Not Yet Married - Marshall Segal 2017-06-20
Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Gospelbound - Collin Hansen 2021-04-06

A profound exploration of how to hold on to hope when our unchanging faith collides with a changing culture, from two respected Christian storytellers and thought leaders. "Offers neither spin control nor image maintenance for the evangelical tribe, but genuine hope."—Russell Moore, president of ERLC As the pressures of health warnings, economic turmoil, and partisan politics continue to rise, the influence of gospel-focused Christians seems to be waning. In the public square and popular opinion, we are losing our voice right when it's needed most for Christ's glory and the common good. But there's another story unfolding too—if you know where to look. In *Gospelbound*, Collin Hansen and Sarah Eekhoff Zylstra counter these growing fears with a robust message of resolute hope for anyone hungry for good news. Join them in exploring profound stories of Christians who are quietly changing the world in the name of Jesus—from the wild world of digital media to

the stories of ancient saints and unsung contemporary activists on the frontiers of justice and mercy. Discover how, in these dark times, the light of Jesus shines even brighter. You haven't heard the whole story. And that's good news.

Singleness in God's Redemptive Story - Barry Danylak 2022-09-06

For generations, the predominant message in the church has been that to live a complete and happy life, one must marry and have children. And while this does bring joy and fulfillment for many, other Christians are called to a life of singleness—or become single due to the death of a spouse or divorce. Pastor Barry Danylak was inspired to write *Singleness in God's Redemptive Story* based on his own experience in the church as a single person, combined with his study and reflection on singleness in Scripture. This compelling condensed theology examines the topic theologically in relationship to the developing biblical narrative, focusing on how marriage and singleness relate to the Old and New Testament covenants, the theological motif of offspring, as well as the singleness of Jesus and Paul. *Singleness in God's Redemptive Story* will greatly benefit Christian singles in understanding how they are fully complete in Christ and will equip pastors and church leaders with an understanding of the theological significance of singleness within the flow of redemption history. This concise biblical theology is a must-read for all those in ministry leadership. With thought-provoking discussion questions at the end of each chapter, *Singleness in God's Redemptive Story* can be read individually or used as a small group study guide.

life. But somewhere in the midst of the endless cycle of temporary romances, my dreams had shattered." How can I find a love worth waiting for? Lay the foundation now—whether you've met your future spouse or not—for a lifelong romance. Bestselling authors Eric and Leslie Ludy invite you to discover how beautiful your love story can be when the Author of romance scripts every detail. *Story Behind the Book* Eric and Leslie Ludy want to offer an exciting vision of hope, proving that the Author of romance is alive and well and that true and lasting love can become a reality. Validating Singles - Dr. Jim Towns 2012-05-08
VALIDATING SINGLES is an essential guide to healthy single life that is based in profound biblical truth and can revolutionize the church's understanding in affirming singleness. Christian singles will no longer tolerate a message that is simply a pep rally for singleness. Both marriage and singleness demand serious scriptural insight. This book has developed such a treatment. If you are single and Christian, you face certain problems that come with the

territory such as frustration in identity, sexuality, and professionally. You may feel a wilted identity amid a landscape of happy successful couples. If so, you will be pleased with this workcrammed full with pragmatic ideas, deep-felt experience and nuggets of spiritual insights. God has a plan for your singleness. You are not single just to bide time until the day you get married. Amidst extremes of celibacy versus marriage in Christian culture, there is today's proliferation of sexual non-commitment and a biblical stance. Whether you have a temporary or permanent gift of singleness, God wants you to discover fulfillment while you are single. Validating Singles presents strategies for living as a single. This insightful book will help you, whether never married, widowed, or divorced, to understand God's desires and plans for your life as a single.

They Were Single Too: Eight Biblical Role Models - David M. Hoffeditz 2018-01-23

Singleness is not a sin that needs to be redeemed. Yet for many single Christians, the way the church regards them often feels condemning. Living between these truths can be a painful, frustrating experience. By examining eight individuals from Scripture who were single at some point in their adult lives--Paul, Anna, Martha, Jeremiah, Ruth, Joseph, Nehemiah, and John the Baptist--Hoffeditz guides readers through common struggles singles face, such as loneliness and disappointment. Hoffeditz isn't offering a self-help guide, a twelve-step program to recovery, or philosophical musings. *They Were Single Too* spells out concrete steps for a healthy, God-approved attitude toward unmarried life and how one can truly serve God without a spouse. Brief chapters with questions for reflection allow for either individual or group study. Long used as a resource for singles ministries, this revised edition updates the language of this timeless biblical study and makes it more attractive for today's reader.

The Single's Connection - Mary Wan Joo Tay 2010

To Love, Honor, and Vacuum - Sheila Wray Gregoire 2014

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and

affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

Marriage and the Mystery of the Gospel - Ray Ortlund 2016-10-13

"This mystery is profound, and I am saying that it refers to Christ and the church." —Ephesians 5:32 Marriage reveals something of eternal significance. From the beginning, God designed marriage to convey a greater reality—the passionate, unfailing, redeeming love of God for sinners, the eternal romance between Christ and his bride. In this volume, Ray Ortlund traces marriage throughout Scripture—from the first marriage in the garden of Eden to the ultimate marriage in the book of Revelation—laying out a transcendent vision of marriage that dignifies our own imperfect unions as a display of the gospel. This book offers insight and hope to every married person today. Part of the Short Studies in Biblical Theology series.

In her powerfully authentic book, *Singled Out in a Couple's World*, Christa Smith invites those who find themselves in a season of singleness to reconsider their perspective. beautiful insight and compelling transparency, Christa's words will motivate readers to: · Break off the curse and stigma of singleness · Live an abundant life surrendered to God · Never stop believing in your God-given dream · Remove the pause button and live fully · Wait well and embrace new opportunities
