Hard As Steel: A Hard Ink/Raven Riders Crossover Laura Kaye 2015-12-21 From New York Times and USA Today bestselling author Laura Kaye comes a new story in her Hard Ink/Raven Riders Crossover series... After identifying her employer's dangerous enemies, Jessica Jakes takes refuge at the compound of the Raven Riders Motorcycle Club. Fellow Hard Ink tattooist and Raven leader Ike Young promises to keep Jess safe for as long as it takes, which would be perfect if his close, personal, round-the-clock protection didn't make it so hard to hide just how much she wants him--and always has. Ike Young loved and lost a woman in trouble once before. The last thing he needs is alone time with the sexiest and feistiest woman he's ever known, one he's purposely kept at a distance for years. Now, Ike's not sure he can keep his hands or his heart to himself--or that he even wants to anymore. And that means he has to do whatever it takes to hold on to Jess forever. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as

we do.**

Harbinger of Destiny Tina Folsom 2023-08-09 In 2085, humankind is at the brink of extinction. The only hope for survival is to send young men back in time to find fertile women and bring them back to the future. Unceremoniously dumped by his beautiful and high-maintenance girlfriend in 2085, Joshua Fletcher signs up for the time-travel program. He hopes for an escape, thinking that things were easier in the good old days. But 2025 is no walk in the park, at least not for Amy Brooks. After aging-out of the foster care system, she's on her own. Making friends doesn't come easy. She's doing her best to keep afloat by working in a coffee shop, while attending community college. But secretly, she dreams of a better life and of finding love, yet knows that all she'll ever receive is pity. When she meets Joshua, who defends her in a precarious situation, she doesn't know whether to trust him. He's just too good to be true. 1001 Albums You Must Hear Before You Die Robert Dimery 2011-12-05 What did Time magazine consider the twentieth-century's greatest album? Which anthem by Prince was an attempt to emulate Bob Seger? And what links Count Basie and Batman? If you thought you knew your music, then think again. *1001 Albums You Must Hear Before You Die*, is totally revised and fully updated for 2013, and is the definitive guide to accompany your interest in music. Written by top UK and US music journalists, and includes a preface by Michael Lydon, the founding editor of the Rolling Stone magazine. It celebrates the great and ground-breaking albums throughout the eras - from the genesis of Fifties rock 'n' roll to the technological and electronic innovations of the 2000s. Each entry includes key tracks and explains exactly why each of these albums deserved to be included in the list, offering an insight into the process of their creation, development, and success. With albums from Elvis Presley, Frank Sinatra, Miles Davis, The Rolling Stones, Bob Dylan, The Sex Pistols, ACDC, Ray Price, the Beach Boys, Sonic Youth, P J Harvey, Jack White, Green Day, Christina Aguilera, and the latest from David Bowie, as well as new cutting-edge entries such as Kendrick Lamar and Django Django, *1001 Albums You Must Hear Before You Die* covers all the works that have formed part of the soundtracks to all our lives, at one point or another. Illustrated with more than 900 iconic images of album covers, bands and artists, as well as photographs from many legendary gigs, *1001 Albums You Must Hear Before You Die*, covers from the 1950s to the present and is the single most comprehensive list of music that changed the world, an absolute must-have for all the musically inspired.

Guardian Undone Tina Folsom 2017-12-26 Stealth Guardian warrior Logan Frazer is loyal to his race, but when he's ordered to eliminate a psychic so

she won't fall into the hands of the demons and help them destroy mankind, he goes rogue and saves her instead. Winter Collins doesn't know that she's a psychic and that the terrible nightmares she experiences are actually visions, until demons come knocking at her door. Fortunately, a brave immortal warrior saves her, and an instant, electric connection forms between the beautiful psychic and the man convinced she's more valuable alive than dead. On the run for their lives, Logan and Winter must not only evade the demons, but the Stealth Guardians bent on eliminating her. A desperate race against time begins as Logan draws on all his resources—including his connection to the vampires and witches of Scanguards—to save the woman he's falling in love with. ***Scanguards Fans*** This book is a cross-over between Scanguards Vampires and the Stealth Guardians. Samson's Lovely Mortal (Scanguards Vampires #1) Tina Folsom 2012 Vampire bachelor Samson can't get it up anymore. Not even his shrink can help him. That changes when the lovely mortal auditor Delilah tumbles into his arms after a seemingly random attack. Suddenly there's nothing wrong with his hydraulics - that is, as long as Delilah is the woman in his arms. His scruples about taking Delilah to bed vanish when his shrink suggests it's the only way to cure his problem. Thinking all he needs is one night with her, Samson indulges in a night of pleasure and passion.

However, another attack on Delilah and a dead body later, and Samson has his hands full: not only with trying to hide the fact he's a vampire, but also with finding out what secrets Delilah harbors for somebody to want her harm. Researching Violence Against Women Mary Ellsberg 2005 Draws on the collective experiences and insights of many individuals, and in particular from the implementation of the WHO Multi-country Study on Women's Health and Domestic Violence against Women in over 10 countries. Twenty years ago, violence against women was not considered an issue worthy of international concern. Gradually, violence against women has come to be recognized as a legitimate human rights issue and as a significant threat to women's health and well-being. Now that international attention is focused on gender-based violence, methodologically rigorous research is needed to guide the formulation and implementation of effective interventions, policies, and prevention strategies. The manual has been developed in response to the growing need to improve the quality, quantity, and comparability of international data on physical and sexual abuse. It outlines some of the methodological and ethical challenges of conducting research on violence against women and describes a range of innovative techniques that have been used to address these challenges.

Yankee in the Wind Tina Folsom 2022-04-26 When investigating the death of his fellow Stargate agent, Jack "Yankee" Porter meets the dead man's cousin, Lilly Davis, who's questioning the circumstances of her cousin's death. Following the clues, Yankee and Lilly must realize that the mysterious Mr. Smith, who's been hunting former Stargate agents, has something even more nefarious in store for the agents of the now defunct top-secret CIA program—not to kill them, but to use them for his own evil purpose. About the series Gifted with precognitive skills and trained by the CIA in a top-secret program that not even the top brass of the agency was aware of, the Stargate agents were once the nation's most powerful secret asset. Betrayed by unknown enemies, unable to trust anyone—not even one another—the Stargate Agents hold the key to unmasking a conspiracy steeped in greed, power and revenge. To survive, they'll have to solve what lies behind the recurring premonitions they experience, and stop an impending disaster. But the demons might soon have a powerful tool in their hands to seduce humans to the dark side. The person to provide them with this elixir is the human scientist Leila. Unbeknownst to her, the drug she's developing to cure Alzheimer's Disease has the unexpected side effect of weakening the mind's resistance to the influence of demons. As Aiden accepts the assignment to protect Leila, forbidden desire flares between them, and they are forced to rely on the only people they can trust: each other. But even if he can save her from the demons, a union between them might be the most dangerous undertaking of all. Master Unchained After a painful betrayal in his past, Immortal Stealth Guardian Hamish MacGregor vows to never get involved with another human. But when he is charged with protecting Councilwoman Tessa Wallace from the Demons of Fear, his powerful desire for her soon makes this routine assignment the greatest challenge he's ever faced. Caught between mortal danger and immortal passion, Tessa and Hamish must work together to defeat their enemies and bring peace back to a city in turmoil... and they discover that falling in love can be the most dangerous adventure of all. Warrior Unraveled Scanguards witch Wesley Montgomery is determined to form an alliance between his group and the elusive Stealth Guardians. But Virginia

Robson—ex-enforcer, newly minted member of the Stealth Guardian Council, and a woman who gets Wesley’s heart pumping in his chest—isn’t making it easy for him. The fiery redhead thinks that Wesley was sent by the demons to infiltrate them—a belief that is reinforced when the Stealth Guardians are attacked in their stronghold. Despite her better judgment, Virginia is drawn to the handsome witch who offers his assistance in her race’s never-ending war against the demons. But can she trust a stranger of whom she knows nothing, even though his touch ignites a need in her that she’s denied her whole life? What will prove more difficult for the pair: finding a future together, or battling the demons that threaten them at every turn? The Scanguards® series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series!" When vampire hybrid Ryder Giles is assigned to protect introvert trust fund baby and PhD candidate Scarlet King, whom other bodyguards call difficult and manipulative, he believes he’ll be able to calm the waters. After all, he’s the cool-headed bodyguard Scanguards assigns when all others throw in the towel. Little does he know that Scarlet is the hot-blooded seductress who gave him a false name the night before during their wild sexual encounter at a nightclub, an encounter that turns out to be life-altering for Ryder. When secrets and intrigue collide, Scarlet and Ryder have to find the courage to trust each other to avert the coming tragedy, or lose each other before their love has a chance to blossom. ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced

action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire Samson Woodford lives in San Francisco and owns a security/bodyguard company, Scanguards, which employs both vampires and humans. And eventually some witches. Throw in a few immortal guardians and demons later in the series, and you'll get the drift! Each book can be read as a standalone and always centers around a new couple finding love, but the series is more enjoyable when read in order. And of course, there are always a few running jokes - you'll understand when you meet Wesley, a wannabe witch. Enjoy! The Little Black Book of Neuropsychology Mike R. Schoenberg 2011-01-11 From translating the patient's medical records and test results to providing recommendations, the neuropsychological evaluation incorporates the science and practice of neuropsychology, neurology, and psychological sciences. The Little Black Book of Neuropsychology brings the practice and study of neuropsychology into concise step-by-step focus—without skimping on scientific quality. This one-of-a-kind assessment reference complements standard textbooks by outlining signs, symptoms, and complaints according to neuropsychological domain (such as memory, language, or executive function), with descriptions of possible deficits involved, inpatient and outpatient assessment methods, and possible etiologies. Additional chapters offer a more traditional approach to evaluation, discussing specific neurological disorders and diseases in terms of their clinical features, neuroanatomical correlates, and assessment and treatment considerations. Chapters in psychometrics provide for initial understanding of brain-behavior interpretation as well as more advanced principals for neuropsychology practice including new diagnostic concepts and analysis of change in performance over time. For the trainee, beginning clinician or seasoned expert, this user-friendly presentation incorporating 'quick reference guides' throughout which will add to the practice armentarium of beginning and seasoned clinicians alike. Key features of The Black Book of Neuropsychology: Concise framework for understanding the neuropsychological referral. Symptoms/syndromes presented in a handy outline format, with dozens of charts and tables. Review of basic neurobehavioral examination procedure. Attention to professional issues, including advances in psychometrics and diagnoses, including tables for reliable change for many commonly used tests. Special "Writing Reports like You Mean It" section and guidelines for answering referral questions. Includes appendices of practical information, including neuropsychological formulary. The Little Black Book of Neuropsychology is an indispensable

resource for the range of practitioners and scientists interested in brain-behavior relationships. Particular emphasis is provided for trainees in neuropsychology and neuropsychologists. However, the easy to use format and concise presentation is likely to be of particular value to interns, residents, and fellows studying neurology, neurological surgery, psychiatry, and nurses. Finally, teachers of neuropsychological and neurological assessment may also find this book useful as a classroom text. "There is no other book in the field that covers the scope of material that is inside this comprehensive text. The work might be best summed up as being a clinical neuropsychology postdoctoral residency in a book, with the most up to date information available, so that it is also an indispensable book for practicing neuropsychologists in addition to students and residents...There is really no book like this available today. It skillfully brings together the most important foundations of clinical neuropsychology with the 'nuts and bolts' of every facet of assessment. It also reminds the more weathered neuropsychologists among us of the essential value of neuropsychological assessment...the impact of the disease on the patient's cognitive functioning and behavior may only be objectively quantified through a neuropsychological assessment." Amaury's Hellion (Scanguards Vampires #2) Tina Folsom 2010 Vampire Amaury LeSang is cursed to feel everybody's emotions like a permanent migraine. The only way to alleviate the pain is through sex. When he meets the feisty human woman Nina, a cure for his ailment seems within reach: in her presence all pain vanishes. Unfortunately, Nina is out to kill him because she believes he's involved in her brother's death. And she would succeed if only Amaury's bad boy charm didn't play havoc with her hormones and catapulted her into his arms and his bed every time she was near him. As every kiss brings them physically closer, danger is lurking and threatens to destroy the little trust they have in each other. Love Makes Room FRENES 2021-05-11 When Christian singer and speaker Staci Frenes learned her teenage daughter was gay, she found her dreams for the future--along with her lifelong faith--collapsing around her. Coming to terms with a new reality was a challenge--and an invitation--to make room for many things along the way: the inevitability of uncertainty, hope in the midst of loss, awkward and tough conversations, an expanding faith, and a greater understanding of how people are more the same than different. In Love Makes Room, Frenes helps readers see that a reimagined future may look different than our old hoped-for pictures of ourselves and our families, but it can also be wider, deeper, and more fulfilling than we ever dreamed.

Fox in plain Sight Tina Folsom 2021-07-04 Nicholas "Fox" Young, brilliant computer programmer and ex-Stargate Program operative in hiding, is close to his goal of accessing information, which could bring him one step closer to finding his fellow Stargate agents and shedding light on the recurring nightmarish premonition that haunts his dreams. But the online cat-and-mouse game he's been playing with ex-hacker and now CIA-contractor, Michelle Andrews, gets elevated to a new level when circumstances thrust them together. Suddenly, passion ignites the blood of the cool computer genius, and he has to balance the risk of letting the fiery woman close enough to catch him with the need of feeling her shudder in his arms. But no matter his decision, they might already be doomed, because Nick's real enemies are lurking in the shadows. NOTE: This book was previously published under the title Seek (Hide & Seek, Phoenix Code) in collaboration with Lara Adrian. About the series Gifted with precognitive skills and trained by the CIA in a top-secret program that not even the top brass of the agency was aware of, the Stargate agents were once the

nation's most powerful secret asset. Betrayed by unknown enemies, unable to trust anyone—not even one another—the Stargate Agents hold the key to unmasking a conspiracy steeped in greed, power and revenge. To survive, they'll have to solve what lies behind the recurring premonitions they experience, and stop an impending disaster. The Violence of Incarceration Phil Scraton 2023-04-21 Conceived in the immediate aftermath of the humiliations and killings of prisoners in Afghanistan and Iraq, of the suicides and hunger strikes at Guantanamo Bay and of the disappearances of detainees through extraordinary rendition, this book explores the connections between these shameful events and the inhumanity and degradation of domestic prisons within the 'allied' states, including the USA, Canada, Australia, the UK and Ireland. The central theme is that the revelations of extreme brutality perpetrated by allied soldiers represent the inevitable end-product of domestic incarceration predicated on the use of extreme violence including lethal force. Exposing as fiction the claim to the political moral high ground made by western liberal democracies is critical because such claims animate and legitimate global actions such as the 'war on terror' and the indefinite detention of tens of thousands of people by the United States which accompanies it. The myth of moral virtue works to hide, silence, minimize and deny the brutal continuing history of violence and incarceration both within western countries and undertaken on behalf of western states beyond their national borders.

The Turtle Moves! Lawrence Watt-Evans 2008-07-01 After growing from humble beginnings as a Sword & Sorcery parody to more than 30 volumes of wit, wisdom, and whimsy, the Discworld series has become a phenomenon unlike any other. Now, in *The Turtle Moves!*, Lawrence Watt-Evans presents a story-by-story history of Discworld's evolution as well as essays on Pratchett's place in literary canon, the nature of the Disc itself, and the causes and results of the Discworld phenomenon, all refreshingly free of literary jargon littered with informative footnotes. Part breezy reference guide, part droll commentary, *The Turtle Moves!* will enlighten and entertain every Pratchett reader, from the casual browser to the most devout of Discworld's fans.

Intellectual Morons Daniel J. Flynn 2004-09-21 Why do well-educated antiwar activists call the president of the United States “the new Hitler” and argue that the U.S. government orchestrated the September 11 attacks? Why does Al Gore believe that cars pose “a mortal threat to the security of

every nation"? Why does the Princeton professor known as the father of the animal rights movement object to humans eating animals but not to humans having sex with them—and why does PETA defend that position? In other words, why do smart people fall for stupid ideas? The answer, Daniel J. Flynn reveals in *Intellectual Morons*, is ideology. Flynn, the author of *Why the Left Hates America*, shows how people can be so blinded to reality by the causes they serve that they espouse bizarre, sometimes ridiculous, and often dangerous positions. The most influential social movements have spawned ideologues who do not care whether an idea is good or bad, true or false, but only whether it can serve their cause. It is startling how many Americans—and particularly how many media, academic, and political elites—fall for bad ideas. The trouble is, their lies become institutionalized as truth, and we all suffer as a result. In *Intellectual Morons*, Flynn reveals:

- How rabid anti-Americans simply parrot the delusional claims of a few gurus
- How the environmental movement, spawned by a “scientist” whose doomsday predictions are almost always wrong, has bred fanaticism, stupidity, and dishonesty
- How the hero of the animal rights crowd is a crank who promotes infanticide and euthanasia
- How a scientific fraud—and pervert—launched the sexual revolution
- How abortion rights activists ignore (or cover up) the fact that their matron saint advocated eugenics and concentration camps
- How our universities have become hothouses of leftist ideology
- How historians and journalists have airbrushed history to turn a racial separatist into a civil rights icon

Filled with jaw-dropping lapses in common sense from even our most celebrated opinion leaders, *Intellectual Morons* is a welcome reality check for the glaring excesses of today’s political and cultural debates. "This is a sophisticated pile driver of a book, guiding us through the wiles of great luminaries of the netherworld. And such liveliness in the writing, and such erudition. I was quite fascinated by *Intellectual Morons*."—William F. Buckley, Jr. "Intellectual Morons is exceptionally aptly named. The thought of all that brainpower going down the intellectual drain is sad, but Daniel Flynn's description of it is hilariously on point. This is must reading."—G. Gordon Liddy "Intellectual Morons is a delight—a wonderful intellectual history of the past hundred years. Flynn ably describes the purveyors of the bad ideas that have undermined our free society."—Burton W. Folsom, Jr., professor of history, Hillsdale College "A famous bit of folk wisdom says, 'You've got to stand for something or you'll fall for anything.' Some of the crackpot notions now fashionable in academic circles, as here documented by Daniel Flynn, suggest that saying is an understatement. If you want to know how crazy, and scary, intellectual morons can get, you have to read this book."—M. Stanton Evans, author of *The Theme Is Freedom*, contributing editor to *Human Events*

Thomas's Choice (Scanguards Vampires #8) Tina Folsom ☐ ☐ ☐ ☐ ☐ Lara Adrian, New York Times Bestselling Author of the *Midnight Breed* series: "I'm addicted to Tina Folsom's books! The Scanguards® series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series!" Scanguards vampire and master of mind control Thomas has mentored newbie vampire Eddie for over a year--and been in love with him for just as long. But he believes that his love will never be reciprocated. While patrolling San Francisco for evil vampires, Eddie kisses Thomas as a diversionary tactic and is shaken to the core by his reaction. He's terrified of his sexual attraction to his mentor and afraid that moving forward and giving into his desires will destroy the relationship they have. When hurt and disappointment about Eddie's inability to commit leads Thomas onto a dark path that spells destruction for all those he loves, only Eddie can pull him back from the brink of eternal darkness. But does Eddie have the courage to face his true feelings in time to save the man who's meant for him? ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. The Scanguards® series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series!" As a hybrid vampire who not only works as a bodyguard for Scanguards, but also moonlights at the nightclub Mezzanine, owned by his father and Samson, Damian has his pick of beautiful women. But when journalist Naomi Sutton breaks into the nightclub's office while investigating allegations of supposed blood rituals at the club, Damian's blood stirs in a way it never has before. But how can he keep Naomi from digging up his secrets when he wants nothing more than to make love to her and sink his fangs into her lovely neck? The disappearance of a bartender, a mix-up with his twin brother, and a theft throw a wrench into Damian's life and might force him to tell Naomi the truth about himself. But can a reporter keep such a secret? ABOUT THE SERIES The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. David and Goliath Malcolm Gladwell 2013-10-03 Why do underdogs succeed so much more than we expect? How do the weak outsmart the strong? In *David and Goliath* Malcolm Gladwell, no.1 bestselling author of *The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw*, takes us on a scintillating and surprising journey through the hidden dynamics that shape the balance of power between the small and the mighty. From the conflicts in Northern Ireland, through the tactics of civil rights leaders and the problem of privilege, Gladwell demonstrates how we misunderstand the true meaning of advantage and disadvantage. When does a traumatic childhood work in someone's favour? How can a disability leave someone better off? And do you really want your child to go to the best school he or she can get into? *David and Goliath* draws on the stories of remarkable underdogs, history, science, psychology and on Malcolm Gladwell's unparalleled ability to make the connections others miss. It's a brilliant, illuminating book that overturns conventional thinking about power and advantage. 'A global phenomenon... there is, it seems, no subject over which he cannot scatter some magic dust' Observer

A Touch of Greek (Out of Olympus #1) Tina Folsom 2010 Romantic Comedy about Greek Gods Selfish and gorgeous Greek God Triton is cast out of Olympus after seducing Zeus' mistress and can only gain reentry if he finds a woman who loves him for his kindness and selflessness, not his beauty. When the mortal Sophia - recovering from an eye operation and virtually blind - needs a home healthcare worker, he takes on the role, hoping she will be his ticket home. While defending Sophia from an unknown adversary, Triton's protective instinct emerges. At the same time rival Gods do everything to doom him to failure. And even if Triton can win Sophia's love, will he throw it away to return home, or will he lose his own heart to the only woman who truly sees him? *A Touch of Greek* is the first book in the humorous paranormal romance series *Out of Olympus* following the romantic adventures of four Gods: Triton, Dionysus, Eros, and Hermes. 1001 Dark Nights: Bundle Twenty Rebecca Zanetti 2019-09-17 From New York Times and USA Today bestselling authors Rebecca Zanetti, Kristen Ashley, Larissa Ione, and Laura Kaye. Four Dark Tales. Four Sensual Stories. Four Page Turners. **BLAZE ERUPTING: Scorpius Syndrome/A Brigade** Novella by Rebecca Zanetti Hugh Johnson is nobody's hero, and the idea of being in the limelight makes him want to growl. He takes care of his brothers, does his job, and enjoys a mellow evening hanging with his hound dog and watching the sports channel. So when sweet and sexy Ellie Smithers from his college chemistry class asks him to save millions of people from a nuclear meltdown, he doggedly steps forward while telling himself that the world hasn't changed and he can go back to his relaxing life. One look at Ellie and excitement doesn't seem so bad. **ROUGH RIDE: A Chaos** Novella by Kristen Ashley Rosalie Holloway put it all on the line for the Chaos Motorcycle Club. Informing to Chaos on their rival club—her man's club, Bounty—Rosalie knows the stakes. And she pays them when her man, who she was hoping to scare straight, finds out she's betrayed him and he delivers her to his brothers to mete out their form of justice. But really, Rosie has long been denying that, as she drifted away from her Bounty, she's been falling in love with Everett "Snapper" Kavanagh, a Chaos brother. Snap is the biker-boy-next door with the snowy blue eyes, quiet confidence and sweet disposition who was supposed to keep her safe...and fell down on that job. **HAWKYN: A Demonica** Novella by Larissa Ione As a special class of earthbound guardian angel called Memitim, Hawkyn is charged with protecting those whose lives are woven into the fabric of the

future. His success is legendary, so when he's given a serial killer to watch over, he sees no reason for that to change. But Hawkyn's own future is jeopardized after he breaks the rules and rescues a beautiful woman from the killer's clutches, setting off an explosive, demonic game of cat and mouse that pits brother against brother and that won't end until someone dies. RIDE DIRTY: A Raven Riders Novella by Laura Kaye Caine McKannon is all about rules. As the Raven Riders' Sergeant-at-Arms, he prizes loyalty to his brothers and protection of his club. As a man, he takes pleasure wherever he can get it but allows no one close—because distance is the only way to ensure people can't hurt you. And he's had enough pain for a lifetime. Kids and school are kindergarten teacher Emma Kerry's whole life, so she's stunned to realize she has an enemy—and even more surprised to find a protector in the intimidating man who saved her. Tall, dark, and tattooed, Caine is unlike any man Emma's ever known, and she's as uncertain of him as she is attracted. Every Dark Nights tale is breathtakingly sexy and magically romantic.

The Scanguards® series is one of the hottest things to happen to vampire romance. If you love scorching, fast-paced reads, don't miss this thrilling series!" Grayson Woodford, the stubborn heir to the Scanguards empire, resents the fact that his father, Samson, is trying to play matchmaker and set him up with the daughter of an old friend. Vampire hybrid Monique Montague is just as pissed off with her father, Cain, the vampire king of Louisiana, for trying to trick her into dating Grayson, whom she only remembers as spoiled and arrogant from when they were kids. She refuses to attend the party where she's supposed to meet Grayson, and instead, picks up a stranger in a bar for a night of wild sex, not realizing that the stranger is no other than Grayson. After their night of passion, a kidnapping suddenly turns their world upside down and thrusts them back together. Forced to work with each other, they have to set aside their prejudices in order to save their families. Lover Uncloaked Tina Folsom 2012-10-31 Able to render themselves invisible, immortal Stealth Guardians like Aiden have been protecting humans from the dark power of the Demons of Fear for centuries. But the demons might soon have a powerful tool in their hands to seduce humans to the dark side. The person to provide them with this elixir is the human scientist Leila. Unbeknownst to her, the drug she's developing to cure Alzheimer's Disease has the unexpected side effect of weakening the mind's resistance to the influence of demons. As Aiden accepts the assignment to protect Leila, forbidden desire flares between them, and they are forced to rely on the only people they can trust: each other. But even if he can save her from the demons, a union between them might be the most dangerous undertaking of all. Grease Bats Archie Bongiovanni 2019-09-11 Along with their friends and plenty of beer, Andy and Scout are just trying to make it through their 20s, survive late capitalism, and navigate the dating world. Tough and loving Andy is a genderqueer trans individual, who dates like there's no tomorrow while Scout, an all-feelings-all-the-time mistake-maker, is still languishing over her ex-girlfriend...from like two years ago. Created by Archie Bongiovanni (The Quick and Easy Guide to They/Them Pronouns) and originally published on Autostraddle, this edition collects all the best misadventures, internet dates, and bad decisions in one place!

Boring Postcards Martin Parr 2004-03-01 Martin Parr is a key figure in the world of photography and contemporary art. Some accuse him of cruelty, but many more appreciate the wit and irony with which he tackles such subjects as bad taste, food, the tourist, shopping and the foibles of the British. Parr has been collecting postcards for 20 years, and here is the cream of his collection - his boring postcards. With no introduction or commentary of any kind, Parr's boring postcards are reproduced straight. They are exactly what they say they are, namely boring picture postcards showing boring photographs of boring places, presumably for boring people to buy to send to their boring friends. All of them are shot in Britain, taking us on a boring tour of its motorways, ring roads, traffic interchanges, bus stations, pedestrian precincts, factories, housing estates, airports, caravan sites, convalescent homes and shopping centres. Some attempt to idealize their subjects, only to fail dismally. Others lack any apparent purpose or interest, but the resultant collection of photographic images is wholly compelling. Boring Postcards is multi-layered: a commentary on British architecture, social life and identity, a record of a folk photography which is today being appropriated by the most fashionable photographers (including Parr), an exercise in sublime minimalism and, above all, a richly comic photographic entertainment.

Plum Hollie McNish 2017-06-15 A wise, rude, sharp poetry collection encompassing a life from childhood to attempted adulthood, from one of the most important poets of the new generation. 'She writes with honesty, conviction, humour and love. She points out the absurdities we've grown too used to and lets us see the world with fresh eyes.' - Kae Tempest Hollie McNish, winner of the Ted Hughes Award for Poetry, has thrilled and entranced audiences the length and breadth of the UK with her compelling and powerful performances. Plum, her debut for Picador Poetry, is a wise, sometimes rude and piercingly candid account of her memories from childhood to attempted adulthood. This is a book about growing up, about flesh, fruit, friendships, work and play - and the urgent need to find a voice for the poems that will somehow do the whole glorious riot of it justice. Throughout Plum, McNish allows her recent poems to be interrupted by earlier writing from her younger selves - voices that speak out from the past

with disarming and often very funny results. Plum is a celebration, a salute to a life in which we are always growing, stumbling, falling, changing and discovering new selves to add to our own messy store. It will leave the reader in no doubt as to why McNish is considered one of the most important poets of the new generation.

Social Media Is Bullshit B. J. Mendelson 2012-09-04 A provocative look at social media that dispels the hype and tells you all you need to know about using the Web to expand your business If you listen to the pundits, Internet gurus, marketing consultants, and even the mainstream media, you could think social media was the second coming. When it comes to business, they declare that it's revolutionizing advertising, PR, customer relations—everything. And they all agree: it is here to stay. In this lively, insightful guide, journalist and social critic B.J. Mendelson skillfully debunks the myths of social media. He illustrates how the notion of "social media" first came to prominence, why it has become such a powerful presence in the marketing field, and who stands to benefit each time it's touted in the press. He shows you why all the Facebook friends and Twitter followers in the world mean nothing to you and your business without old-fashioned, real-world connections. He examines popular tales of social media "success," and reveals some unsettling truths behind the surface. And he tells you how to best harness the potential of the Internet—without spending a fortune in the process. Social media is bullshit. This book gives the knowledge and tools you really need to connect with customers and grow your brand.

Limitless S. J. D. PETERSON 2018-10-09 Even within the context of the Underground BDSM Club, Joshua's desires are dark and extreme. Hopelessly addicted to pain and the high it gives him, he has no limits. Joshua would quite literally rather die than use a safeword, and he accepts that might be his fate. As much as he depends on others, he has yet to find a man who can gain his trust, and he has little hope that he ever will. For Nash, acquiring Joshua from another Dom at the club is only the first step in what will be a long and arduous road to lure the young man back from the brink of self-destruction. He must do the impossible and win Joshua's trust, and he must be the one to set limits in their exploration—something he's unaccustomed to as a Dom. But Nash knows dominance doesn't always mean pushing a submissive's boundaries. It's about establishing a bond and fulfilling another man's needs. In Joshua's case, he'll have to strike a balance between meeting the young man's expectations and drawing firm lines that will save Joshua from himself.

Uproarious Cynthia Willett 2019 "Placing theorists in conversation with comedians, *Uproarious* offers a full-frontal approach to the very foundation of comedy and its profound political impact. Here Cynthia Willett and Julie Willett address the four major theories of humor—superiority, relief, incongruity, and social play—through the lens of feminist and game-changing comics Wanda Sykes, Margaret Cho, Hannah Gadsby, Hari Kondabolu, and Tig Notaro."--

Marianne Dreams Catherine Storr 2014-06-03 'I could get in,' Marianne thought, 'if there was a person inside the house. There has got to be a person. I can't get in unless there is somebody there.' A powerful and haunting classic about a girl haunted by her own dreams. Ill and bored with having to stay in bed, Marianne picks up a pencil and starts doodling - a house, a garden, a boy at the window. That night she has an extraordinary dream. She is transported into her own picture, and as she explores further she soon realises she is not alone. The boy at the window is called Mark, and his every movement is guarded by the menacing stone watchers that surround the solitary house. Together, in their dreams, Marianne and Mark must save themselves . . . The perfect gift for children aged 8+, this well-loved classic will delight a new generation of readers of the Faber Children's Classics list.
