The Loss of the Ship Essex, Sunk by a Whale - Thomas Nickerson 2000-05-01

The gripping first-hand narrative of the whaling ship disaster that inspired Melville's *Moby-Dick* and informed Nathaniel Philbrick's monumental history, *In the Heart of the Sea* In 1820, the Nantucket whaleship Essex was rammed by an angry sperm whale thousands of miles from home in the South Pacific. The Essex sank, leaving twenty crew members drifting in three small open boats for ninety days.

Through drastic measures, eight men survived to reveal this astonishing tale. The Narrative of the Wreck of the Whaleship Essex, by Owen Chase, has long been the essential account of the Essex's doomed voyage. But in 1980, a new account of the disaster was discovered, penned late in life by Thomas Nickerson, who had been the fifteen-year-old cabin boy of the ship. This discovery has vastly expanded and clarified the history of an event as grandiose in its time as the Titanic. This edition presents Nickerson's never-before-published chronicle alongside Chase's version. Also included are the most important other contemporary accounts of the incident, Melville's notes in his copy of the Chase narrative, and journal entries by Emerson and Thoreau. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Sea of Glory - Nathaniel Philbrick 2004-10-26

"A treasure of a book."—David McCullough The harrowing story of a pathbreaking naval expedition that set out to map the entire Pacific Ocean, dwarfing Lewis and Clark with its discoveries, from the New York Times bestselling author of *Valiant Ambition* and *In the Hurricane's Eye*. A New York Times Notable Book America's first frontier was not the West; it was the sea, and no one writes more eloquently about that watery wilderness than Nathaniel Philbrick. In his bestselling *In the Heart of the Sea* Philbrick probed the nightmarish dangers of the vast Pacific. Now, in an epic sea adventure, he writes about one of the most ambitious voyages of discovery the Western world has ever seen—the U.S. Exploring Expedition of 1838–1842. On a scale that dwarfed the journey of Lewis and Clark, six magnificent sailing vessels and a crew of hundreds set out to map the entire Pacific Ocean and ended up naming the newly discovered continent of Antarctica, collecting what would become the basis of the Smithsonian Institution. Combining spellbinding human drama and meticulous research, Philbrick reconstructs the dark saga of the voyage to show why, instead of being celebrated and revered as that of Lewis and Clark, it has—until now—been relegated to a footnote in the national memory. Winner of the Theodore and Franklin D. Roosevelt Naval History Prize

In the Heart of the Sea - InstantRead Summary 2016-01-14

In the Heart of the Sea: The Tragedy of the Whale Ship Essex by

Nathaniel Philbrick | Summary Book Preview: One of the things that makes this book so much more interesting is that there are different accounts from different persons who went through the ordeal, as well as experiences of past and more recent men who have been in the same or similar position as the men of the Essex. This book highlighted the fight, bravery, and sacrifice these men went through from starting off by doing something their forefathers did and then watching it turn into their worst nightmare while still waiting for divine intervention to come to their rescue. They gave up their homes and families to be at sea for years at a time and if they were lucky enough to make it home alive, would only have a couple of months to spend with their loved ones. This is a summary and analysis of the book and NOT the original book This Book Contains: * Summary Of The Entire Book * Chapter By Chapter Breakdown * Analysis Of The Reading Experience Download Your Copy Today

In the Heart of the Sea - Nathaniel Philbrick 2015-06-30

For use in schools and libraries only. The riveting and critically acclaimed bestseller, soon to be a major motion picture directed by Ron Howard Chris Hemsworth, Cillian Murphy, Ben Whishaw, and Brendan Gleeson will star in a new film based on this National Book Award-winning account of the true events behind *Moby Dick*. In 1820, the whaleship Essex was rammed and sunk by an angry sperm whale, leaving the desperate crew to drift for more than ninety days in three tiny boats. Nathaniel Philbrick uses little-known documents and vivid details about the Nantucket whaling tradition to reveal the chilling facts of this infamous maritime disaster. *In the Heart of the Sea*—and now, its epic adaptation for the screen—will forever place the Essex tragedy in the American historical canon.

In the Heart of the Sea [LARGE PRINT] - Nathaniel Philbrick 2000

The Perfect Storm: A True Story of Men Against the Sea - Sebastian Junger 2010-06-24

The worst storm in history seen from the wheelhouse of a doomed fishing trawler; a mesmerizingly vivid account of a natural hell from a perspective that offers no escape.

Surviving the Essex - David O. Dowling 2016-04-12

Surviving the "Essex" tells the captivating story of a ship's crew battered by whale attack, broken by four months at sea, and forced - out of necessity - to make meals of their fellow survivors. Exploring the Rashomon-like Essex accounts that complicate and even contradict first mate Owen Chase's narrative, David O. Dowling examines the vital role of viewpoint in shaping how an event is remembered and delves into the ordeal's submerged history - the survivors' lives, ambitions, and motives, their pivotal actions during the desperate moments of the wreck itself, and their will to reconcile those actions in the short- and long-term aftermath of this storied event. Mother of all whale tales, *Surviving the "Essex"* acts as a sequel to Nathaniel Philbrick's *In the Heart of the Sea*, while probing deeper into the nature of trauma and survival accounts, an extreme form of notoriety, and the impact that the story had on Herman

Melville and the writing of Moby-Dick.

In the Heart of the Sea Nz Ed - Nathaniel Philbrick Staff 2000-11

The Wreck of the Whaleship Essex - Owen Chase 1999

A Night to Remember - Walter Lord 2012-03-06

#1 New York Times Bestseller: The definitive book on the sinking of the Titanic, based on interviews with survivors, by the author of *The Miracle of Dunkirk*. At first, no one but the lookout recognized the sound.

Passengers described it as the impact of a heavy wave, a scraping noise, or the tearing of a long calico strip. In fact, it was the sound of the world's most famous ocean liner striking an iceberg, and it served as the death knell for 1,500 souls. In the next two hours and forty minutes, the maiden voyage of the Titanic became one of history's worst maritime accidents. As the ship's deck slipped closer to the icy waterline, women pleaded with their husbands to join them on lifeboats. Men changed into their evening clothes to meet death with dignity. And in steerage, hundreds fought bitterly against certain death. At 2:15 a.m. the ship's band played "Autumn." Five minutes later, the Titanic was gone. Based on interviews with sixty-three survivors, Lord's moment-by-moment account is among the finest books written about one of the twentieth century's bleakest nights.

Revenge of the Whale - Nathaniel Philbrick 2004-03

Recounts the 1820 sinking of the Essex by an enraged sperm whale and the survivors' ordeal - including cannibalism. Incorporates a fourteen-year-old cabin boy's account of this marine disaster, which inspired the climactic scenes of *Moby Dick*.

Why Read Moby-Dick? - Nathaniel Philbrick 2013-09-24

A "brilliant and provocative" (The New Yorker) celebration of Melville's masterpiece—from the bestselling author of *In the Heart of the Sea*, *Valiant Ambition*, and *In the Hurricane's Eye* One of the greatest American novels finds its perfect contemporary champion in *Why Read Moby-Dick?*, Nathaniel Philbrick's enlightening and entertaining tour through Melville's classic. As he did in his National Book Award-winning bestseller *In the Heart of the Sea*, Philbrick brings a sailor's eye and an adventurer's passion to unfolding the story behind an epic American journey. He skillfully navigates Melville's world and illuminates the book's humor and unforgettable characters—finding the thread that binds Ishmael and Ahab to our own time and, indeed, to all times. An ideal match between author and subject, *Why Read Moby-Dick?* will start conversations, inspire arguments, and make a powerful case that this classic tale waits to be discovered anew. "Gracefully written [with an] infectious enthusiasm..."—New York Times Book Review

Stove by a Whale - Thomas Farel Heffernan 1990-09

A thrilling documentation of the first sinking of a ship by a whale.

In the Heart of the Sea (Young Readers Edition) - Nathaniel Philbrick 2015-09-15

The New York Times bestselling and National Book Award winning *In the Heart of the Sea*, soon to be a major motion picture directed by Ron Howard, adapted by the author for young readers. On November 20, 1820, the whaleship Essex was rammed and sunk by an angry whale. Within minutes, the twenty-one-man crew, including the fourteen-year-old cabin boy Thomas Nickerson, found themselves stranded in three leaky boats in the middle of the Pacific Ocean with barely any supplies and little hope. Three months later, two of the boats were rescued 4,500 miles away, off the coast of South America. Of the twenty-one castaways, only eight survived, including young Thomas. Based on his New York Times best-seller *In the Heart of the Sea*, Nathaniel Philbrick recreates the amazing events of the ill-fated Essex through the sailors own first-hand accounts, photos, maps, and artwork, and tells the tale of one of the great true-life adventure stories. "Horribly engrossing."—Kirkus Reviews "A compelling saga of desperation and survival."—School Library Journal

In the Heart of the Sea - Nathaniel Philbrick 2000

Winner of the 2000 National Book Award for Non-Fiction! The ordeal of the whaleship Essex was an event as mythic in the nineteenth century as the sinking of the Titanic was in the twentieth. In 1819, the Essex left Nantucket for the South Pacific with twenty crew members aboard. In the middle of the South Pacific the ship was rammed and sunk by an angry sperm whale. The crew drifted for more than ninety days in three tiny whaleboats, succumbing to weather, hunger, disease, and ultimately turning to drastic measures in the fight for survival. Nathaniel Philbrick uses little-known documents—including a long-lost account written by the ship's cabin boy—and penetrating details about whaling and the Nantucket community to reveal the chilling events surrounding this epic maritime disaster. An intense and mesmerizing read, *In the Heart of the Sea* is a monumental work of history forever placing the Essex tragedy in the American historical canon.

In the Heart of the Sea - Nathaniel Philbrick 2015-10-19

The riveting and critically acclaimed bestseller, soon to be a major motion picture directed by Ron Howard Chris Hemsworth, Cillian Murphy, Ben Whishaw, and Brendan Gleeson will star in a new film based on this National Book Award-winning account of the true events behind "Moby Dick." In 1820, the whaleship "Essex" was rammed and sunk by an angry sperm whale, leaving the desperate crew to drift for more than ninety days in three tiny boats. Nathaniel Philbrick uses little-known documents and vivid details about the Nantucket whaling tradition to reveal the chilling facts of this infamous maritime disaster. "In the Heart of the Sea"—and now, its epic adaptation for the screen—will forever place the "Essex" tragedy in the American historical canon. *In the Heart of the Sea* - 2015

Away Off Shore - Nathaniel Philbrick 2017

A book about a tiny island with a huge history, from a New York Times bestselling author of the forthcoming book, *Valiant Ambition* (May 2016) "For everyone who loves Nantucket Island this is the indispensable book."—Russell Baker In his first book of history, *Away Off Shore*, New York Times bestselling author Nathaniel Philbrick reveals the people and the stories behind what was once the whaling capital of the world. Beyond its charm, quaint local traditions, and whaling yarns, Philbrick explores the origins of Nantucket in this comprehensive history. From the English settlers who thought they were purchasing a "Native American ghost town" but actually found a fully realized society, through the rise and fall of the then thriving whaling industry, the story of Nantucket is a truly unique chapter of American history. With a Preface read by the Author.

Narrative of the Most Extraordinary and Distressing Shipwreck of the Whale-Ship Essex - Owen Chase 2016-04-12

Narrative of the Most Extraordinary and Distressing Shipwreck of the Whale-ship Essex is an account by first mate Owen Chase of the Essex, a whale ship from Nantucket, Massachusetts, that was sunk by a sperm whale in the Pacific Ocean near South America in 1820. Of the twenty-man crew, only eight survived the horrific ordeal; some men were stranded on an island, all remaining crew were forced to eat food tainted by seawater and drink their own urine, and finally, when members of the crew started dying, those still alive resorted to cannibalism until they were rescued. *Narrative of the Whale-ship Essex* inspired Herman Melville to write his enduring classic *Moby-Dick* in 1851; it also inspired the 2015 movie *In the Heart of the Sea*, based on the 2000 best-selling book of the same name.

In the Heart of the Sea - Nathaniel Philbrick 2005

In 1820, the whaling ship Essex was attacked by an enraged sperm whale and sank, far out in the Pacific. The event created a dramatic sea story, inspiring Melville to write *Moby Dick*. Now, following the recent discovery of an unknown account by one of the survivors, the last voyage of the Essex comes to life again.
