I Had a Black Dog Matthew Johnstone 2012-03-01 'I Had a Black Dog says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant and indispensable.' - Stephen Fry 'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

What If This Were Enough? Heather Havrilesky 2019-10-08 *A Publishers Weekly Best Book of 2018* *A Bustle Best Nonfiction Book of 2018* *One of Chicago Tribune's Favorite Books by Women in 2018* *A Self Best Book of 2018 to Buy for the Bookworm in Your Life* By the acclaimed critic, memoirist, and advice columnist behind the popular "Ask Polly," an impassioned collection tackling our obsession with self-improvement and urging readers to embrace the imperfections of the everyday Heather Havrilesky's writing has been called "whip-smart and profanely funny" (Entertainment Weekly) and "required reading for all humans" (Celeste Ng). In her work for New York, The Baffler, The New York Times Magazine, and The Atlantic, as well as in "Ask Polly," her advice column for The Cut, she dispenses a singular, cutting wisdom--an ability to inspire, provoke, and put a name to our most insidious cultural delusions. What If This Were Enough? is a mantra and a clarion call. In its chapters--many of them original to the book, others expanded from their initial publication--Havrilesky takes on those cultural forces that shape us. We've convinced ourselves, she says, that salvation can be delivered only in the form of new products, new technologies, new lifestyles. From the allure of materialism to our misunderstandings of romance and success, Havrilesky deconstructs some of the most poisonous and misleading messages we ingest today, all the while suggesting new ways to navigate our increasingly bewildering world. Through her incisive and witty inquiries, Havrilesky urges us to reject the pursuit of a shiny, shallow future that will never come. These timely, provocative, and often hilarious essays suggest an embrace of the flawed, a connection with what already is, who we already are, what we already have. She asks us to consider: What if this were enough? Our salvation, Havrilesky says, can be found right here, right now, in this imperfect moment.

Someone Like You Timothy James Beck 2006-04-01 At the Mall of the Universe, you can get anything you want. Marc Jacobs shoes. Hugo Boss suits. Food. Drinks. Dry cleaning. A room at the five-star hotel or a lane at the bowling alley. Of course, some things are harder to come by. Just ask. . . Vienna. She's one beautiful sister who is not going to be dependent on any man ever again, thanks to her cheating, should-be-dead ex. When she's not selling overpriced mascara to rich snobs, Vienna's checking out the scenery. Not that she wants another man. Much. Good thing she can tell it all to. . . Davii. The top hairdresser at CosmicTology is fast with a wickedly funny quip and with his shears. Nobody puts one over on Davii. But what he really craves is a nice guy to come home to. A guy who makes him want to be a better person. A guy who looks an awful lot like. . . Derek. He never planned to become a kept man, but it's hard to give up Belgian waffles delivered by room service. But no more. It's time for New Derek--new life, new friends, new job. And who better to help him take those baby steps toward independence than. . . Christian. Cool and savvy, he's cornered the market on charm. His sales skills have won him a fawning clientele. There's nothing he can't do, no point he can't score, no woman he can't woo. But there's a first time for everything. . . Meeting for coffee, dishing over drinks, dealing with heinous bosses, scheming backstabbers, clueless customers, and the

occasional object of desire, four new friends are about to discover the joys of shopping for love in a place where what you need most might just be where you least expect to find it.

Talk to Me Like I'm Someone You Love Nancy Dreyfus, Psy.D. 2009-12-24 "The most crucial relationship advice book since Men Are from Mars."—Erin Meanley, Glamour.com A groundbreaking, interactive relationship tool that literally places in the hands of couples the power to transform chronically frustrating relationship dynamics. We've all been there. A conversation with a loved one escalates into conflict. Voices rise to a fever pitch and angry, accusative words fly through the air. At times like these, it seems impossible to find the magic words that will lead to healing. Enter Talk to Me Like I'm Someone You Love. A psychotherapist with decades of experience in counseling couples, Nancy Dreyfus hit upon the revolutionary practice outlined in this book during a couples-therapy session in which a wife's unrelenting criticism of her husband was causing him to become emotionally withdrawn. In the midst of this, Dreyfus found herself scribbling on a scrap of paper, "Talk to me like I'm someone you love," and gestured to the husband that he should hold it up. He did and within seconds the familiar power differential between the two shifted, and a gentler, more genuine connection emerged. Dreyfus was startled, then intrigued, and then motivated to create a tool that could help others. This book features more than one hundred of Dreyfus's "flash cards for real life," written statements that express what we wish we could communicate to the person we love, but either can't find the right words or the right tone in which to say it. The statements include: • Taking responsibility: "I realize I'm overreacting. Can you give me a minute to get sane again?" • Apologizing: "I know I've really hurt you. What can I do to help you trust me again?" • Loving: "You are precious, and I get that I haven't been treating you like you are." A one-of-a-kind, practical relationship tool, Talk to Me Like I'm Someone You Love will help couples to stop arguing and begin healing.

How to Fall in Love with Anyone Mandy Len Catron 2018-02-01 In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In How to Fall in Love with Anyone, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. How to Fall in Love with Anyone is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the New York Times' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of How Proust Can Change Your Life and The Course of Love MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the New York

Times and the Washington Post. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia.

Someone Like Lorenzo Ashley Zakrzewski 2019-07-22 He's had every extravagance, she's never left her simple small town. Can two opposites find common ground? Between working at the bakery and taking care of her grandmother, local good Samaritan Allison McCorry has no time for herself. And being known as the woman willing to help anyone has bitten her on the ass more than once. Celebrity chef Lorenzo Morraiti is about to lose it all. Not only is his wife pregnant with another man's child and divorcing him, but if anyone believes the false allegations she's making, the network will drop his long-running cooking show. Escaping London and the tabloids for a tiny ocean side Irish town seems like the perfect way to ride out this storm. But a new location doesn't make his problems go away. When Allison finds her handsome new neighbor on the edge of the jagged cliffs, drunk and ranting about giving him up, she's compelled to help him. What starts as a rescue mission slowly takes a turn. Lorenzo is hell on smoldering wheels, but it's his playful smile that undoes the normally reserved Allison, and for the first time in a long time, she lets herself feel passion/hope. Will Lorenzo and Allison bring each other back to life? Or will secrets destroy them both?

Breakup Bootcamp Amy Chan 2020-12-03 'The literary equivalent of a hug from a wordly big sister when you are at your lowest ebb' - Sunday Times 'A new kind of relationship guide for women' - Arianna Huffington A self-affirming, holistic guide to transforming heartbreak into healing Amy Chan hit rock bottom when she discovered that her boyfriend cheated on her. Although she was angry and broken-hearted, Chan soon came to realize that the breakup was the shakeup she needed to redirect her life. Instead of descending into darkness, she used the pain of the breakup as a bridge to self-actualization. She devoted herself to learning various healing modalities from the ancient to the scientific, and dived into the psychology of love. It worked. Fast forward years later, Amy completely transformed her life, her relationships and founded a breakup bootcamp helping countless of women heal their hurt. In Breakup Bootcamp, Amy Chan directs her experience into a practical, thoughtful guide to turning broken hearts into an opportunity to break out of complacency and destructive habits. Dubbed 'the Chief Heart Hacker,' Amy Chan grounds her practical advice and tried and tested methods rooted in cutting-edge psychology and research, helping readers heal and reclaim their self-love. Relatable, life-changing, and backed by sound scientific research, Breakup Bootcamp can help anyone turn their greatest heartbreak into a powerful tool for growth

Shy to Social Chris Magin 2019-05-08 I've been writing and coaching people through shyness and social anxiety for years now. I've dealt with it myself and I know exactly what it feels like and what you can do to turn things around. This is not your average book on shyness or social anxiety. It isn't here to give you useless tricks or feel good quotes which make you feel better about yourself for a few hours and doesn't really change anything. It's a workbook to allow you to make a meaningful change in your life. Rather than just give you the psychology of shyness and techniques you'll never be able to implement this workbook is based around the idea of keeping it simple. Throwing yourself in the deep end of social situations is not

going to help - but controlled social exposure with accountability is the best way I've seen of overcoming shyness and social anxiety.

Someone Like You Mazelaine Corvil 2011-11-15 Friendship Kari had always thought nothing could come between her and Sandra since they've been friends since middle school. Sandra was more of a sister to her... or so she thought. The two had always had a close relationship which was about to change when Sandra encountered her high school crush Yahim. Kari was shock to see how a man could change everything between them, and to find out that their friendship was not really how she thought it was. Friendship and love Kari and Kevin had one thing that bonded them together; it was their rough childhood years that scarred their hearts, but other than that they were completely different people. Life has a way to put a twist in every story when they both ended up falling in love with each other, but they both knew there was a big gap of differences between them. Kevin did not meet Kari's expectations of the man she wanted in her life, while Kevin thought Kari was not near his match. Kari found herself getting attach to the mysterious man when her and Sandra's friendship was falling apart.

Attached Amir Levine 2012-01-05 "Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

Modern Romance Aziz Ansari 2015-06-16 The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives." —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Divorced Girl Smiling Jackie Pilossoph 2013-11-23 Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. *Divorced Girl Smiling* is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance,

reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

Absolute Power Audrey Chase 2016-12-26 So what is evil? What makes a person a "villain?" Is it intent to harm...or is it something deeper than that? Each one of the thirteen authors in this amazing collection has taken a completely different approach to answering this question. They have gone above and beyond expressing the idea of evil and supervillainy. They get to the bottom of why villains are the way they are, and what they hope to gain from it. These are dangerous women wielding Absolute Power... and they'll be glad to let you know exactly why you should fear them.

What Did Jesus Look Like? Joan E. Taylor 2018-02-08 Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

Unprotected Miriam Grossman 2007-08-28 Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of America's most prestigious universities, and she's seen how the anything-goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zoloft. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

How Should a Christian Date? Eric Demeter 2021-09-07 Pitch the Christian dating rulebook out the window. There's a better way! No matter what you might have heard, God didn't mandate a divine way to date. What He did do, in the Bible, is lay out principles for wise and healthy relational living among believers. His boundaries for us are wise and good. But exactly how you apply God's principles to your dating life is up to you to figure out. All you need is guidance, not micromanagement. How Should a Christian Date? doesn't try to boss you around. It just offers wisdom about the relevant principles in God's Word. Eric Demeter—a single guy who has given this subject a lot of thought—separates the truths of Scripture from the baggage of Christian dating subculture. He talks to you like a big brother or favorite uncle, not your mother. You'll cover topics such as: Busting 12 Myths of Christian Dating How to Meet People & Have a Good First Date Clearing the Fog in Sex and Physical Affection Getting the Best from a Breakup Take Dating One Stage at a Time There isn't one "Christian" way to date. But there are ways that Christians should handle themselves while dating . . . and those are the truths to live by.

How To Get Over A Crush M Gordon 2020-03-22 It's difficult to get past a crush when you are holding on to something that you're not exactly sure of. It's also hard to leave something or someone behind when you haven't had any closure. Whether your crush is at school, or if they are your boss, someone you work with, or just someone you like in your community, when you don't feel in control, it can start to take over your life. This book will help you address all of these thoughts and emotions. It will also serve to help you regain control and self-confidence so you can move out of a place where you regain the confidence to attract a person that is available and has mutual attributes in common with you. We are going to cover what your crush is actually about. Establishing what's really going on to help you to overcome doubt or wishful thinking. When you get clarity on what you

REALLY want and need, it is much easier to make a new start. This book will help you understand the psychology of what is happening to you, why you really feel what you feel, and how to break free of a crush. Become more confident, feel more attractive and get yourself into the frame of mind where you can create the life you desire. Through positive insights, the book provides useful guidance on how to identify our strengths, weaknesses, and the factors underlying why we are attracted to people who we often can't, or shouldn't be with. How to avoid negative influences and focus on making peace with ourselves by improving our self-image and fulfilling our fundamental human needs; among them, how to feel secure and connected with people. Choosing a partner can be challenging. However, in your quest for self-improvement, you will learn how to view your crush as an opportunity to discover who you are and what you seek in a relationship.
