

Journey To Beloved Limited Edition

Hinds' Feet on High Places - Hannah Hurnard 2017-11-07

Journey with Much-Afraid to new heights of love, joy, and victory! For the first time, this beloved Christian allegory is a mixed-media special edition complete with charming watercolor paintings, antique tinted photography, and meditative hand-lettered Scripture. As you read and connect with the story of Much-Afraid and her trials, the pages of this book come alive thanks to the plethora of special artwork. *Hinds' Feet on High Places*, with more than 2,000,000 copies sold, is a story of endurance, persistence, and reliance on God. This book has inspired millions of people to become sure-footed in their faith even when facing the rockiest of life's terrain. The story of Much-Afraid is based on Psalm 18:33: "He makes me as surefooted as a deer, enabling me to stand on mountain heights." The complete *Hinds' Feet* story is accented by 80 full-color paintings, photography, and hand-lettered Scripture.

The Old Ways - Robert Macfarlane 2012-06-07

THE SUNDAY TIMES BESTSELLER SHORTLISTED FOR THE SAMUEL JOHNSON PRIZE The original bestseller from the beloved author of *UNDERLAND*, *LANDMARKS* and *THE LOST WORDS* - Robert Macfarlane travels Britain's ancient paths and discovers the secrets of our beautiful, underappreciated landscape 'The Old Ways confirms Macfarlane's reputation as one of the most eloquent and observant of contemporary writers about nature' Scotland on Sunday Following the tracks, holloways, drove-roads and sea paths that form part of a vast ancient network of routes criss-crossing the British Isles and beyond, Robert Macfarlane discovers a lost world - a landscape of the feet and the mind, of pilgrimage and ritual, of stories and ghosts; above all of the places and journeys which inspire and inhabit our imaginations. 'Sublime . . . It sets the imagination tingling, laying an irresistible trail for readers to follow' Sunday Times 'Read this and it will be impossible to take an unremarkable walk again' Metro 'He has a rare physical intelligence and affords total immersion in place, elements and the passage of time: wonderful' Antony Gormley

Underworld and Deeper (special Edition) - Chris Allaun 2022-04-21

The Underworld has always been thought of as a place of darkness and despair. Even today there are many misconceptions about what awaits inside. Some cultures have their own unique perspective, but surprisingly, many across the world have similarities. Can this be a coincidence? We will learn how to journey there in the astral and map this incredible world. But be careful! Along with its many wonders and beauty, there are things that lurk in the dark that myths through out the ages have warned us about. For the shaman or witch, are these warnings to keep us away or to teach us how to commune with these ancient spirits and creatures? As we journey deeper into the Underworld, we will discover where the long forgotten dead rekindle our spirit and teach the ways of magick. They are waiting and have much to say. Sit and listen to the wisdom of ancient times. Discover places of healing and rejuvenation where hags guard magick wells. Waters of life and death spring from a source so old, no one remembers whence it came from. Wonderful and beautiful places but also dark and dreadful, the Hellworlds. The Underworld will test your spirit and what you thought was reality. You may never be the same, but will be transformed, renewed, and powerful. The Underworld is strange, wondrous and cannot be contained. Sometimes, spirits of the dead will not be bound, they stay in the world of the living. You learn why the spirits of the dead are here and how to help them journey to a place of rest. A spirit of the dead may be right with you now... Deeper into the Underworld we go... The Underworld is home to our beloved ancestors, those who gave us our flesh and blood and our breath. Their blood flows through our veins and contains great magick and power. They have the ability to help us heal old karmic wounds of the past and aide us in our spiritual development. They can teach us many things about the world of spirit. All we have to do is honor them. All we have to do is call to them. The cycles of Life are sacred to our pagan and magical cosmology, but what of Death? As we honor life, so, too, must we honor the sacredness of death and dying. As we go further in our Underworld studies,

we will learn about the Angel of Death and energetic process of dying. Death is not the end. It is a magical transition into the world of spirit where we are rejoined with our beloved ancestors. The Ancestors are our link to our past. We will learn to honor them and create a sacred shrine so that we may commune with them in a magical and healing way. By honoring the ancestors, we will strengthen our bonds with the spirits and learn to heal our family karma that began long ago and affects us even today. By learning to work with the ancestors, we will learn to work with the spirits of the dead for magick and healing. We will learn how ancient cultures summoned the beloved dead to heal grief and say final goodbyes. We will also learn magical techniques to summon the shades of the dead and the Hidden Company; those powerful spirits that can teach us ancient wisdom of long ago that can help us tread our spiritual path to find balance and healing.

Journey to Beloved - Limited Edition - Oprah Winfrey 1998-10-23

Of all the events in Oprah Winfrey's life, none has affected her powerfully as playing the part of Sethe, the former slave who must come to terms with a haunting past, in Jonathan Demme's film of Toni Morrison's Pulitzer Prize-winning novel - coming from Touchstone Pictures in Fall 1998. Oprah fell in love with the book when it was first published in 1988, and instantly became determined to deliver this powerful story to film herself. But making the movie was something even more profound than she might have imagined, and *JOURNEY TO THE BELOVED* is her own emotional account of that experience. With Oprah's heartfelt words and the evocative images of Ken Regan, *JOURNEY TO THE BELOVED* is an elegant book that will interest fans of Oprah, of Toni Morrison, and of fine filmmaking. Accompanying Oprah's personal journals and thoughts about the Beloved experience is a foreword by Jonathan Demme and a chorus of voices, from Danny Glover, Thandie Newton, Kimberly Elise, and Beah Richards. The result is a tribute to a courageous work of art, expressed as only Oprah can express it.

The Journey of Tai-me - N. Scott Momaday 2011-10-16

"Tai-me" is a traditional medicine bundle used by the Kiowa in their Sun Dance. The bundle has been handed down from generation to generation, through the nineteenth century and into the twentieth. N.

Scott Momaday made this discovery when he began his journey to learn about the Kiowa and his paternal lineage. Following the death of his beloved Kiowa grandmother, Aho, in 1963 Momaday set out on his quest to learn and document the Kiowa heritage, stories, and folklore. His Kiowa-speaking father, artist Al Momaday, served as translator when Scott visited tribal elders to ask about their memories and stories. Scott gathered these stories into The Journey of Tai-me. Originally published only in a limited edition in 1967, The Journey of Tai-me is recognized as the basis from which Momaday's more popular The Way to Rainy Mountain grew. When compiling The Way to Rainy Mountain, published by the University of New Mexico Press, Momaday added his own memories and some poems.
