The Power of Flow - Charlene Belitz 2011-10-05
Imagine feeling as though the world is working with you, not against you. Imagine a day in which you make every green light and slip effortlessly into a parking spot in the most crowded part of town. You make a To Do list, and the people on it call you first. You turn on the radio just in time to hear the exact information you need. These meaningful coincidences, called synchronicity, are sure signs you are "in the flow." Based on new, groundbreaking research, *The Power of Flow* goes beyond other books on synchronicity to provide you with sixteen easy-to-understand techniques that allow you to access this magical state of flow and create a richer, more satisfying life.

Meet Your Soul - Elisa Romeo 2015-03-03
In this groundbreaking book, therapist and intuitive Elisa Romeo, takes Soul beyond an intellectual concept and into a direct and personal relationship. Pulling from depth psychology, years of practical experience, and touching stories from clients, Elisa brings substance and gravitas—and some levity—to the topic of how to live a Soulful life. This comprehensive, straightforward program contains effective meditations, visualizations, and inquiries to support you on the often messy, winding, and yet amusing path of discovering your Soul in modern times. *Meet Your Soul* not only tells you how to access your Soul connection but also preps you for some of the common obstacles you're likely to encounter on your journey. With her kind and informed direction, you'll learn to:

- Understand the crucial distinction between ego, Spirit, and Soul
- Create and cultivate a strong spiritual practice
- Distinguish your Soul Truth from the beliefs of family, friends, and society
- Clearly access the voice of your Soul
- Gain awareness of the key

Soul contracts in your life and discover your Divine purpose This book helps you meet the oldest, wisest, and most loving part of yourself—the part that gives meaning and purpose to your life. Elisa shows that each of us has the capacity to hear this personal, unique guidance directly. You needn't look outside yourself to a guru, program, or system; rather you can simply look within.

Refuse to Choose! - Barbara Sher 2006-03-07

It's Only Too Late If You Don't Start Now - Barbara Sher 2013-10-23

It's never too late—to reclaim your creativity, recapture long-lost dreams, and embark on an exciting new life! New York Times bestselling author Barbara Sher has transformed the lives of millions with her phenomenally successful books, workshops, and television appearances. Now, in a provocative new book, she offers a bold new strategy for creating a "second life"—no matter what your age! Combining step-by-step exercise with motivational techniques, she reminds you of the dreams you abandoned along the path to adulthood, providing all the tools you need to weave those aspirations into a richly textured, rewarding new life. According to Sher, it's never too late to start over. In fact, life's "second half" is the perfect time to do so, when dreams for the future and experiences of the past finally come together. So don't wait. Discover:

- How to make life's built-in "time limit" work for you
- How to identify—and overcome—the illusions that stand between you and your dreams
- Which of your "regrets" can point the way to a more rewarding life
- How to

rediscover the inspired, enthusiastic adventurer you wanted to be before you became the responsible adult you had to be • Dozens of ways to recapture your freedom, reclaim a sense of wonder, and embark on an amazing new beginning

You Shoulda Listened to Your Mother - Alice Zyetz 1998

When women must compete both with men and with each other, the best person to turn to for advice is Mom--their first role model.

Communication trainer Alice Zyetz takes 36 expressions from mothers and translates them into useful business adages for today's working woman.

Live the Life You Love - Barbara Sher 1996
Best-selling author Barbara Sher believes the simple 10 step programme she outlines in this book can help anyone to rediscover their dreams and turn them into reality.

Supercharged Retirement: Ditch the Rocking Chair, Trash the Remote, and Do What You Love - Mary Lloyd 2011-10

Life after retirement can be an exciting and rewarding experience, but only for those who plan for more than financial security.

Supercharged Retirement is a valuable wake-up call for readers who have focused exclusively on the monetary aspects of their post-working years. Readers will discover how they can conquer the emotional and personal challenges presented by stepping out of the workforce.

Mary Lloyd presents a new retirement paradigm, one that encourages individuals to utilize their skills and experience to meet the physical, mental, emotional, and spiritual demands of the retirement years. Supercharged Retirement challenges readers to change their assumptions about the essence of retirement, refocus their energies, rekindle their passions, and reawaken their drive to grow and learn. A funny, informed, and passionate guide for making retirement sparkle, Supercharged Retirement challenges conventional wisdom and skillfully blends anecdotes, practical advice, and exercises as it launches readers into a retirement adventure that will more than surpass their dreams.

[Childfree After Infertility](#) - Heather Wardell 2003-04

There are many books on infertility, and on being childfree. *Childfree After Infertility*:

Moving from Childlessness to a Joyous Life puts the two together, focusing solely on the formerly infertile, and how they have created happy, childfree lives. Including the stories of many who have made this transition, the book shows the infertile man or woman that it is possible to put infertility aside, and choose to live childfree, not childless. The book's upbeat tone leads the reader through what can be a difficult transition with grace and humour. Infertility can be devastating, affecting all facets of life. Readers of *Childfree After Infertility* will learn how their infertility has affected their lives, and how choosing to release their infertility and become childfree can open up a vast array of possibilities and opportunities that might never have existed had they remained childless.

Strategies for Successful Career Change - Martha E. Mangelsdorf 2010-11-17

Are you ready for a change? Whether you're seeking a more fulfilling job or rethinking your career goals after a layoff, the questions you face are crucial. In *Strategies for Successful Career Change*, seasoned business and career journalist Martha E. Mangelsdorf distills lessons from a diverse group of people who have made the leap and landed on their feet. To help you navigate the challenges, pitfalls, and rewards of career transition, this book will show you how to:

- Align your professional life with your personal goals
- Identify your transferable skills,

strengths, and constraints • Explore possible new careers in low-risk ways • Change careers while still paying the bills You'll assess your current work life and aspirations, while taking into account logistical realities such as finances, health insurance, and family obligations. Through exercises, resources, and inspiring stories from successful career-changers, this supportive and empowering guide will help you find your very best next work life. "If you're considering a career change, this book should be your go-to resource for insight, strategy, and practical advice. But even better, it serves up the inspiration we all need to do something great, thanks to real stories from people who've discovered their best life." --Keith Ferrazzi, author of *Never Eat Alone* and *Who's Got Your Back* "The genius of this book is its integration of solid, tried-and-true principles of career change with practical, engaging real-life stories of people who used them. An essential resource for career-changers and those who love them." --Margaret Benefiel, PhD, author of *Soul at Work* and *The Soul of a Leader* "If you're thinking about changing careers, Martha Mangelsdorf's book is a must-read. Even if you're not thinking about changing careers, it's a should-read. Her fascinating stories about successful career-changers will make you ask yourself vital questions that are all too easy to ignore." --Bo Burlingham, editor at large of *Inc.* magazine and author of *Small Giants: Companies That Choose to Be Great Instead of Big*

Introduction to the Alexander Technique - Bill Connington 2020-01-23

Introduction to the Alexander Technique, part of the brand-new *Acting Essentials* series, is the first textbook about the Alexander Technique written specially for undergraduates. This eight-week program can be taught over the course of half a semester, a full semester, or dipped into as needed to address students' issues with physicality, movement, breathing, voice and performance habits. The Alexander Technique

has been a vital part of training for performers since the early 20th century. It is a core part of the curriculum at most acting conservatories and in many BFA programs. Sometimes considered purely a movement discipline, the Alexander Technique in fact takes into consideration the entire person—mind, body, voice, emotions, and imagination. Introduction to the Alexander Technique addresses the student's self as a whole and is suitable for beginning acting students in any academic setting, including those who take performance classes as an elective. The book also includes more than 150 practical, easy-to-follow exercises that help students reduce tension and improve their alignment, flexibility, and poise. The textbook is supported by a range of online videos demonstrating key exercises described throughout the book.

Military Spouse Journey - Kathie Hightower
2013-09-01

Military spouses: Craft your best life possible! "... This great resource is full of practical advice as well as real-world examples that will empower spouses to have a life of their own while supporting their partners in the military lifestyle ..."—Ellie Kay, author, military spouse, and CEO of Heroes at Home The unique components of military life can make it challenging for military spouses to pursue careers and other personal dreams. This encouraging book, written by two experienced military spouses, shares lessons learned, success stories of fellow military spouses, life exploration exercises, and research-based ideas that can be applied to any stage of life's journey. Although this book shares examples specific to military life, the information and approach can be used by anyone to pursue your life dreams. Ready to follow your dreams? This book will help you: • Learn five keys to happiness you can apply every

day, anywhere. • Explore your passions, strengths, and goals. • Discover possibilities for the life you want to live. • Create an action plan to move forward, even when you think it's impossible. • Build valuable friendships and support systems along the way. • Enjoy the journey! I Could Do Anything If I Only Knew What It Was - Barbara Sher 2010-08-25
NEW YORK TIMES BESTSELLER • A life-changing guide to finding your direction—and your passion—in a world of seemingly limitless options "For those who want to find their passion . . . a step-by-step guide for restructuring one's life so that it has meaning, direction, and joy."—Ellen Kreidman, author of *Light His Fire* and *Light Her Fire* If you suspect there could be more to life than what you're getting, if you always knew you could do anything—if you only knew what it was—this extraordinary book is about to prove you right. No matter what your age, no matter how "unattainable" your dreams, you can create and live a life you love. *I Could Do Anything If Only I Knew What It Was* reveals how you can recapture "long lost" goals, overcome the blocks that inhibit your success, decide what you want to be, and live your dreams forever. You will learn: • What to do if you never chose to be what you are. • How to get off the fast track—and on to the right track. • First aid techniques for paralyzing chronic negativity. • How to regroup when you've lost your big dream. • To stop waiting for luck—and start creating it. A life without direction is a life without passion. *I Could Do Anything If Only I Knew What It Was* guides you not to another unsatisfying job but to a richly rewarding career rooted in your heart's desire.
