Gelijke behandeling en seksuele vorming in het onderwijs staan centraal in deze bundeling essays. Nieuw zijn deze thema's niet voor leerkrachten, maar wel is er nog maar weinig aandacht gegaan naar de combinatie van deze twee onderwerpen. De samenstellers zijn ervan overtuigd dat een goede seksuele vorming op school sekse-gelijkheid in de hand kan werken. De eerste hoofdstukken zijn bedoeld als introductie op het thema. De evolutie van ideeën over seksuele vorming, seksualiteit en gelijke behandeling is het onderwijs worden in hun historische context geschetst. Daarop voortbouwend worden een aantal doelstellingen geformuleerd waaraan seksuele vorming in het onderwijs zou kunnen voldoen. Verder is er ook aandacht voor volgende onderwerpen: seksuele intimidatie, homoseksualiteit en seksualiteit en gehandicapten.

Integrity - Biju Michael 2010-02

What is leadership? Can it be explained with a simple dictionary definition? In "Integrity: The Core of Leadership," authors Biju Michael and Richard Lochrie endeavor to explain a concept inherent to humanity as a whole: leadership. Is leadership merely the ability to convince others to do your will? Or is it something more, something that serves a higher purpose and greater good? Through meticulous research and interviews with many people currently in positions of leadership, the authors explore the diverse use of the word 'leader' throughout the course of history. Though people as different as Abraham Lincoln and Adolf Hitler have been considered 'leaders,' one thing separates the truly great leaders from all the rest: integrity. Ultimately, only leadership with integrity, based on a relationship between the leader and those who follow him in a quest to achieve the common good, can bring a bright future for all. What are the most dangerous pitfalls in the path of leadership? What are the support systems available for leaders at the top of the ladder? How can you lead to leave a positive legacy? Succinct discussions with examples from the lives of real leaders provided in the book will help leadership teams to work together to achieve meaning and true success in their individual and organizational lives. 'In "Integrity: The Core of Leadership," authors Biju Michael and Richard Lochrie mingle their research with the practical wisdom of twenty-eight prominent leaders of industry, religion, politics, sports, medicine, and entrepreneurship to trace guidelines for leaders. It is an indispensable book for every leader embarked on leaving a positive legacy.' - Mo Anderson, Vice Chairman, Keller Williams Realty

Sex Education - Randy Engel 2016-03-31

Proves why classroom sex education is always wrong and always harmful; that it destroys modesty; awakens the passions; promotes sexual activity and fosters acceptance of sexual sins. Gives the Church's position; that sex education is the right and duty of parents only; which may be delegated to others; but never usurped! A must for parents; teachers and priests.
