The Submissive Wife - Tiffany Buckner

This powerful and on-time book is for single and married Christian women alike! Find out the power of submission in this detailed, thought-provoking read. In our culture today, the word "submission" is misunderstood, and because of this, many Christian households shun the idea of a wife submitting to her husband. As a result, God has been cut out of many marriages and Christian marriages are failing at the same rate as worldly marriages. In this powerful book, you will learn: •The differences between passiveness and submissiveness- The truth will shock you! •Why Satan hates submission. •The power and effectiveness of true submission. •How to submit to your husband, whether he's godly or ungodly. •When you are not required to submit. •The signs of a controlling man and how to avoid him. •How controlling men use money, scriptures and sex to manipulate and control their wives. •How the Jezebel spirit uses our fear of submission to establish itself as the governing authority over our households. •Signs and behaviors of the Jezebel spirit and how to rid your home of it. If you're single, this book will help to prepare you to be the wife God has designed you to be and help you avoid the many narcissistic devils that Satan has sent out to entrap you. If you're married, this book will help you to become the wife God has designed you to be and to change the temperature of your marriage from lukewarm to blessed.

We Are Not Born Submissive - Manon Garcia 2023-01-24

A philosophical exploration of female submission, using insights from feminist thinkers—especially Simone de Beauvoir—to reveal the complexities of women’s reality and lived experience What role do women play in the perpetuation of patriarchy? On the one hand, popular media urges women to be independent, outspoken, and career-minded. Yet, this same media glorifies a specific, sometimes voluntary, female submissiveness as a source of satisfaction. In philosophy, even less has been said on why women submit to men and the discussion has been equally contradictory—submission has traditionally been considered a vice or pathology, but female submission has been valorized as innate to women’s nature. Is there a way to explore female submission in all of its complexity—not denying its appeal in certain instances, and not buying into an antifeminist, sexist, or misogynistic perspective? We Are Not Born Submissive offers the first in-depth philosophical exploration of female submission, focusing on the thinking of Simone de Beauvoir, and more recent work in feminist philosophy, epistemology, and political theory. Manon Garcia argues that to comprehend female submission, we must invert how we examine power and see it from the woman’s point of view. Historically, philosophers, psychoanalysts, and even some radical feminists have conflated femininity and submission. Garcia demonstrates that only through the lens of women’s lived experiences—their economic, social, and political situations—and how women adapt their preferences to maintain their own well-being, can we understand the ways in which gender hierarchies in society shape women’s experiences. Ultimately, she asserts that women do not actively choose submission. Rather, they consent to—and sometimes take pleasure in—what is prescribed to them through social norms within a patriarchy. Moving beyond the simplistic binary of natural destiny or moral vice, We Are Not Born Submissive takes a sophisticated look at how female submissiveness can be explained.

Tapping the Little Girl in Your Woman - Ryan Hale 2016-10-26

Something has to be done. Too many relationships are ending in divorce and heartache. I blame the men. I blame you. Don't get mad too at me just yet, let me explain my reasoning. Men have misplaced authority over their girl(s). They no longer dominate and take the reigns. They let the girl tell them what to do, feminizing them. Most people reading this know I'm 100% right, but people reading this will still get their feeling hurt and want to immediately criticize me for this argument. Many of you reading this book intro will be secretly condemning me to hell. Others will be upset with me for telling it like it is. Come up with whatever excuse you want, women are hardwired to submit and do as they're told. They are hardwired to be little girls. Here's my peace on this matter: The cause of a woman's unhappiness is the fact that they have been socially conditioned to believe that they have power, can manage independently, etc. etc. etc. A woman who knows her place, who obeys her man, who accepts him as her dominant - the girl is always happy and contented with being a submissive little girl. On the other hand - a woman who attacks men aggressively, spouts off all this equality crap, and who refuses to submit is ALWAYS unhappy, depressed, and miserable. If you happen to be a girl reading this, I hope this helps you better understand your problems. I am a man. I dominate. It's what I'm hardwired to do. I make no apologies for it. I am who God

made me. I am a man. If you want to buy into the lie that men and women are equal, God forgive you. I am here to tell you that the solution or answer to most, probably all, of your relationship issues is your unwillingness to accept this truth. If you are ready to accept this truth, this book will help you with what to do next. You see, you must learn how to train your woman to be a little girl. This isn't hard, once you know what to do. This book will provide you sound practical advice and how-to so you can transform your relationship (and/or future relationships) with girls in the future. It takes a while to regress a girl back to childhood. I tell you this so you do not give up on your quest to change her back to her normal state, the state God intended her to be. Mainly what you are doing is un-doing the harm that social conditioning has brought on her since her interactions with other feminists, educators, television, internet, etc. We call this process re-education. Your girl must be re-educated if she's to find her happy place once more. I wish you luck. You'll need it. It took me awhile, I won't lie. The journey may not seem rewarding now, but reflecting back I can tell you it was some of the happiest moments in my life - training her to obey and be a little girl. The men I have taught this knowledge to have seen the dawning of a new era in their relationships and lives. There have been incredible breakthroughs and transformation. Let me walk you down this path. Let me help you. Let's get started. The sooner we do, the sooner you'll fall in love with the little girl that is hidden in your woman. Let's free that little girl and let her know it's okay to emerge and be excepted. Your little girl will love you so much for taking the time to put her in her place and discipline her well. Let's begin. Grab Your Copy Now

The Power of Submission - Kim V.E. Sands 2011-07-29

Create or modify your HTML page in the text box. Click "Show Page" to see your page in the frame to the right. At the root of most of the problems we face in our lives today is disobedience. God is calling his people to fulfill his will and walk in the power of his word, and if we are willing to respond then we must embrace submission. The very word and concept of submission has been tainted to the point that many despise and scorn it. In this book you will discover that submission is not to be rejected, it is power. Power to change your life, marriage, family, job, community, and ministry. But more than anything, it will change your relationship with God. Each chapter will offer revelation, inspiration, motivation, and testimonies of real life struggles and victories. If you only read a few books this year, make sure one of them is The Power of Submission. In this book, submission is given physical expression by the woman. Nonetheless, its message is for men, leaders, or anyone who desire a more committed and powerful walk with God. If you need a fresh Word, a wake up call in your spirit, or passion to push to the finish line, then pick up this book and prepare to be inspired by the power of submission!

Training Your Girlfriend to Submit and Obey - Ryan Hale 2016-10-17

Making a girlfriend obey has several benefits. Training her can be a long road when your desired outcome is the perfect girl who does as she's told, who worships you with all of her love, and who would never cheat on you or think of doing anything that displeases you. Please don't think this book is a book for misogynistic male archetypes who seek only to control their universe and who have mommy issues. This book is for the 'real' man who knows his place, his girlfriend's place, and who wants the world to be playground. A true man showers his girlfriend with love when she obeys and submits to him and punishes her when she disobeys and gets out of line. There has to be law and order in every relationship. There has to be someone who is in control, who has the upper-hand, and, let me suggest, if it's not you (the man in the relationship), then it is probably her. You must learn to dominate and this means teaching her to submit. If you don't, you'll never have a truly satisfying relationship that is tighter than glue. This book is going to teach you techniques for making her obey and submit to you. It is going to provide you with a lot of sound practical advice and help you along this wonderful journey of training her to obey and submit. I want you to get excited, because a girl who obeys and does as she's told is a happy girl, one who loves you, one who truly cares about you and your happiness. This is what makes her happiest. If you have gone through a lot of relationships, had little luck with girls, then this book will be eye-opening and refreshing for you because

you'll finally learn what you've been doing wrong and how to correct it. You will be correcting yourself by learning how to correct her. A girl who obeys you and who is submissive is the perfect girlfriend, isn't she (?), since a girl who doesn't is bitchy and controlling and constantly a problem for you. I welcome you. Strong Woman, I Dare You to Submit! - Michele Reapsmith 2012-06

Strong Woman, I Dare You to Submit is a book meant to assist couples, especially women, on relationship matters from a Christian perspective. Although some topics are designed for the benefit of men who are seeking relationship guidance; Dr. Chele believes relationship restoration begins with the woman's change of mindset and attitude. The material presented directs readers to specific scriptures that topics are taken from. The purpose of the scriptures is to encourage continued study of the Holy Bible and God's Word. This is a book that should be read by singles and couples who are seeking peace and restoration in their current relationships or who are preparing for new relationships. A large portion of the book focuses on the definition of a "good" man and direction for women in their behaviors within the relationship. It is important for women and men not to allow the world to guide their behaviors in order to benefit from the Glory of God. Dr. Chele is very direct in clearing up the negative stigmas that women have come to accept regarding submission to their husbands and allowing them to be the "head" as commanded by God. She is able to describe the beauty of these duties as God meant them to be in our lives. This book is dedicated to the restoration of marriage and living a full and rewarding life with your spouse and a relationship guide for couples and singles anticipating marriage. Dr. Chele and Rose Center Ministries are prayerful that all who read this book will find themselves on the road to restoration and extend additional services through the ministry to further explain relationships from God's perspective. God Bless You!

Care and Nurture for the Submissive - Elizabeth Cramer 2013

Submission can be described by a lot of words but "easy" isn't one of them. Discovering and honoring your desire to submit takes courage, strength and passion. Learning to follow the lead and rhythm set by another, and stretching your limits to accommodate training and service can challenge and exhaust you. The discipline to hold your tongue, retrieve your paddle, or wait around endlessly while knot after knot is being tied as part of a bondage ritual drains your energy. Submission stretches, taxes, pushes, and exposes your body and soul to the whim and desire of another. Submissive women need support, care and nurture to continue on this journey in a healthy fashion. "Care and Nurture for the Submissive" offers tips, understandings, and pathways to tend the fragile and beautiful souls of submissive women. Self-care is not selfish; it is essential. Only when you are taking care of yourself as a healthy, whole being can you give that self to another with a full heart and free joy.

Using Scripture and self-evaluation tools, Robertson leads wives, as well as single women who desire to prepare for marriage, through a series of reflections and her own testimonial anecdotes to better enable them to see their husbands or prospective spouses through God's eyes, while honestly examining their own hearts. How to Submit Your Husband Joyfully is an important tool that will help women more fully align themselves with God's biblical instruction for the healthy, thriving marriages He wants for them.
