

# Love A Loaded Gun

*You Shot My Dog and I Love You* - Anonymous 2019-10-18

'My parents were now dabbling with drugs and Southern Comfort, even going so far as to put a selection of hallucinogens into my bottle to witness the effects for their own amusement. I only know this because my mum made no attempt to hide it, often speaking openly about their experiments with my milk supply. Her only regret being the time she added a small amount of speed to my formula to see how long it would take me to fall asleep.' Set in the UK and Ireland in the late 1970s and early 1980s, *You Shot My Dog and I Love You*, is a harrowing story of horrific physical and mental abuse inflicted on the author at the hands of his parents. In addition, the author's parents demanded that he assist them in their life of crime, go on the run in Europe to evade the law, and hide out in a caravan from the local police force. This is just some of the trauma that the author writes about. The story is intertwined with darkly comic elements to provide relief from the disturbing events of a tumultuous childhood. Due to the nature of the content *You Shot My Dog and I Love You* is written anonymously.

**The Wee Rock Discography** - Martin Strong 1996

Based on Martin Strong's *The Great Rock Discography*, this is a compact version featuring 500 of the most influential figures in the history of popular music. It expands on the format of the previous title, in which full track listings for all albums, b-sides for all singles, labels, UK and US chart positions, band members, recommended listening, style analysis, band histories - from original line-ups to dissolution, solo projects, potted biographies, a pricing guide for rare albums and release dates are given.

**A Loaded Gun** - Jerome Charyn 2016-02-22

PEN/ Jacqueline Bograd Weld Award for Biography Longlist O, The Oprah Magazine "Best Books of Summer" selection "Magnetic nonfiction." —O, The Oprah Magazine "Remarkable insight . . . [a] unique meditation/investigation. . . . Jerome Charyn the unpredictable, elusive, and enigmatic is a natural match for Emily Dickinson, the quintessence of these." —Joyce Carol Oates, author of *Wild Nights!* and *The Lost Landscape* We think we know Emily Dickinson: the Belle of Amherst, virginal, reclusive, and possibly mad. But in *A Loaded Gun*, Jerome Charyn introduces us to a different Emily Dickinson: the fierce, brilliant, and sexually charged poet who wrote: My Life had stood—a

Loaded Gun— ... Though I than He— may longer live He longer must—than I— For I have but the power to kill, Without—the power to die— Through interviews with contemporary scholars, close readings of Dickinson's correspondence and handwritten manuscripts, and a suggestive, newly discovered photograph that is purported to show Dickinson with her lover, Charyn's literary sleuthing reveals the great poet in ways that have only been hinted at previously: as a woman who was deeply philosophical, intensely engaged with the world, attracted to members of both sexes, and able to write poetry that disturbs and delights us today. Jerome Charyn is the author of, most recently, *Bitter Bronx: Thirteen Stories*, *I Am Abraham: A Novel of Lincoln and the Civil War*, and *The Secret Life of Emily Dickinson: A Novel*. He lives in New York.

Hissing or Kissing - Andra Racovitan 2019-01-11

The cool thing about poetry is that you can be so blunt yet still maintain that much needed sense of discretion. This art form is like drinking to remember. It completely takes a hold of you in the best way possible. - Andra Racovitan In this book, find a mix of love, lust, and all of the feisty shades that come with the game of romance. It is common and relatable stuff. The idea is to help the reader understand that all of life's experiences are what make it interesting, worth living. A rose is beautiful because it has thorns, not absent of them. It's all about perspective. Embrace change. Grow fiercely. And remember, you are love. And that's worth everything.

**Love and a Loaded Gun** - Emily Rose Cole 2017-08-10

**Love Me Like A Loaded Gun** - Scott Faithfull 2004-09

Originally published in 2003 as a short collection and a companion book to "Strange Little Boy" and "Deadline For My Memories". Now the original full version is available for the first time. It includes material from the shorter version of the book as well as the rest of the material that was left out. The first edition (short version) is now out of print. This book is my appreciation as well as my problem with love.

**First Loves** - Carmela Ciuraru 2001

Readers will be delighted by the intimate reflections on life and poetry found in "First Loves". Affording close-up views of today's best poets, the book also (re)introduces readers to the timeless poems they selected. Featuring many Pulitzer Prize and National Book Award winners, the book includes essays by Seamus Heaney, Robert Pinsky, Jorie Graham, Yusef Komunyakaa, and many others.

*Billboard* - 1991-10-12

In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Lives Like Loaded Guns - Lyndall Gordon 2010

In 1882, Emily Dickinson's brother, Austin, began an adulterous love affair with the accomplished and ravishing Mabel Todd, setting in motion a series of events that would forever change the lives of the Dickinson family. Award-winning biographer Gordon tells the story of the feud that erupted, and that still continues today.

**Heart Condition: Letters to Love and the Lack of It - Paperback** - Mishunda Mathis 2017-08-30

The heart wants what it wants and it wants to be loved. In our quest to find it or be found by it, we will go through a variety of emotions. The heart will be both full and empty. A place of joy and a wasteland. The heart will suffer from poor diet (bad relationships) and be resuscitated in the hands of a master. The heart will beat wildly and wane softly. Heart Condition is one poet's... this poet's... own personal journey through hoping and losing hope in that which we all need.

**Love and Modesty** - Julian Bradshaw 2019-03-16

A look into how I truly feel from time to time. But I'm always growing, so maybe I feel different now. I've learned that in life, those who pay attention to how you feel and treat you accordingly respect you. I don't need anyone's respect, but it takes respect to get respect. So I show love always.

**Experiencing Alice Cooper** - Ian Chapman 2018-03-12

*Experiencing Alice Cooper: A Listener's Companion* takes a long overdue

look at the music and stage act of rock music's self-styled arch-villain. A provocateur from the very start of his career in the mid-1960s, Alice Cooper, aka Vince Furnier, son of a lay preacher in the Church of Jesus Christ, carved a unique path through five decades of rock'n'roll. Despite a longevity that only a handful of other artists and acts can match, Alice Cooper remains a difficult act and artist to pin down and categorize. During the last years of the 1960s and the heydays of commercial success in the 1970s, Cooper's groundbreaking theatricality, calculated offensiveness, and evident disregard for the conventions of rock protocols sowed confusion among his critics and evoked outrage from the public. Society's watchdogs demanded his head, and Cooper willingly obliged at the end of each performance with his on-stage self-guillotining. But as youth anthem after youth anthem - "I'm Eighteen," "School's Out," "Elected," "Department of Youth"—rang out in his arena concerts the world over and across airwaves, fans flocked to experience Cooper's unique brand of rock. Critics searched for proper descriptions: "pantomime," "vaudeville," "retch-rock," "Grand Guignol." In 1973 Cooper headlined in Time magazine as "Schlock Rock's Godzilla." In *Experiencing Alice Cooper: A Listener's Companion*, Ian Chapman surveys Cooper's career through his twenty-seven studio albums (1969-2017). While those who have written about Cooper have traditionally kept their focus on the stage spectacle, too little attention has been paid to Cooper's recordings. Throughout, Chapman argues that while Cooper may have been rock's most accomplished showman, he is first and foremost a musician, with his share of gold and platinum albums to vouch for his qualifications as a musical artist.

**My Life Had Stood a Loaded Gun** - Emily Dickinson 2016-03-03

'It's coming - the postponeless Creature' Electrifying poems of isolation, beauty, death and eternity from a reclusive genius and one of America's greatest writers. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

**Faces of Love, Death and Transformation** - Connie Marshall 2008-05  
OPEN THE DOOR TO TRANSCENDENCE In the rain forests of northern Peru, studying with shamans, a woman completes her journey of the heart. This book is the story of that journey. Great love and great loss often go hand-in-hand, looking for ways to cope with the immense challenges of losing a loved one and day-to-day survival, Connie Marshall established a connection to a non-ordinary reality, opening a portal to allowing her to transcend the inevitable crumbling of life structures and move to new levels of understanding. Face of Love is a touchingly candid memoir that takes the reader on the author's journey in search of love, self-awareness and the discovery of past lives. Philip Gardiner, Author, Gateways to the Otherworld Connie Marshall has courageously and

whole-heartedly shown the way to a deeper examination of her life, providing insights and practices for all people on the path to self-discovery to consider. OH Krill, Author, Montauk Babies This is an intriguing, deeply moving story full of interesting characters and plenty of serious conflicts. The characters are well developed and come alive on the page. The drama is filled with action and dialogue. The author creates good suspense through the way she presents the anecdotes, keeping the reader anticipating what is going to happen next. Skillfully woven memories from childhood trigger similar feelings in current situations, tying everything together in a well-knit manner. William Greenleaf, Author, The Tartarus Incident, Starjacked, Clarion, The Pandora Stone and Time Jumper When a memoir manages to empower its readers, it's a sign of a tale well told. Connie Marshall's book is utterly original and vibrantly erotic: it's a time-traveling memoir tracing a woman's past and present life stories with mysterious dignity. This book chronicles the highs of true love, the lows of failed marriages and the mixed blessings of living on this earth in human form. Marshall's mesmerizing tale vividly illustrates how life's sufferings can serve as a doorway into positive transformation, compassionate action and ultimately, peace of mind. A perfect book for women of all ages -- and the men who yearn to understand them. Kyle Roderick, Managing Editor, [www.findbliss.com](http://www.findbliss.com)

*Дискография* - Aleksandr Vladimirovich Isaev 1997

*Me? an Economic Expert?* - Glenn L. Johnson 2012-02-13

If you could change the world-would you do it? It boggles the mind just to imagine the possibilities, doesn't it? The idea is laced with questions about your goals, ambitions, beliefs and moral values. Economics is like that too. Everything you do or don't do has an economic consequence that impacts you personally. And everything the Government does impacts you as well. In fact, our economic system is structured so the government benefits at your expense without doing anything at all. I know economics sounds boring. The way it was taught to me was boring. I have discovered that it isn't about what we are taught and it isn't very difficult to understand. Understanding some basic truths about economics will empower you to live a more enjoyable life. These truths don't care how old or young you are. They don't care whether you believe in God or not. And they don't care who you voted for the last time or who you might vote for the next time. Even if you can't change the world today, you do have the power to change your life and you can start right now.

**The Christian Pioneer** - 1861

*Battle Poetry in the Mist* - ANDREA R. CUNNINGHAM 2015-03-23

Battle poetry and short stories for your soul. Read and enjoy the thoughts of an average woman.
