Blurring The Lines - Prachi Jain

Blurring the lines is a symbolism of the thin vague line separating feelings of friendship from those of romance. As humans, our feelings are a major part of who we are, it is the backbone of our personality. Our feelings direct our actions. So once someone crosses that thin line, the world starts to feel heavy and it's hard to come to terms with what we've realised. Sometimes we even try to push these feelings away to protect ourselves against this new found adoration. Unfortunately, our emotions are like toddlers, stubborn and unrelenting to reason. It wants what it wants. On the other hand, there are memories that always bring smile on our face. These are the memories that make us believe that sun will rise again and we are gonna happy again. The nostalgic feeling smells same as earth after first rain. And smell always uplifts one's soul. Blurring the lines dictates such stories where people have crossed these lines, unceremoniously falling for their best friends. This book is for those unlucky strangers who had blindly fallen for their close ones, and has been left broken at the end. This book is for the ones who are struggling with their feelings, trying to figure out a way to overcome these feelings. This book teaches you that it's okay to fall in love and to fall out of it. In life, it is quite difficult to tag a bond you share with your loved ones by a name. It is more complex at times, as your best friend can also be your brother, mentor, and partner in crime too. Love is something that transcends all the boundaries. Sometimes the lovable bond with your loved ones could be more than what it is actually been tagged by others or given a name by you to define. The blurred lines that not really matters but the real love you share with each other outshines above all.

This is why guys that read it don't read or recommend anything else. Because the few men who "get it" spend the rest of their lives enjoying sexy girls in abundance - and so can you. You can learn to get ANY girl you want, the same way that all men who are naturally good with women have. The only difference is that you may learn it much FASTER, instead of wasting tons of time and money on fruitless dates or a new

car/haircut/shirt that you BELIEVE will make you more attractive - but really doesn't. You see; men LACK success with women because they either don't understand what women are attracted to, or because they THINK that they do know, but have the wrong ideas and hence waste a lot of time - sometimes their entire life - chasing things they don't need. You know you have to get this book if you believe women want men with money, cars, or anything else that is manmade, because that doesn't make any sense. If women really were attracted to something unnatural, how did men meet women before any of those things were invented? The approach you'll learn in The Manual is very different from conventional dating and the advice you find in the mainstream media because it focuses on natural attraction - on what women REALLY want - not what they CLAIM they want or what males in general BELIEVE women want. It incorporates men's and women's socialization and explains phenomena's such as why men think women are attracted to things such as money (yet money is a man-made invention that has not even EXISTED very long) and why women "play hard to get" (a well-known phrase which amusingly reveals that women ARE easy but only pretend not to be). This is why the beginning of the book addresses your basic beliefs and mindset, because if you learn to THINK correctly, you will automatically behave correctly around women. Even if they are so stunning they normally take your breath away, your mind goes blank, and you run out of words. You already have what it takes to seduce women. Like, if you never run out of words around your close friends or family, you should be able to talk to a hot girl without making a fool out of yourself. You are the Man!!!

Enemy Lines - Margaret Trawick 2007-04-11

Enemy Lines captures the extraordinary story of boys and girls coming of age during a civil war. Margaret Trawick lived and worked in Batticaloa in eastern Sri Lanka, where thousands of youths have been recruited into the Sri Lankan armed resistance movement known as the Tamil Tigers. This compelling account of her experiences is a powerful exploration of how children respond to the presence of war and how adults have responded to the presence of children in this conflict. Her beautifully written account, which includes voices of the teenagers and young adults who have joined the Tamil Tigers, brings alive a region where childhood, warfare, and play have become commingled in a world of continuous uncertainty.

Aglaia - Charles Segal 1998

In this landmark collection of essays, renowned classicist Charles Segal offers detailed analyses of major texts from archaic and early classical Greek poetry; in particular, works of Alcman, Mimnermus, Sappho, Pindar, Bacchylides, and Corinna. Segal provides close readings of the texts, and then studies the literary form and language of early Greek lyric, the poets' conception of their aims and their art, the use of mythical paradigms, and the relation of the poems to their social context. A recurrent theme is the recognition of the fragility and brevity of mortal happiness and the consciousness of how the immortality conferred by poetry resists the ever-threatening presence of death and oblivion, fixing in permanent form the passing moments of joy and beauty. This is an essential book for students and scholars of ancient Greek poetry.

This is a 2 in 1 bundle book of "How to Win Girlfriends, Attract Women, and Influence People," and "90+ Sexual Innuendo Triggers for Men," book. It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip

D. embarks on his own long journey, one punctuated by plane crashes, murder, coal mining, and--perhaps most disturbing of all--corruption in the ranks of a collegiate marching band. *How to Text a Girl* - J.
