The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of

fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

If you are looking for how to get laid on the first date, that's easy, take her to a bar, get her drinking, but not to the point of throwing up. After she's pretty intoxicated, giggling at everything you say, try a few advances, touching her arm, or shoulder, and see if she responds. Dance with her, and do a little grinding, and see if she grinds back. If the answers to these are yes, then offer her, since she can't drive, to come back to your place. Once she's at your place, continue with just a little more alcohol for the nerves. Don't mix alcohol. If she was doing shots at the bar, don't give her beer or wine coolers at your place, or she'll be spending the night with your toilet, not you. Give her just a few more shots, and then do the final move with a kiss. The kiss will tell it all. If she pushes you away, and doesn't take your advances, don't get

discouraged, you still have a chance. Offer her to put a movie on, get a pillow and a blanket, if you have a pull out couch, great, or one big enough for you two to snuggle on. If not, let her lay back to watch the movie. Let her put her feet on your lap. I don't know many woman who would turn down a foot massage. Massaging is a great way to lead to sex. After both feet, work your way up to her calves. Hint: use lotion. It makes her feel more like it's a massage, not you just trying to grope her up. If when you get to her calves, and she's still allowing you to massage, continue on, and then get the thighs. I'm pretty sure you know where to go from there.

How to create immense attraction through text without being awkward even if you've never texted a woman before! Do you find yourself constantly checking your phone to see if the girl has texted you back only to be disappointed? I remember the times where I would meet a girl that was perfect for me, we would talk for hours and have amazing face to face interactions only to have our connection destroyed by texting. If you have had a similar experience, I completely understand you. I've been there. You text a girl trying to build a conversation only to have her reply with boring one word answers. When you finally do manage to have a normal conversation she leaves you on "Seen" out of the blue. You text her back and she doesn't reply until 3 hours later! Don't worry, I can guarantee you this will never happen to you again. I have dedicated by life to understand women and attraction, and to apply everything I learnt to see what works and what doesn't. My mission is to share my knowledge with you and help you discover how to create attraction with women effortlessly. "If you're getting more stress than fun out of dating then you are doing it wrong" - Max Smith Disclaimer: Read This Before You Buy This Book! If you are going to read this book you must understand these 3 conditions: This book is not a magic bullet that will guarantee you get laid with just one text. Don't expect me to give you a script you can apply to any conversation and have sex with any girl instantly. You won't find any cheesy one liners or texts that you can use again and again. I'm not like other dating coaches that provide you with useless scripts. I'm not going to try to change you or make you someone you are not. Every text you send to a girl will be 100% you. What I provide in this book is solid advice that I have personally used and I know works. I will give you all the knowledge you will ever need. All you have to do is take action.
