men are the stronger sex. I believe that men tend to be more logical thinkers. I believe girls should be subservient; that is: prepared to obey their man unquestioningly and are, by nature, the weaker sex. I also believe when a girl knows her place and a man knows his place in a relationship that the relationship functions better and both sexes are happier. When a girl is docile; that is, ready to accept control or instruction; submissive, she knows instinctively that the relationship is solid and that she will be rewarded for her submissiveness. This causes her to lose her depression, her fear, and her feelings of uncertainty and constant confusion and lack of safety. These are positive benefits that have been forgotten by girls, which, when reminded, and rekindled, prove their significance and relevance to the girl's happiness. The more your girl accepts your control and instruction the more happy both of you will be, let me assure you. This is something most men and girls get excited about when they adhere to their respective gender roles. In many ways this book will teach you a relationship system that utilizes conversational hypnosis; so that, as a man, you can define your relationship in this way, so you are happy and your wife or girlfriend is happy too. It is your responsibility to learn this information and even more your responsibility to implement it; that is, training your wife or girlfriend to be servient. Follow these instructions carefully and your wife or girlfriend will be the perfect little girl you've always hoped her to be. I promise. Grab Your Copy Now! Do not think twice; I promise it works!
