The Troubadours: Their Loves and Their Lyrics, Etc John Rutherford 1873

Under My Thumb Rhian Jones 2017-10-19 In the majority of mainstream writing and discussions on music, women appear purely in relation to men as muses, groupies or fangirls, with our own experiences, ideas and arguments dismissed or ignored. But this hasn't stopped generations of women from loving, being moved by and critically appreciating music, even - and sometimes especially - when we feel we shouldn't. *Under My Thumb: Songs that Hate Women and the Women Who Love Them* is a study of misogyny in music through the eyes of women. It brings together stories from journalists, critics, musicians and fans about artists or songs we love (or used to love) despite their questionable or troubling gender politics, and looks at how these issues interact with race, class and sexuality. As much celebration as critique, this collection explores the joys, tensions, contradictions and complexities of women loving music - however that music may feel about them. Featuring: murder ballads, country, metal, hip hop, emo, indie, Phil Spector, David Bowie, Guns N' Roses, 2Pac, the Rolling Stones, Bob Dylan, AC/DC, Elvis Costello, Jarvis Cocker, Kanye West, Swans, Eminem, Jay-Z, Taylor Swift, Combichrist and many more.

Troubadour Lyrics Frede Jensen 1998 This book is designed to make the poetry of the twelfth- and thirteenth-century Occitan troubadours accessible to English-speaking readers. Its centerpiece is a bilingual anthology with critically edited Occitan texts and original English translations on facing pages. Generous selections include ninety poems by thirty poets. The extensive introduction examines the major aspects of this poetry: the courtly-love theme, the satirical writings, the cultural-social climate, the poets and their works, poetic genres, language, versification, themes, origin theories, and the manuscript tradition. Copious notes offer additional information and interpretation.

Lyrics and Idylls Edmund Clarence Stedman 1879

The Love of Centuries The Supreme Master Ching Hai 2011-01-01 Poetry is an artistic, stylistic expression and reflection of the spirit. Wu Tzu's poems transcend the preconceived thinking of worldly people, just like a pure lotus amidst the dusty world, a radiant lighthouse in the stormy sea, and a rainbow across a dark cloudy sky. The style of Wu Tzu's poetry is sometimes soft and gentle as a slow flowing stream, or sometimes vibrant and forceful as a thousand horses racing. Her verses are imbued with graceful and otherworldly qualities. When expressed in the Poet's simple, conversational words, these verses often belie their profound meanings and pure lyrical beauty. With a refreshing choice of words and harmonious rhythms in Her poems, the Poet has created a beautiful, ethereal world, as well as a poetic style that is at once romantic and splendid. Above all, these poems seem to have been created with total spontaneity, and yet their effect is total enchantment.

In and out of the orphanage everytime returning in poorer health. He is finally adopted by a childless couple, although poor by most standards who became loving parents with great values and standards that set his life in the right direction. From there it traces his acceptance and rejection by certain members of his newly acquired extended family and his development through elementary school, high school and ultimately into the job market with all the twists and turns along the way. P. G. Excerpt: "Crazy for You" is a song by American recording artist Madonna for the 1985 film Vision Quest. It was released on March 2, 1985, by Geffen Records as the first single from the soundtrack album of the film, and later included on the ballads compilation Something to Remember (1995). The song also appears as a remix on the greatest hits albums The Immaculate Collection (1990) and Celebration (2009), and was re-released as a single in the form of this remix on February 24, 1991, by Sire Records to promote the former of these two albums. Producers Jon Peters and Peter Guber, along with music director Phil Ramone, decided to use Madonna after listening to her previous recordings. They employed John Bettis and Jon Lind to write the song. After reading the script of the film, Bettis and Lind wrote the song about the situation in which the lead characters meet at a nightclub. Initial recording sessions did not impress Bettis and Lind, and they felt that "Crazy for You" would be dropped from the soundtrack. However, a new version was recorded which did
