A Kiss To Remember (Lesbian Erotic Stories Bundle) - Chloe West

A Kiss To Remember is a bundle of 3 sexy lesbian erotic romance stories featuring steamy, sensual, and sweet F/F romance. From first time experiences with another woman, to new and blossoming love, to steamy, hot, and passionate nights, these three lesbian F/F erotic stories by Chloe West are sure to leave you satisfied. Contained in this 200 page collection are the books A Party To Remember, A Ride To Remember, and A Rose To Remember. * A Party To Remember Kimmy was going to the office party alone. Her husband was supposed to be there with her, but as usual, he didn't turn up. It wasn't surprising... their marriage was on the rocks, anyway. Talk about a dead bedroom, and thoughts of divorce... Kim expects this to be another boring, run of the mill party. She's going

to sip a little wine, make a little inane small talk, and then go home thinking it was all one big waste of time. What she never expected was to lock eyes with a woman and feel utterly drawn to her... What she never expected was to find herself fantasizing about this woman in... private ways. And what she certainly never expected was to be taken by this woman and shown a whole new side of her... something she never thought she had in her. Kimmy never would have guessed that she would love being loved by another woman. * A Ride To Remember Emma never expected to be ditched by her rotten boyfriend, stranded in the middle of nowhere, while on their way to New Orleans. But here she was, alone and in need of help. And then she saw Dee. The woman rode in on her motorbike, oozing sexuality and dark promises. The woman offered her a ride, and with no other options, Emma accepted. What Emma didn't know was that this would be a ride to remember. She never expected the woman to reach backward

with a hand while still on the bike... She never expected the woman's fingers to rub up against her most private place. She never expected the woman to bring her to white-hot completion... It was just supposed to be an innocent ride on the back of a motorcycle. Instead, Emma discovered a brand new side of herself for the very first time. * A Rose To Remember The very first time I met her, Rose, sent a heat rushing to my center. She had a way about her, a grace and beauty... and, God, if she wasn't sexy as sin. I was inexperienced... innocent. I didn't know love... I didn't understand lust. Until her. Until Rose. She took me under her arm. She taught me new things... new things about myself. New things about pleasure. We danced naked in the rain. We devoured one another into ecstasy. This is the story of me and Rose. Of my very first time. Of my very first woman. *

arrives at the theater. Instead of a typical strip-club setup, the stage is decorated with a single Victorian bed highlighted under a bright spotlight. When the first nude performer walks shyly onto the stage, at first she pulls the sheets high up over her chest while she pretends to touch herself. If she can withstand Hannah's stimulation at various public events, Hannah will pay for an all-expense paid trip to Bora Bora. As she participates in the various readings and singing of hymns, Jade finds it increasingly difficult not to surrender to the pleasure emanating inside her. Her next challenge is to sit quietly in a

library surrounded by two very attractive visitors. While Hannah slowly raises the level of stimulation from a nearby table, Jade struggles to control herself as her seat mates begin to notice her squirming in agony. Just when she thinks it can't get any more difficult, Hannah asks her to be a model at a nude figure painting class.
