I love fashion design - irina V Ivanova
2022-02-01

I love fashion design. Coloring book for future fashion designers. Inspirational and motivational book for teens who are interested in fashion design. What is in the book: 40+ coloring pages with fashion figures and accessories Original pencil and marker drawings by Irina V. Ivanova Professional fashion illustration style: for any skill level A broad range of styles: party, street, and sport All seasons: summer, spring, autumn, and winter How to use the book: The paper in the book is for dry media such as pencils, crayons, sketching sticks, and pastel, and not suitable for watercolor. If you are planning to use markers or gel pens, place extra sheets of paper under the book you are coloring to prevent ink from bleeding through the page and avoid marks or grooves underneath the coloring page. The book is a creation of fashion designer and illustrator Irina V Ivanova, author of the Fashion Croquis Books and Fashion Croquis

Oui Love Fashion - Oui Love Books

Style knows no age, but it does favor a certain language. "Oui Love Fashion" will teach your little one the names of fashion items in French and English. Each page features style-related images with the French phrase above and its English equivalent below. These items include clothes, accessories, and personal care products. Perfect for children up to age 3. A note on usage: Many articles of clothing have multiple synonyms. In "Oui Love Fashion", translations favor words that are used more often today, even if they may be regarded as "bad French" by some. For instance, the English "sweater" is translated in this volume as "le pull", an abbreviation of "pull-over". "Le pull" is more familiar than the alternatives of French origin ("le chandail" or "le tricot"). Someone using the word "le pull" will sound more authentically French than someone saying "le chandail".
