[Born Innocent](#) - Michael J. Sullivan 2023

Over seven percent of all children in the United States--more than 5 million children--have experienced a parental incarceration, and an estimated 2.7 million children currently have a parent who is incarcerated. An additional 5 million children under age 18 live with at least one parent who is unauthorized to be in the United States and faces deportation. Children and other dependents suffer the collateral consequences of "preventive justice" measures increasingly used by liberal democratic countries to combat a broad range of suspected crime and anti-state activities. But what does the state owe to the innocent dependents of accused caregivers? In *Born Innocent*, Michael J. Sullivan explores the impact of vicarious punishment on children, with a particular focus on children in socioeconomically disadvantaged and racialized communities that are disproportionately subject to family separation based on their identity, allegiances, and immigration status. Sullivan advocates a turn from retribution to rehabilitation for convicted offenders, with a view towards helping them to become more effective caregivers who can continue to support their dependents during their sentence. *Born Innocent* goes beyond the children's rights literature on the collateral consequences of punishment to consider how "punishment drift" creates problems for both retributive and utilitarian theories of punishment. He draws on care ethics theory to widen our understanding of the range of collateral victims of punishment as well as possible rehabilitative and restorative measures. Sullivan also considers the limits of this approach, especially where it pertains to offenders who victimize their families, and those who resist rehabilitation and persist in anti-state actions that harm others. Original and compelling, *Born Innocent* provides one of the first unified treatments of state-sponsored family separation and its impact on disadvantaged citizens and immigrants.

**New Books on Women and Feminism** - 2006

**Narrative and Grief** - Deleasa Randall-Griffiths 2023-05-15

In this book, autoethnographies reflect a wide range of perspectives on grief and loss to reflect the unique and individual experiences of each contributor's story while also analyzing broader cultural themes and discussing how we communicate about these experiences.

**Decisions and Orders of the National Labor Relations Board, Volume 357, June 29, 2011 Through January 3, 2012** - National Labor Relations Board 2016-02-15

Each volume of this series contains all the important Decisions and Orders issued by the National Labor Relations Board during a specified time period. The entries for each case list the decision, order, statement of the case, findings of fact, conclusions of law, and remedy.

**Reducing Crime** - Great Britain: Parliament: House of Commons: Committee of Public Accounts 2005-06-21

The Home Office aims to reduce crime by supporting Police Basic Command Disorder Units, as well as 354 Crime and Disorder Reduction Partnerships in England and 22 Community Safety Partnerships in Wales. On the basis of evidence from the Home Office, this report examines the effectiveness and administration of these schemes. It finds that the initiatives have contributed to reductions in crime but, because

they have not been systematically evaluated, it is not clear how much of a difference they have made. It also concludes that the Partnerships have too great an administrative burden and that the number of Partnerships should be reduced and their funding stream should be simplified.

**"Zero Tolerance" Drug Policy and Confiscation of Property** - United States. Congress. House. Committee on Merchant Marine and Fisheries. Subcommittee on Coast Guard and Navigation 1988

*It's Not You, It's Him* - Georgia Witkin 2006

This book will make dating fun again—and help you find the love you always dreamed of “Why is this book for single women? Because we think about relationships, and talk about relationships, much more than single men do. And when things go wrong, we’re also much more likely to blame ourselves! We ask ourselves, “What’s wrong with me?” “What did I do?” “What should I have done differently?” Well, maybe, just maybe you are not the problem. Maybe, just maybe, you’d still be single even if you were perfect. Maybe the men you’re meeting have the problems. Maybe it’s not you, it’s him! Actually, there’s no maybe about it. Your aunt in Florida, your married brother, and your gym friends are wrong—you are not single because you’re too picky, too pushy, or a princess. Besides, even if you were, picky, pushy princesses get married every day. And so will you. So let’s get real and get you the life you want.” --Dr. Georgia Witkin, from... *It's Not You, It's Him* You're smart and cute and fun to be around. So naturally you wonder why you're still single. Well, here's a news flash: *It's Not You, It's Him!* In her upbeat new “rules” for finding lasting love, Dr. Georgia Witkin shows that the secret to dating without all the pain is to assume that you are perfectly lovable exactly as you are. When a good date goes bad, the problem is never you. It’s him! Suddenly dating is so simple. You will never again ask “why didn’t he call?” It doesn’t matter. You will never ask, “How should I change?” You don’t have to. Instead you will do what you want, go where you want, wear what you want, and it will only make you more perfect. You will take everything dates say and do as information about them—not you. You will have zero tolerance when you’re getting zero. You will feel happy, in control, and actually enjoy dating again. And before too long, the new you will fall wildly in love with a man who is just perfect enough to find you irresistible.

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Decisions and Orders of the National Labor Relations Board, V. 352 - National Labor Relations Board (U.S.) Staff 2009

Includes the decisions and orders of the Board, a table of cases, and a cross reference index from the advance sheet numbers to the volume page numbers.

**Dating, Relationship and Marriage Secrets For a Life Filled With Love and Passion** - SpiderLove

Book 1: Dating Secrets Most Women Would Never Know Book 2: The Girl's Guide To Crack The Code For Sustainable, Loving, and Nurturing Relationships Book 3: What To Do If Your Husband Is Looking At Other Women? In Book 1, you'll learn how to attract and keep the man of your dreams. If you are always attracted to "bad boys" that make you feel guilty for being with them in the first place, then you should really get this book to learn how to attract the right person for you. In Book 2, you'll learn how to get a man to commit to a relationship, not just casual sex goodbye. You'll also learn how to prepare yourself for the first date to what you'll need to do in order to maintain a relationship. In Book 3, you'll learn how to keep your family and marriage in a good shape. In fact, you'll discover some of my secrets to keep my husband like a magnet - regardless of financial problems or other family difficulties. There are various stages you need to go through in order to make the man committed. This relationship bundle will help you start and maintain a long-lasting relationship to live a life filled with love and passion - you've always wanted! Grab your copy now!

**Real Life Rock** - Greil Marcus 2015-01-01

The Washington Post hails Greil Marcus as our greatest cultural critic. Writing in the London Review of Books, D. D. Guttenplan calls him probably the most astute critic of American popular culture since Edmund Wilson. For nearly thirty years, he has written a remarkable column that has migrated from the Village Voice to Artforum, Salon, City Pages, Interview, and The Believer and currently appears in the Barnes & Noble Review. It has been a laboratory where Marcus has fearlessly explored and wittily dissected an enormous variety of cultural artifacts, from songs to books to movies to advertisements, teasing out from the welter of everyday objects what amounts to a de facto theory of cultural transmission. Published to complement the paperback edition of The History of Rock & Roll in Ten Songs, Real Life Rock reveals the critic in full: direct, erudite, funny, fierce, vivid, astute, uninhibited, and

possessing an unerring instinct for art and fraud. The result is an indispensable volume packed with startling arguments and casual brilliance.

It's Not You, It's Him - Georgia Witkin 2006
